Governance For Sustainable Development Ideas For The Post 2015 Agenda

Magdalena Bexell, Kristina Jönsson

Governance For Sustainable Development Ideas For The Post 2015 Agenda:

Governance for the Sustainable Development Goals Joachim Monkelbaan, 2018-05-31 This book provides a detailed overview of governance for the Sustainable Development Goals (SDGs). Adopting a unique integrative approach, it examines the fragmentation of governance that is a critical barrier to achieving the SDGs. The main question addressed is: What are the crucial elements and the organizing logic of an integrative framework that is suitable for analysing governance for the SDGs and for implementing the transitions that we need towards a more sustainable world? This transdisciplinary book first proposes a combination of innovative governance theories that can improve the analysis and practice of sustainability governance. Secondly, it explores the interests of core actors in a number of case examples. And thirdly, it offers recommendations for improving the study and practice of sustainability governance. The findings presented form the basis for a new approach to governance towards objectives such as the SDGs. Integrative Sustainability Governance (ISG). The ensuing ISG framework includes indicator frames within the pillars of power, knowledge, and norms. The book concludes that the transformation of crisis into sustainability transitions requires a deeper consideration of risk management that strengthens resilience systems, deliberation that complements democracy, and behavioral insights that elevate human awareness and collaboration. This handbook is a comprehensive and valuable companion for students, experts, and practitioners with an interest in the SDGs.

Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa Teshager Alemu, Kassa Abebe Alebachew, Mulunesh, 2018-02-09 Despite increasing reports across the globe on renewable development and maintenance, little is known regarding what strategies are required for improved economic growth and prosperity in Africa. Improving an understanding of the methods for promoting growth through reusable resource development and administration is a vital topic of research to consider in assisting the continent's development. The *Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa* provides emerging research on the strategies required to promote growth in Africa, as well as the implications and issues of the expansion of prosperity. While highlighting sustainable education, pastoral development pathways, and the public sector role, readers will learn about the history of sustainable development and governmental approaches to improving Africa's economy. This publication is a vital resource for policy makers, research institutions, academics, researchers, and advanced level students seeking current research on the theories and applications of development in societal and legal institutions.

School Environment and Sustainable Development Goals Beyond 2030 Princewill I. Egwuasi Ph.D., Jake M. Laguardor Ph.D., Emad K. Hussein Ph.D., Ohene B. Apea Ph.D., Joan I. Egwuasi CNA, George N. Shava, 2020-06-07 This book on School Environment and the SDGs Beyond 2030 is a continuation of our maiden second and third publications on School Environment in Nigeria and the Philippines published in February 2015, School Environment in Nigeria, Ghana, and the Philippines published in March 2017, and School Environment in Africa and Asia Pacific published in July 2018. The

philosophy being that since there is a shift from globalization to internationalization and to cross border education there is the urgent need to revisit some topical issues in our school environment towards the realization of an internationalized qualitative and cross border teaching and learning using the Sustainable Development Goals as a yardstick

Health Norms and the Governance of Global Development Anders Granmo, Pieter Fourie, 2021-02-22 This book maps the emergence of health in global development discourse and governance since 1990 It argues that health norms have emerged diffused and subsequently become internalised through the various direct and indirect negotiation processes that created the global development goals Covid 19 Ebola and HIV AIDS are prime illustrations of the fact that health is supremely political Governments whether they are local national international or multilateral make decisions about their policy responses coordinate their response and channel the necessary resources Such decisions are informed by local and global conditions as well as sets of values norms and standards that determine policy and interventions As states and regions become more interconnected the politics of health are increasingly relevant to the sustainable future envisioned by global governance This book explains how considerations of global health have come to inform and infuse the United Nations development agenda It identifies processes actors institutions and interactions in global health by analysing two related case studies the Millennium Development Goals and the Sustainable Development Goals Providing an overview of and insights about the context of global development thinking and practice the subtleties of global health and global health governance this book is an innovative contribution to the literature It is suitable for students and scholars of global health development studies and international relations

Local Governance in the New Urban Agenda Carlos Nunes Silva, Anna Trono, 2020-10-19 The book explores and discusses some of the changes challenges and opportunities confronting local governance in the context of the new urban paradigm associated with the HABITAT III New Urban Agenda a 20 year strategy for sustainable urbanization adopted in October 2016 in Quito Ecuador The chapters included in the book address public policy issues from different theoretical perspectives and methodological approaches written by authors from different academic disciplines within the broad area of social sciences Geography Political Science Public Administration Spatial Planning Law Regional Science among other fields and offer an inter disciplinary vision of these issues The chapters are written by members of the International Geographical Union IGU Commission on Geography of Governance

