Harbingers of Hope William E. Hull, 2007-11 Words to inspire and live by from a preeminent theologian and educator

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

Sanders,2011-05-12 On the surface the galaxy seems peaceful Humankind prospers from the Capital World to the far reaches of the Corridor But to those who can see the signs it s clear something is wrong Long dark fingers are pulling strings inside the military making clandestine deals with enemy states to fulfill a dark design Calvin is an intelligence agent working for the Imperial government He s young his methods are unorthodox but he gets results So when a former military hero steals a warship and threatens to start a war Calvin is sent to eliminate him But as he chases his prey across the stars he realizes they are both pawns in a shadowy chess game that shakes kingdoms divides empires and threatens civilization everywhere And if he is to uncover the mystery and expose the conspiracy he must confront and embrace the darkest elements of the galaxy and throw himself and everyone he loves into the line of fire *The British Millennial Harbinger*
