variety of subdisciplines representing a range of academic and alternative academic careers **Gendering the Renaissance** Meredith K. Ray, Lynn Lara Westwater, 2023-04-14 The essays in this volume revisit the Italian Renaissance to rethink spaces thought to be defined and certain from the social spaces of convent court or home to the literary spaces of established genres such as religious plays or epic poetry Repopulating these spaces with the women who occupied them but have often been elided in the historical record the essays also remind us to ask what might obscure our view of texts and archives what has remained marginal in the texts and contexts of early modern Italy and why The contributors suggesting new ways of interrogating gendered discourses of genre identities and sanctity offer a complex picture of gender in early modern Italian literature and culture Read in dialogue with one another their pieces provide a fascinating survey of currents in gender studies and early modern Italian studies and point to exciting future directions in these fields *Who Leads?* Jane L. Crane, 2024-05-03 A concise updated summary of top Bible scholars on male female leadership focusing on facts rather than theories and leaving conclusions to the reader Includes a fascinating look at ancient texts Bible translations through the centuries and early church actions on women leaders Academically sound but written for the average reader A quick read of about three hours backed up with references to more than 100 leading scholars **Interpreting 2 Peter through African American Women's Moral Writings** Shively T. J. Smith, 2023-03-15 Shively T J Smith reconsiders what is most distinct troubling and potentially thrilling about the often overlooked and dismissed book of 2 Peter Using the rhetorical strategies of nineteenth century African American women including Ida B Wells Jarena Lee Anna Julia Cooper and others Smith redefines the use of biblical citations the language of justice and righteousness and even the matter of pseudonymity in 2 Peter She approaches 2 Peter as an instance of Christian cultural rhetoric that forges a particular kind of community identity and behavior This pioneering study considers how 2 Peter cultivates the kind of human relations and attitudes that speak to the values of moral people seeking justice in the past as well as today *Grounded in the Body, in Time and Place, in Scripture* Jill Firth, Denise Cooper-Clarke, 2021-02-01 In my bibliographies there are no women in the evangelical tradition and no Australian women scholars This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition The authors consider our relationship with the land and Indigenous peoples neighborhood embodiment disability abortion leadership work architecture the media Song of Songs and domestic violence and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social identity reading of Exodus sensory readings of Psalms and John's Gospel and discipleship readings of Mary and Martha and the woman at the well A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume Valuable for students and teachers across Bible theology ministry and practice subjects this book is an essential inclusion in any theological library **Deuteronomy** Johanna W. H. van Wijk-Bos, 2025-11-15 Deuteronomy the final book of the Torah is ostensibly addressed to males but it does not mean it

lacks a concern for women In this commentary on Deuteronomy Johanna W H van Wijk Bos provides serious feminist engagement with the complete text paying specific attention to the effect it may have on women s perspectives and considers ways the text highlights female presence or absence In this commentary van Wijk Bos encourages readers to question not only the patriarchal practices reflected in Deuteronomy but also modern misogynist and androcentric assumptions that they may bring to the world of the text Divided into eleven sections Deuteronomy offers insight for our present time as well as an opportunity to hear new voices examine cultural and gender biased interpretations and draw other conclusions to open up new avenues of understanding God and ourselves

The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

Reading the Bible as a Feminist Jennifer L. Koosed, 2017-06-12 This work provides a brief introduction to feminist interpretation of scripture Feminist interpretation is first grounded in feminism as an intellectual and political movement Next this introduction briefly recounts the origins of feminist readings of the Bible with attention to both early readings and the beginnings of feminist biblical scholarship in the academy Feminist biblical scholarship is not a single methodology but rather an approach that can shape any reading method As a discipline it began with literary critical readings especially of the Hebrew Bible but soon also broached questions of

women's history especially in the New Testament and Christian origins Since these first forays feminist interpretation has influenced almost every type of biblical scholarship The third section of this essay then looks at gender archaeology feminist poststructuralism and postcolonial readings and newer approaches informed by gender and queer theory Finally it ends by examining feminist readings of Eve

Haggai and Malachi Stacy Davis, 2015-11-10 Reading Haggai and Malachi in conversation with feminist theory

retorical criticism and masculinity studies reveals two communities in different degrees of crisis The prophet Haggai successfully persuades a financially strapped people to rebuild the temple but the speaker in Malachi faces sustained resistance to his arguments in favor of maintaining the priestly hierarchy Both books describe conflicts among men based upon social class and those who claim to speak for God find their claims and with them God's presumably unquestionable authority as the ultimate male contested From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God's vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text **Micah** Julia Myers O'Brien, 2015 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God's vision of dignity equality and justice for all Book jacket

Eberhart, 2025-03-15 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave
