## **Loving The Poor Saving The Rich Wealth Poverty And Early Christian Formation:**

**Loving the Poor, Saving the Rich** Helen Rhee, 2012-11-01 The issue of wealth and poverty and its relationship to Christian faith is as ancient as the New Testament and reaches even further back to the Hebrew Scriptures From the beginnings of the Christian movement the issue of how to deal with riches and care for the poor formed an important aspect of Christian discipleship This careful study shows how early Christians adopted appropriated and transformed the Jewish and Greco Roman moral teachings and practices of giving and patronage As Helen Rhee illuminates the early Christian understanding of wealth and poverty she shows how it impacted the formation of Christian identity She also demonstrates the ongoing relevance of early Christian thought and practice for the contemporary church **Wealth and Poverty in**

**Early Christianity** Helen Rhee, 2017-05 *Wealth and Poverty in Early Christianity* is part of *Ad Fontes Early Christian Sources* a series designed to present ancient Christian texts essential to an understanding of Christian theology ecclesiology and practice This volume is designed to introduce the reader to the broad range of texts that reflect early Christian thoughts and practices on the topic of wealth and poverty Developed in light of recent Patristic scholarship the volumes will provide a representative sampling of theological contributions from both East and West The series aims to provide volumes that are relevant for a variety of courses from introduction to theology to classes on doctrine and the development of Christian thought The goal of each volume is not to be exhaustive but rather representative enough to denote for a non specialist audience the multivalent character of early Christian thought allowing readers to see how and why early Christian doctrine and practice developed the way it did *Wealth, Poverty, and Charity in Jewish Antiquity* Gregg E. Gardner, 2022-05-24

Charity is central to the Jewish tradition In this formative study Gregg E Gardner takes on this concept to examine the beginnings of Jewish thought on care for the poor Focusing on writings of the earliest rabbis from the third century c e Gardner shows how the ancient rabbis saw the problem of poverty primarily as questions related to wealth how it is gained and lost how it distinguishes rich from poor and how to convince people to part with their wealth Contributing to our understanding of the history of religions *Wealth Poverty and Charity in Jewish Antiquity* demonstrates that a focus on wealth can provide us with a fuller understanding of charity in Jewish thought and the larger world from which Judaism and Christianity emerged *The Oxford Handbook of Biblical Law* Pamela Barmash, 2019-10-10

Major innovations have occurred in the study of biblical law in recent decades The legal material of the Pentateuch has received new interest with detailed studies of specific biblical passages The comparison of biblical practice to ancient Near Eastern customs has received a new impetus with the concentration on texts from actual ancient legal transactions The *Oxford Handbook of Biblical Law* provides a state of the art analysis of the major questions principles and texts pertinent to biblical law The thirty three chapters written by an international team of experts deal with the concepts significant texts institutions and procedures of biblical law the intersection of law with religion socio economic circumstances and politics and the

