What Happened to Goldman Sachs Steven Mandis, 2013-10-01 This is the story of the slow evolution of Goldman Sachs addressing why and how the firm changed from an ethical standard to a legal one as it grew to be a leading global corporation In What Happened to Goldman Sachs Steven G Mandis uncovers the forces behind what he calls Goldman s organizational drift Drawing from his firsthand experience sociological research analysis of SEC congressional and other filings and a wide array of interviews with former clients detractors and current and former partners Mandis uncovers the pressures that forced Goldman to slowly drift away from the very principles on which its reputation was built Mandis evaluates what made Goldman Sachs so successful in the first place how it responded to pressures to grow why it moved away from the values and partnership culture that sustained it for so many years what forces accelerated this drift and why insiders can t or won t recognize this crucial change Combining insightful analysis with engaging storytelling Mandis has written an insider s history that offers invaluable perspectives to business leaders interested in understanding and managing organizational drift in their own firms DSM-IV Training Guide For Diagnosis Of Childhood Disorders Judith L.

Rapoport, Deborah R. Ismond, 2014-03-18 First published in 1996 Revised to reflect changes made in DSM IV as they pertain to childhood psychiatric disorders this updated DSM IV Training Guide for Diagnosis of Childhood Disorders provides specific instructions for optimally using the DSM IV This meticulously researched companion guide will provide welcome clarification and definition of the terms and concepts included in the DSM IV criteria for disorders pertaining specifically to children and adolescents The volume encompasses both psychopathology specific to infancy childhood and adolescence and other psychiatric disorders such as Anxiety Obsessive Compulsive Disorder Depression and Schizophrenia that are more common as adult disorders by may appear in childhood While the diagnostic criteria for these are largely the same for children and adults there are differences that emerge when making differential diagnosis of these disorders for children as illuminated in the Training Guide This companion guide focuses on the manifestation of various disorders differentiation among syndromes and qualify of characteristics Numerous and vivid case vignettes clearly illustrate clinical symptoms and demonstrate the application of diagnostic guidelines The book highlights the multiaxial approach of DSM as a means of assessing the child from a variety of perspectives including exogenous factors influencing development sources of a particular disorder and the child s innate limitations and capabilities Diagnostic criteria and main features of specific disorders are highlighted in numerous tables and figures interspersed throughout the volume Most importantly the Guide highlights the gray areas of diagnosis with the hope that increased clinical awareness and record keeping will lead to more accurate classification and ultimately superior treatment in the future The DSM IV Training Guide for Diagnosis of Childhood Disorders will serve clinicians well in the sometimes difficult and subjective quest for the appropriate diagnosis treatment and management of children and adolescents with psychiatric disorders It will also serve to promote the kind of dialogue and research that will

lead to even greater diagnostic consensus among practitioners and encourage a more reliable and valid diagnostic practice in the future

**Restoration Heart** William Cash,2019-09-10 Breathtaking untold story riotously colourful Mail on Sunday I read most of it in one exciting sitting It is brilliant gripping and sad Harry Mount Restoration Heart is a story of love double divorce and redemption It is a biography of the heart and of a house When William Cash suffers a post divorce mid life breakdown aged 43 life seemed bleak but things were about to change Like William himself his old Shropshire family house Upton Cressett was in as much in need of being rescued and fixed up as its owner As William embarks on re building his life and ruin of a country house he starts looking again for love But money patience and the likelihood of ever finding family happiness soon start to run out Drawing on his haul of letters written to various wives fianc es and girlfriends all potential third wives the book follows Cash s search for a chatelaine for Upton Cressett Restoration Heart is a tempestuous Gulliver like voyage of the heart with a colourful cast of figures including Tom Wolfe Jay McInerney Margaret Thatcher Elizabeth Hurley David Hockney Piers Morgan an American singer legend cousin and most dramatically future prime minister Boris Johnson Hilarious and poignant this restore a wreck memoir is an account of how an Englishman is rescued by love architecture and beauty The memoir also holds up a dark lens to the Bonfire of the Vanities generation that Cash was a member of at Cambridge The

story reveals how a broken man can become completely transformed both emotionally and imaginatively by a building and its surrounding landscape During the four year refurbishment the house s reclamation becomes inexorably linked with his own re birth and salvation before he finally marries for the third time and gets to live in his family house This is not a misery memoir it is an uplifting albeit tempestuous Gulliver like biography of the heart with an ancient Elizabethan house as the writer s Arcadian safe house and source of salvation
