A Lovely and Terrible Thing Chris Womersley, 2019-04-23 Around you the world is swirling you pass through a submerged town the bakery a wheelbarrow a bike floating on its side on the main street its steeples and trees barely visible through the thick water In the distance the wreck of the gunship HMS Elizabeth lolls on a sandbank a couple of miles from the shore Oil slicks the canals of the capital and even now in the midst of the bombing the old men still tell tales of mermaids in the shallows A pool empty of water save for a brackish puddle at one end that has escaped the summer heat A mess of fine bones and hanks of fur the remains of mice or possums that have tumbled in lured perhaps by the water Two boys stand by its edge watching a stolen bracelet flash through the humid air into the deep end In bestselling author Chris Womersley's first short fiction collection twenty macabre and deliciously enjoyable tales linked by the trickle of water that runs through them all will keep readers spellbound until their final unexpected and unsettling twist
