Steps to Financial Freedom Suze Orman, 1999-10-06 Suze Orman has transformed the concept of personal finance for millions by teaching us how to gain control of our money so that money does not control us. She goes beyond the nuts and bolts of managing money to explore the psychological even spiritual power money has in our lives. The 9 Steps to Financial Freedom is the first personal finance book that gives you not only the knowledge of how to handle money but also the will to break through all the barriers that hold you back. Combining real-life recommendations with the motivation to overcome financial anxieties, Suze Orman offers the keys to providing for yourself and your family, including seeing how your past holds the key to your financial future, facing your fears, and creating new truths, trusting yourself more than you trust others, being open to receiving all that you are meant to have, understanding the lessons of the money cycle. The 9 Steps to Financial Freedom is useful advice and inspiration from the leading voice in personal finance. As Orman shows, managing money is far more than a matter of balancing your checkbook or picking the right investments.