Post-2015 UN Development Stephen Browne, Thomas G Weiss, 2014-08-01 In 2000 at the United Nations Millennium Summit world leaders agreed to the Millennium Declaration The Declaration included development targets to be reached by 2015 which were to become known as the Millennium Development Goals MDGs Progress has been made towards the achievement of the MDGs but poverty remains widespread With the terminal year approaching the international community has begun the process of determining the goals which might follow the MDGs While the UN is driving the process there has been very little introspection on its own organizational capacity to help countries to meet the goals and is being increasingly sidelined by other more effective development

organizations and initiatives Based on extensive original research that has critically examined the role and functions of the organizations of the UN development system this book seeks to capture in a single volume a comprehensive review of the UN s performance and prospects for development The contributors each offer extensive experience and familiarity as practitioners and researchers with the UN and development and the book will contribute to the urgently needed debate on the reform of the UN development system at a critical juncture The main rationale for this book and its timing is the unusual opportunity provided by the 2015 threshold to re think the UN development system and to empower it to support a new development agenda and will be of interest to students scholars of International Organizations and development studies

Africa in the Post-2015 Development Agenda Leo Charles Zulu,Cristina D'Alessandro,2018-04-19 This book offers a multifaceted examination of Africa s development into the post 2015 global agenda from a geographical perspective As a diversified and highly applied discipline geography has a lot to offer to global debates nuanced analysis of problems on and the search for innovative solutions to advance the African development agenda beyond 2015 The end of the Millennium Development Goals MDGs era and the launch of the Sustainable Development Goals SDGs in September 2015 mark an important turning point for Africa and an opportune time to examine new challenges and opportunities that it faces The regional disparities in MDG progress affirm an important geographic tenet that the unique yet internally differentiated socio cultural economic political ecological biophysical and historical context give Africa distinctive challenges and opportunities that demand particular approaches to development This edited book presents innovative contributions examining Africa s development performance in diverse sectors during the MDG era as a basis for understanding prospects for its development in the SDG era and beyond It offers new and innovative study perspectives and methodological approaches on urban transformation development financing food security climate change gender equality health and regional integration among other topics and useful insights for scholars students and development practitioners This book was originally published as a special issue of *African Geographical Review* the journal of the American Association of Geographers Africa Specialty Group to mark the transition from MDGs to SDGs

International Organization and Global Governance Thomas G. Weiss,Rorden Wilkinson,2013-10-15 Featuring a strikingly diverse and impressive team of authors this is the most comprehensive textbook available for courses on international organizations and global governance This book covers the history theories structure activities and policies of both state centred institutions and non state actors in global politics

Partnerships and the Sustainable Development Goals Enda Murphy,Aparajita Banerjee,Patrick Paul Walsh,2022-09-01 This volume fills a significant gap in the scientific and policy literature on the Sustainable Development Goals SDGs and on SDG 17 which focuses on partnership as a means of implementation MOI for the SDGs The collection offers a strong theoretical context and outlines the nature of partnerships e g alternative forms multi level forms barriers to take up using the most recent UN database as well as through key case studies that highlight partnership successes and failures at local national and global

scales The text covers a brief history and background of partnerships and the SDGs an analysis of existing SDG partnership using UN data a scalar analysis of case studies involving multi stakeholder partnerships and recommendations for successful partnership models and implementation strategies The book will be relevant for a wide variety of readerships including academics in different policy fields and disciplines policymakers SDG advocates and practitioners and NGOs active in the promotion of the SDGs and environmental issues Provides a unique outline of partnership theory and its application to the SDGs Outlines the nature of partnerships including their multi level forms and barriers to take up using UN data Analyzes key SDG partnerships case studies that highlight partnership success stories for practitioners **Organizations and**

Performance in a Complex World Ramona Orăștean, Claudia Ogorean, Silvia Cristina Mărginean, 2020-12-14 This volume highlights current research and developments on organizations and their performance against the background of ubiquitous complexity It investigates some of the challenges and trends dominating the complex world of nowadays and the ways organizations are dealing with them in their continuous search for performance The papers in the volume cover a series of hot and or emerging topics i e sustainable development corporate social responsibility green marketing digital revolution social media global trade intangible assets economic intelligence and innovation Built on an interdisciplinary perspective and a multi level approach global trade power sustainable development regional EU BRICS national country based systems cultures policies practices industry airlines pharma luxury retailing banking tourism local communities destinations and organization entrepreneurship MNEs public organizations national and local the volume uniquely addresses issues of high interest for researchers practitioners and policymakers The Politics of the Sustainable Development Goals Magdalena Bexell, Kristina Jönsson, 2021-06-09 This book draws attention to political aspects of sustainable development goal setting exploring the Sustainable Development Goals SDGs at the global national nexus during their first five years After broad global deliberation and political negotiations the 2030 Agenda and its SDGs were adopted in the United Nations UN General Assembly in 2015 and by now many countries have political structures in place for working towards their realisation This book explores three concepts to call attention to the political qualities of processes related to the SDGs legitimacy responsibility and accountability Legitimacy is required to obtain broad political ownership for policy goals in order for them to become effective in addressing cross border sustainability challenges Responsibility needs to be clearly distributed among political institutions if a long term set of broad goals such as the SDGs are to be realised Accountability to the public is the retrospective mirror of political responsibility The Politics of the Sustainable Development Goals contributes new knowledge on political processes at the nexus of global and national levels focussing on three countries at different levels of socio economic development and democratisation namely Ghana Tanzania and Sweden These countries illustrate a variety of challenges related to the realisation of the SDGs This book will be of great interest to students and scholars of sustainable development international organisations and global politics Concepts and Approaches for Sustainability Management

