Lauren Rosewarne, 2011-04-19 This book offers an erudite yet highly accessible exploration of the presence of sexual perversion in popular culture and its manifestation in everyday life An interdisciplinary exploration of sexual perversion in everyday life *Part Time Perverts Sex Pop Culture and Kink Management* starts from the premise that for better or worse everyone is exposed to a continual barrage of representations of sexual perversion both subliminal and overt Our involvement Dr Lauren Rosewarne contends is universal but our management strategies cover a spectrum of behavioral possibilities from total repression to total immersion It is those strategies that she examines here Drawing on her own experience as well as on pop culture and a multidisciplinary mix of theory Rosewarne shifts the discussion of perversion away from the traditional psychological and psychiatric focus and instead explores it through a feminist lens as a social issue that affects everyone Her book examines representations of perversion from suppression to dabbling to full body immersion and proposes a classification for perversion management and charts the diverse strategies we use to manage and perhaps enjoy exposure **The Loving Dominant** John Warren, 1998 **Finding Leather in a Vanilla World** Shannon Reilly,
