

Guns In American Society An Encyclopedia Two Vol Set

Jaclyn Schildkraut, Gregg Lee Carter

Guns In American Society An Encyclopedia Two Vol Set:

Guns in American Society [2 Volumes] Gregg Lee Carter, 2002-12-12 How Americans feel about guns is usually determined by personal experience rather than research results observes sociologist Gregg Lee Carter His goal in compiling *Guns in American Society* the most comprehensive single source of information on the gun issue is to help readers educate themselves Is the high rate of violence in the United States linked to the prevalence of guns or to a lack of social homogeneity and economic inequality Should there be support for stricter or more lenient gun control Should people carry concealed weapons for personal protection What exactly did the authors of the Constitution mean by the right of the people to keep and bear arms The encyclopedia doesn't tell readers how to answer these questions Instead it helps them sift through the latest thinking and research in the fields of criminology history law medicine politics and sociology providing objective information so they can make up their own minds [Guns in American Society](#) Jaclyn Schildkraut, Gregg Lee Carter, 2022-12-01 The revised third edition of the landmark *Guns in American Society* provides an authoritative and objective survey of the history and current state of all gun related issues and areas of debate in the United States *Guns in American Society An Encyclopedia of History Politics Culture and the Law* is a comprehensive and evenhanded three volume reference resource for understanding all of the political legal and cultural factors that have swirled around gun rights and gun control in America past and present The encyclopedia draws on a vast array of research in criminology history law medicine politics and social science It covers all aspects of the issue gun violence including mass shootings in schools and other public spaces gun control arguments and organizations gun rights arguments and organizations the firearms industry firearms regulation legislation and court decisions gun subcultures for example hunters and collectors leading opinion shapers on both sides of the gun debate technological innovations in firearm manufacturing various types of firearms from handguns to assault weapons and evolving public attitudes toward guns Many of these entries place the topics in both historical and cross cultural perspective [Guns in American Society](#) Gregg Lee Carter, 2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society An Encyclopedia of History Politics Culture and the Law* was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics

and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

American Reference Books Annual Bohdan S. Wynar, 2006 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering

Gun Control in the United States Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

School Library Journal, 2004 *United States Army Combat Forces Journal*, 1952

Gun Control Robert J. Spitzer, 2009-03-20 Gun control is one of the most enduringly controversial issues in modern American politics For the first time this book compiles a comprehensive array of documents that explain and illuminate the historical and contemporary context of the modern gun debate Bringing together over 50 documents from the colonial era to the present including early colonial laws founding documents letters political debates federal and state laws federal and state court cases and various political documents this book is an indispensable reference work for those seeking to understand the origins and modern consequences of American gun policy including the Second Amendment's right to keep and bear arms Accompanying commentary and analysis is included to help the reader fully understand the meaning of these documents Numerous bibliographic sources provide additional resources for interested readers Ideal for undergraduate and high school students this collection of primary documents surrounding one of America's oldest controversial issues is a must

have for library shelves Contrary to popular impression gun laws are as old as the country and reflect the intersection of citizens personal gun habits and the country s early need to defend itself by citizen militias who were required to arm themselves The nation s gun policies evolved as its needs and resources changed Old style militias gave way to a modern professional American military and the settling of the American frontier ushered in modern gun laws In the past century political assassinations and gun related mass violence spurred both new gun control efforts and a burgeoning modern gun rights movement Students will be able to read and analyze primary documents surrounding these events including the Federalist Papers early hunting laws Supreme Court rulings federal and state regulations and recent political platform statements Ideal for undergraduate and high school students this collection of primary documents surrounding one of America s oldest controversial issues is a must have for library shelves The Bookmart Halkett Lord,Richard Halkett,1888

Guns In American Society An Encyclopedia Two Vol Set Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Guns In American Society An Encyclopedia Two Vol Set free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Guns In American Society An Encyclopedia Two Vol Set free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Guns In American Society An Encyclopedia Two Vol Set free PDF files is convenient, its important to note that copyright laws must be

respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Guns In American Society An Encyclopedia Two Vol Set. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Guns In American Society An Encyclopedia Two Vol Set any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Guns In American Society An Encyclopedia Two Vol Set Books