reinterpretation of biblical law in the emerging Jewish and Christian communities The volume is intended to introduce non specialists to the field as well as to stimulate new thinking among scholars working in biblical law      **Beholden** Susan R. Holman, 2015 Winner of the 2016 Grawemeyer Award in Religion Global health efforts today are usually shaped by two very different ideological approaches a human rights based approach to health and equity often associated with public health medicine or economic development activities or a religious or humanitarian aid approach motivated by personal beliefs about charity philanthropy missional dynamics and humanitarian mercy The underlying differences between these two approaches can create tensions and even outright hostility that undermines the best intentions of those involved In Beholden Religion Global Health and Human Rights Susan R Holman a scholar in both religion and the history of medicine challenges this traditional polarization by telling stories designed to help shape a new perspective on global health one that involves a multidisciplinary integration of religion and culture with human rights and social justice The book s six chapters range broadly describing pilgrimage texts in the Christian Hindu Buddhist and Islamic traditions the effect of ministry and public policy on nineteenth century health care for the poor the story of the Universal Declaration of Human Rights as it shaped economic social and cultural rights a religious health assets approach based in Southern Africa and the complex dynamics of gift exchange in the modern faith based focus on charity community and the common good Holman s study serves as an insightful guide for students and practitioners interested in improving and broadening the scope of global health initiatives with an eye towards having the greatest impact possible      **The Extramercantile Economies of Greek and Roman Cities** David B. Hollander, Thomas R. Blanton IV, John T. Fitzgerald, 2019-04-16 Recent work on the ancient economy has tended to concentrate on market exchange but other forces also caused goods to change hands Such nonmarket transfers ranged from small private gifts to the wholesale confiscation of cities lands and their peoples The papers presented in this volume examine aspects of this extramercantile economy particularly benefaction and the role of associations as well as their impact on the market economy This volume brings together ancient historians New Testament scholars and classicists to assess critically the New Institutional Economics framework Combining theoretical approaches with detailed investigations of particular regions and topics its chapters examine Greek economic thought the benefits of membership in private associations and the economic role of civic euergetism from classical Athens to the municipalities of Roman Spain The Extramercantile Economies of Greek and Roman Cities will be of use to those interested in the economic context of ancient religions the role of associations in the economy theoretical approaches to the study of the ancient economy labor and politics in the ancient city as well as how Greek philosophers from Xenophon to Philodemus developed ethical ideas about economic behavior      **The Bishop and the Apostle** Edwina Murphy, 2018-09-24 This study examines how Cyprian of Carthage the most significant bishop in the early Latin tradition appropriates the canonical Paul Cyprian like Paul is a pastoral theologian so his pastoral concerns provide a helpful lens through which to study his use of the apostle These

include divine truth and eternal glory the church's unity ministry and sacraments discipline and repentance and wealth and welfare Examining Cyprian's use of Paul in these areas allows us to move beyond a simple literal allegorical paradigm to appreciate the wide range of reading strategies used by Cyprian model image maxim title contextual exegesis direct application prophetic fulfilment and qualification It also provides a different perspective on Paul than the one arrived at by privileging a handful of texts This study of Cyprian's appropriation of Pauline texts therefore illuminates the interplay between text context and theology in his exegesis It also deepens our understanding of the early North African hermeneutical tradition and the early reception of Paul

**Philanthropy** Paul Valley, 2020-09-17 This is the definitive book on philanthropy its history contradictions and future John Gray Emeritus Professor of European Thought London School of Economics Good books lay out the lie of the land Important books change it This book is both Giles Fraser priest journalist and broadcaster The super rich are silently and secretly shaping our world In this groundbreaking exploration of historical and contemporary philanthropy bestselling author Paul Valley reveals how this far reaching change came about Vivid with anecdote and scholarly insight this magisterial survey from the ancient Greeks to today's high tech geeks provides an original take on the history of philanthropy It shows how giving has variously been a matter of honour altruism religious injunction political control moral activism enlightened self interest public good personal fulfilment and plutocratic manipulation Its narrative moves from the Greek man of honour and Roman patron via the Jewish prophet and Christian scholastic through the Elizabethan machiavel Puritan proto capitalist Enlightenment activist and Victorian moralist to the robber baron philanthropist the welfare socialist the celebrity activist and today's wealthy mega giver In the process it discovers that philanthropy lost an essential element as it entered the modern era The book then embarks on a journey to determine where today's philanthropists come closest to recovering that missing dimension Philanthropy explores the successes and failures of philanthrocapitalism examines its claims and contradictions and asks tough questions of top philanthropists and leading thinkers among them Richard Branson Eliza Manningham Buller Jonathan Ruffer David Sainsbury John Studzinski Bob Geldof Naser Haghamed Lenny Henry Jonathan Sacks Rowan Williams Nigra Woods and the presidents of the Rockefeller and Soros foundations Rajiv Shah and Patrick Gaspard In extended conversations they explore the relationship between philanthropy and family faith society art politics and the creation and distribution of wealth Highly engaging and meticulously researched Paul Valley's authoritative account of philanthropy then and now critiques the excessive utilitarianism of much modern philanthrocapitalism and points to how philanthropy can rediscover its soul

