### **Mutual Respect in Marriage**

Vivian Sandau, 2014-09-04. If the concept of Mutual Respect has dissolved or altogether disappeared in your relationship over the years and you want it back, then this book is for you. Respect is the most important ingredient in any relationship. It's the foundation upon which any kind of healthy human bond must be based. This is especially true of a romantic association; it can be very difficult to stay in love when the respect is all gone. One of the main reasons for the failure of even the longest and most loving relationships is a loss of respect between the couple. This phenomenon can take place quite abruptly or it may take years before the couple realizes that they no longer have the same level of respect that they once did. Loss of respect occurs even in the best relationships and it can happen to just about anybody on this planet. There are no exceptions. Left unchecked, respect can slowly ebb away and finally altogether fade from any loving relationship. But while some may just give up on the marriage and accept its end, others will choose to fight for its repair. For those of you who wish to work on your relationship to make things better, this book will help you understand how respect is lost and what you can do to restore it and then keep it intact forever more.
