halls she can dodge the paparazzi's lenses as well as her family's publicized dramas not to mention their private expectations. She has one more year to feed her true passions. Then she'll be expected to fulfill a much darker destiny. Cursed with inexplicable strength and godlike stature, literature professor Maximus Kane knows all about darkness. Every day he's reminded of the missteps of his childhood and the devastating consequences they've had on those dearest to him. To atone, Maximus spends his nights alone and his days submerged in the quiet life of academia. His existence has become a study in control and he's become a master at it until Kara Valari walks into his toughest course. Viscerally, Kara's everything he craves. Logically, she's everything he rejects. She's a starlet of privilege. She's also a student. And after one touch, he can't deny that she's awakened something in him that may never go dormant. Nothing about her makes sense, but everything about her feels right. Especially in the deepest strands of his DNA, which are still shadows of mystery to him, a mystery Kara seems determined to uncover. She's Hollywood royalty. She's forbidden fruit. And he's pretty sure she could be the answer to everything.

Bridge of Souls Meredith Wild, Angel Payne, 2022-12-13 They survived the dark. But can they trust the light? Kara Valari and Maximus Kane have been to hell and back fighting for their love and their lives. But the path back to normal isn't as easy as they hoped. A dormant secret in Kara's blood has been awakened, and she needs the help of a goddess to learn its full potential, but also its hidden dangers. Shielded from the world in the magical enclave of Iremia, the lovers reunite with all the fires of their first passion. But as they bond tighter to each other, Kara learns that the underworld has targeted her family in terrifying ways, and the safe world around them starts to splinter. Unenamored by Iremia's promises of enlightenment, Maximus unravels more of the mysteries and the powers that are lurking behind the scenes. But to find his and Kara's true allies, he is forced to seek out his enemies and rewrite his thinking on good and evil. Caught in a web of gods, demons, and magic, Maximus and Kara must build stronger bridges to each other, and as a wave of deeper truths heads their way, have faith that the ramparts of their love will hold.

Heart of Fire Meredith Wild, Angel Payne, 2020-12-22 He's forged from heaven. She's promised to hell. Professor Maximus Kane can no longer deny his passion for his stunning yet mysterious student Kara Valari. But surrendering to their desires carries more consequences than just violating the Alameda University conduct codes. Kara has defied her destiny. Higher directives have been violated. Now there's hell to pay. It's a crisis for which there seems no solution until the explosive secrets of Maximus's bloodline are exposed. Despite all his doubts and fears, Maximus has no choice but to accept help from his enigmatic father, which means coming to terms with his heritage and embracing a bizarre new world of gods and demons. Because somewhere in that world, in the strange and sordid secrets surrounding his past, is the key to protecting Kara's future. Nothing has ever meant more to him than saving the treasure of her life and the fire of her heart. While earth's lower realms seek payback for Kara's transgressions, Kara finds a new ally in a surprising place: the Valari matriarch herself. Beneath the scrutiny of the world press, Veronica orchestrates a plan to protect her daughter by doing what she does best: shining the spotlight on her. But by her side, Maximus can't escape the glare of the
