Learned Helplessness Colonel Vaughan Witten, Ph.D., 2021-08-06 Learned Helplessness The Poison Pill Threat to Black America. By Colonel Vaughan Witten Ph D. Learned Helplessness The Poison Pill Threat to Black America discusses the self destructive behavior of the American Black male his delusional belief of victimization by a white society as the primary reason for his failure to acclimate and succeed in today's capitalistic America. This engrained worldview thereby sufficiently blinds him and the general Black culture to the concept that discipline sacrifice and industry are their only escape from their dilemma instead of their rearview blame pity and destructive behavior. This helplessness learned and absorbed in their psyche negates any macro attempt to thrive as an independent self sufficient and competitive subculture in America.