Living Wisely with the Church Fathers Christopher A. Hall, 2017-11-07 Early Christians lived in a culture not unlike our own in love with empire infatuated with sex tolerant of all gods but hostile to the One Christopher Hall takes us back to that time conversing with Christian leaders around the ancient Mediterranean world and exploring how this cloud of witnesses challenges us to live an ethical life as a Christ follower

*The Illumination of History* Aaron Michael Jensen, 2025-04-30 The

Illumination of History is a Festschrift in honor of Glen L Thompson professor emeritus at Wisconsin Lutheran College Milwaukee Wisconsin and Asia Lutheran Seminary Hong Kong Among Thompson s works in various areas of church history are The Correspondence of Julius I 2015 In This Way We Came to Rome With Paul on the Appian Way 2023 with Mark Wilson and Jingjiao The Earliest Christian Church in China 2024 This Festschrift celebrates Thompson s broad contributions in church history with twenty two essays on New Testament history patristic history patristic historiography papal history Chinese Christian history and historical languages All of these essays serve as examples of how the study of history can provide illumination for the church

Radical Charity Christopher Marlin-Warfield,2019-06-05 Right now there is a movement in churches and nonprofits arguing that charity is toxic that helping hurts and that the entire nonprofit sector needs to be reformed to truly lift people out of poverty These charity skeptics are telling Christians that traditional charity deepens dependency fosters a sense of entitlement and erodes the work ethic of people who receive it Charity skepticism is increasingly popular and it is almost certainly wrong Radical Charity weaves together research and scholarship on topics as diverse as biblical scholarship Christian history economics and behavioral psychology to tell a different story In this story charity is the heart of Christianity and one of the most effective ways that we can help people who are living in poverty Charity giving to people experiencing poverty without any expectation of return or reformation can save the world and help make God s vision for the church a reality

**The Cambridge History of Ancient Christianity** Bruce W. Longenecker,David E. Wilhite,2023-08-24 The first three hundred years of the common era witnessed critical developments that would become foundational for Christianity itself as well as for the societies and later history that emerged thereafter The concept of ancient Christianity however along with the content that the category represents has raised much debate This is in part because within this category lie multiple forms of devotion to Jesus Christ multiple phenomena and multiple permutations in the formative period of Christian history Within those multiples lie numerous contests as varieties of Christian identity laid claim to authority and authenticity in different ways The Cambridge History of Ancient Christianity addresses these contested areas with both nuance and clarity by reviewing synthesizing and critically engaging recent scholarly developments The 27 thematic chapters specially commissioned for this volume from an international team of scholars also offer constructive ways forward for future research

**The Vice of Luxury** David Cloutier,2015-12-01 Luxury The word alone conjures up visions of attractive desirable lifestyle choices yet luxury also faces criticism as a moral vice harmful to both the self and society Engaging ideas from business marketing and economics The Vice of Luxury takes on the challenging task of naming how much is too much in today s consumer oriented society David Cloutier s critique goes to the heart of a fundamental contradiction Though overconsumption and materialism make us uneasy they also seem inevitable in advanced economies Current studies of economic ethics focus on the structural problems of poverty of international trade of workers rights but rarely if ever do such studies speak directly to the excesses of the wealthy including the middle classes of

advanced economies Cloutier proposes a new approach to economic ethics that focuses attention on our everyday economic choices He shows why luxury is a problem explains how to identify what counts as the vice of luxury today and develops an ethic of consumption that is grounded in Christian moral convictions

**Who Were the First Christians?** Thomas Arthur Robinson, 2017 Challenges the consensus view of the urban character of early Christianity Demonstrates that almost every scenario in reconstructing early Christian growth is mathematically improbable and in many case impossible unless a rural dimension of the Christian movement is factored in Points to the likelihood that the marginal and the rustic made up a larger part of its membership than is generally recognized

