Olson, Frank S. Mead, Samuel S. Hill, Dr. Craig D. Atwood, 2018-05-15 The Handbook of Denominations in the United States has long been the gold standard for reference works about religious bodies in America The purpose of this Handbook is to provide accurate and objective information about the most significant Christian traditions and denominations in the United States today It contains descriptions of over 200 distinct Christian denominations as well as overviews of the several major Christian traditions to which they belong based on shared historical and theological roots and commitments The information for each denomination has been provided by the religious organizations themselves and focuses on the denominations doctrines statistics and histories The 14th edition is completely updated with current statistics new denominations and recent trends The book has been made more useful and manageable by moving very small groups into broader articles while giving more detail and description to the large and influential denominations **Baptist Bulletin**, 1998 **Handbook of Megachurches** Stephen J. Hunt, 2019-11-26 The megachurch is an exceptional recent religious trend certainly within Christian spheres Spreading from the USA megachurches now reached reach different global contexts The edited volume Handbook of Megachurches offers a comprehensive account of the subject from various academic perspectives **African American Organizations, 1794-1999** Rosalind G. Bauchum, 2001 This annotated bibliography describes books articles reports dissertations journals bibliographies and reviews on African American organizations throughout history Entries are grouped in sections on the African American church the quest for civil rights Africa American educational institutions professional associations general references on organizational development and African American information on the Internet An appendix lists current organizations and educational institutions Information about Bauchum is not given Annotation copyrighted by Book News Inc Portland OR *The Y-B-H Handbook of Church Planting (Yes, But*

How?) Roger N. McNamara, Ken Davis, 2005-05 This book covers all the crucial issues of the church planting task It tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction **Directory and Handbook** Baptist Missionary Association of America, 1989 God and Caesar Stephen M. King, 2002-10 Comparative Religious Law Norman Doe, 2018-11-15 Comparative Religious Law provides for the first time a study of the regulatory instruments of Jewish Christian and Muslim religious organisations in Britain in light of their historical religious laws Norman Doe questions assumptions about the pervasiveness character and scope of religious laws from the view that they are not or should not be recognised by civil law to the idea that there may be a fundamental incompatibility between religious and civil law It proposes that religious laws pervade society are recognised by civil law have both a religious and temporal character and regulate wide areas of believers lives Subjects include sources of law faith leaders governance worship and education rites of passage divorce and children and religion State relations A Charter of the principles of religious law common to all three Abrahamic faiths is proposed to stimulate greater mutual understanding between religion and society and between the three faiths themselves Handbook of Denominations in the United States , 1975 *Biblical Foundations for Baptist Churches* John S. Hammett, 2019-02-26 An updated examination of ecclesiology from a Baptist perspective In this useful book professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church Blending biblical teaching and practical ministry experience Hammett presents a comprehensive ecclesiology from a historic Baptist perspective examining crucial contemporary issues such as church discipline the role of elders and church ministry in a post Christian culture This second edition contains updates throughout including Substantive changes to chapters on the nature of the church Baptist church polity and deacons An expanded chapter on baptism and the Lord s Supper A thoroughly revised chapter on church models like multisite churches and missional churches A brand new chapter on meaningful church membership **Handbook of Denominations in the United States** Frank Spencer Mead, 1970 **The Oxford Handbook of Calvin and Calvinism** Bruce Gordon, Carl R. Trueman, 2021 John Calvin was a leader of the European Reformation of the sixteenth century and the influence of his thought remains crucial in our world This collection explores the origins of Calvin s thought and the theological historical and cultural circumstances in which they have evolved from Geneva to our times The United States Catalog , 1908
