exists in our world They are taking personal safety as a personal responsibility I want to live my life to the fullest and enjoy
all there is to offer I just choose to be armed in the process Many times you are told to dress around the firearm That is one
option I prefer to find a better fit One that allows me to enjoy life while being armed The Concealed Carry Manual will help
you on your journey CCM Whether new to concealed carry or a seasoned veteran this manual will provide invaluable
information on your path to personal protection Taken from over 20 years of operational and instructional experience Jeff
condenses the subject of concealed carry into a simple system There are no single answers to solving the mystery behind
carrying concealed However there is a system that allows you to match your environmental social and legal requirements
with what you have available Carrying a firearm for self defense is a huge step for many people There are lots of lingering
questions Good questions that need well thought out answers This manual will provide many of those answers It will also
help to build a sustainable and user friendly system for carrying confidently comfortably discreetly The goal of this manual is