**Through the Flames** Yakubu T. Jakada, 2024-01-19 The persecution of Christians is on the increase worldwide In Nigeria persecution has had an immense impact on the religious economic and social life of Nigerians especially in northern Nigeria Many Christians are concerned about how to properly respond to such oppression This book meticulously examines contemporary responses to persecution alongside biblical and historical experience using the theoretical framework of Fight Flight and Fortitude The writer is convinced that if Christians respond to persecution properly the gospel witness will be strengthened and bridges for peaceful interrelationship will be built in communities experiencing religious and cultural diversity

**The Shepherd of Hermas** Caroline P. Buie, Michael Svigel, 2024-11-28 A notoriously puzzling text the Shepherd of Hermas has been as challenging to scholars as it was revered in the patristic period This volume offers a new lucid translation recreating the original colloquial tone of the work to help dispel some of the mystery and misunderstanding surrounding this work With introductory essays exploring authorship genre and theological and practical content this volume draws out the powerful images and practical principles which remain relevant for readers Accompanied by a commentary that unpacks the meanings of this ancient text this volume allows the Shepherd of Hermas unique voice to be illuminated and understood

**The Business Francis Means** Martin Schlag, 2017-11-08 An overview of Pope Francis s teachings on money and morality that bridges the gap between political sides Pope Francis generally speaking has thus far chosen to concentrate his papacy on social justice issues as opposed to doctrinal or liturgical issues This has led to Francis being hailed as a hero to many on the left while it has made some conservative supporters of St John Paul II and Pope Emeritus Benedict XVI disappointed and uncomfortable even as they love and appreciate his person and gestures of mercy and compassion Some find his teachings difficult to embrace especially those concerning business and the economy Pope Francis has spoken of building bridges as part of what it is to be Christian but aspects of his message seem to be just constructing walls between the Holy Father and groups of the faithful The Business Francis Means aims to break through these walls showing that Pope Francis has something to say to all Christians His message taken as a whole keeps us from dividing the seamless garment of Christ he reminds the conservatives of the problems of inequality and poverty and the liberals that social justice is not enough the Church is the bride of Christ not a social institution or an NGO Martin Schlag summarizes and explains the message of Pope Francis on business and the

economy in this compact volume *The Business Francis Means* will be of great interest to the Catholic layperson especially one involved in political or economic life      **Hope for the Oppressor** Patrick Oden, 2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co-opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolhart Pannenberg Jürgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community      **John Chrysostom and African Charismatic Theology in Conversation** Samantha L. Miller, 2021-03-18 This book puts John Chrysostom in conversation with deliverance ministries and the prosperity gospel in modern African charismatic Christianity Samantha Miller argues that Chrysostom had a cosmology not unlike that present in the charismatic Christianity of the global south where the world is populated by spirits able to affect the material world Additionally Chrysostom had plenty to say about suffering demons and prosperity Through this conversation issues of personal moral responsibility and salvation rise to the surface and it is through these issues that modern Western and African Christians theologians pastors missionaries and laity can perhaps have a conversation that gets past the question of a spirit inhabited world and talk together about the saving work of Christ for the benefit of all the church      **The Letter to the Ephesians** Lynn H. Cohick, 2020-11-05 The letter to the Ephesians provokes an array of interpretive questions regarding authorship audience date occasion purpose of writing and the nature of its moral instruction including its words addressed to slaves and masters Interacting critically in an arena of intense debate Lynn Cohick provides an exegetically astute analysis of the six chapters of Ephesians offering an insightful account of the letter's theology and soteriology as she attends to its expansive prose and lofty vision of God's redemption Cohick analyzes everything from the letter's description of the church and its appeals for discipleship to the complex relationship between Jews and gentiles within the text and in the broader cultural context Her extensive knowledge of the social realities of women and families in the ancient world is also evident throughout Historically sensitive and theologically rich Cohick's commentary will be an abundant resource for a new generation of scholars pastors and lay leaders

Loving The Poor Saving The Rich Wealth Poverty And Early Christian Formation : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Loving The Poor Saving The Rich Wealth Poverty And Early Christian Formation : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