Khai Ern Lee, 2020-01-23 With the introduction of the 2030 Agenda for Sustainable Development by the United Nations General Assembly in 25 September 2015 UN agencies member states and stakeholders have begun to focus on the adoption and implementation of these strategies in realization of 17 Sustainable Development Goals To work toward sustainability strategic measures to encourage stakeholders to contribute to the goals of the 2030 agenda are needed In recognition of these efforts this book is produced to compile research concepts and approaches for the area of sustainability management of industry technology development community education and the environment The objective of this book is to deliberate concepts and approaches of sustainability management taking place in Malaysia whereby case studies will be revealed to provide way forward of sustainability management toward achieving sustainable development The insights provided can be applied to advanced and developing countries by sustainable development practitioners encompassing government agencies academia industries NGOs and community who would like to adopt the concept of approach of sustainability into their area of management

Journalism Education in the Context of Development and Digital Transformation Martens-Edwards, Eira,2023-11-09

Welfare State Transformations and Inequality in OECD Countries Melike Wulfgramm,Tonia Bieber,Stephan Leibfried,2017-03-07 This book analyzes how recent welfare state transformations across advanced democracies have shaped social and economic disparities The authors observe a trend from a compensatory paradigm towards supply oriented social policy and investigate how this phenomenon is linked to distributional outcomes How and how much have changes in core social policy fields alleviated or strengthened different dimensions of inequality The authors argue that while the market has been the major cause of increasing net inequalities the trend towards supply orientation in most social policy fields has further contributed to social inequality The authors work from sociological and political science perspectives examining all of the main branches of the welfare state from health education and tax policy to labour market pension and migration policy div

The United Nations in the 21st Century Karen A. Mingst,Margaret P. Karns,Alynnna J. Lyon,2018-05-04 The United Nations in the 21st Century provides a comprehensive yet accessible introduction to the United Nations exploring the historical institutional and theoretical foundations of the UN This popular text for courses on international organizations and international relations also discusses the political complexities facing the organization today Thoroughly revised throughout the fifth edition focuses on major trends since 2012 including changing power dynamics increasing threats to peace and security and the growing challenges of climate change and sustainability It examines the proliferating public private partnerships involving the UN and the debates over reforming the Security Council and the Secretary General selection process This edition also includes new case studies on peacekeeping and the use of force in the Democratic Republic of Congo and Mali transnational terrorism and the emergence of ISIS the Security Council s failure to act in Syria the Syrian and global refugee migrant crisis and the conclusion of the Millennium Development Goals and framing of the Sustainable Development Goals

Japan's New Regional Reality Saori N. Katada,2020-07-07 Since the mid 1990s Japan s regional economic strategy has transformed Once characterized by bilateralism informality and neomercantilism Japanese policy has shifted to a new liberal strategy emphasizing regional institution building and rule setting As two major global powers China and the United States wrestle over economic advantages Japan currently occupies a pivotal position capable of tipping the geoeconomic balance in the region Japan s New Regional Reality offers a

comprehensive analysis of Japan's geoeconomic strategy that reveals the country's role in shaping regional economic order in the Asia Pacific Saori N Katada explains Japanese foreign economic policy in light of both international and domestic dynamics She points out the hurdles to implementing a state-led liberal strategy detailing how domestic political and institutional changes have been much slower and stickier than the changing regional economics Katada highlights state market relations and shows how big businesses have responded to the country's interventionist policies The book covers a wide range of economic issues including trade investment finance currency and foreign aid Japan's New Regional Reality is a meticulously researched study of the dynamics that have contributed to economic and political realities in the Asia Pacific today with significant implications for future regional trends [Encyclopedia of Law and Development](#) Koen De Feyter, Gamze E. Türkelli, Stéphanie de Moerloose, 2021-01-29 This comprehensive Encyclopedia is an indispensable resource in the area of law and development Bringing together more than 80 entries the Encyclopedia spans a variety of approaches contextualised histories recent developments and forward looking insights into the role of law in development It is an invaluable reference point for scholars seeking to engage with issues at the intersection of law and development from both within and outside of the legal field as well as a thorough but succinct overview for post graduate students

Governance For Sustainable Development Ideas For The Post 2015 Agenda Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Governance For Sustainable Development Ideas For The Post 2015 Agenda PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Governance For Sustainable Development Ideas For The Post 2015 Agenda PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Governance For Sustainable Development Ideas For The Post 2015 Agenda free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Governance For Sustainable Development Ideas For The Post 2015 Agenda Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Governance For Sustainable Development Ideas For The Post 2015 Agenda is one of the best book in our library for free trial. We provide copy of Governance For Sustainable Development Ideas For The Post 2015 Agenda in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Governance For Sustainable Development Ideas For The Post 2015

Agenda. Where to download Governance For Sustainable Development Ideas For The Post 2015 Agenda online for free? Are you looking for Governance For Sustainable Development Ideas For The Post 2015 Agenda PDF? This is definitely going to save you time and cash in something you should think about.
