The Muslim Diaspora (Volume 2, 1500-1799) Everett Jenkins, Jr., 2015-05-07 This second volume details the continued spread of Muslim culture and peoples during the sixteenth seventeenth and eighteenth centuries a period that saw the height of the powerful Ottoman Safavid and Mughal empires followed by their precipitous decline The contributions of Muslims to the development of Western civilization continue to be highlighted in this chronology most notably the impact of the Ottoman Empire on Western art and literature and its role in creating an environment in which the Protestant Reformation could take root This volume reveals the interconnectedness of the Muslim Jewish African and European diasporas during this period

Women, Families, and Feminist Politics J Dianne Garner, Suzanne Cherrin, 2014-07-16 Women and their roles within families must be understood within the context of ethnic traditions religion and culture Women Families and Feminist Politics

A Global Exploration combines all of these aspects to evaluate the similarities and differences of women around the world. Readers will learn about diverse theories relating to women and their familial roles, the different categories of feminism, and how cultures and ethnic traditions shape and sometimes restrict a woman's identity. Using feminist and sociocultural theories to critically examine the role of adult women within their families, *Women, Families, and Feminist Politics* offers ideas and suggestions on what has to be done in order for all of women's experiences and concerns to be valued and looked upon as important. In addition to providing you with an understanding of how customs and cultures contribute to societal standards set for women, *Women, Families, and Feminist Politics* discusses several factors that contribute to the formation of women's roles and identity, including the economic situation of the family and the country in which the woman lives, a developed or developing country, cultural diversity in monogamous heterosexual marriage relations, and specific marriage traditions such as dowries, family structures such as nonnuclear extended polygamous mixed religion relationships, mixed race relationships, or same sex relationships, reproduction and sexual standards in relation to religion, government policies, and world population, gender equity in the workplace, and programs for women in global development, the health care needs of women, and how they vary depending on culture, political philosophies, and resources. Women and violence in societal and family contexts, from war rapes, female circumcision, and footbinding to battery and sexual harassment. *Women, Families, and Feminist Politics* looks at the daily challenges and concerns of adult women within the context of family to help you understand the different needs of women in relation to their culture and ethnic background. Focusing on the importance of views concerning the meaning of women's social status, power, and success, *Women, Families, and Feminist Politics* contains case studies and statistical data that identify critical issues pertaining to you personally and to all women throughout the world. By understanding how women's families help shape their identities, you will be able to learn about the vast experiences of women and the inequalities we have yet to overcome.

[The Eunuch in Byzantine History and Society](#) Shaun Tougher, 2009-06-02. The existence of eunuchs was one of the defining features of the Byzantine Empire. Covering the whole span of the history of the empire from the fourth to the fifteenth centuries AD, Shaun Tougher presents a comprehensive survey of the history and roles of eunuchs, making use of extensive comparative material such as from China, Persia, and the Ottoman Empire, as well as about castrato singers of the eighteenth century, of Enlightenment Europe, and self-castrating religious devotees such as the Galli of ancient Rome, early Christians, the Skoptsy of Russia, and the Hijras of India. The various roles played by eunuchs are examined. They are not just found as servile attendants; some were powerful political players such as Chrysaphius, who plotted to assassinate Attila the Hun, and others were prominent figures in Orthodoxy as bishops and monks. Furthermore, there is offered an analysis of how society thought about eunuchs, especially their gender identity: were they perceived as men, women, or a third sex? The broad survey of the political and social position of eunuchs in the Byzantine Empire is placed in the context of the history of the eunuch in general. An appendix listing key eunuchs of the Byzantine Empire, describing their careers, is included.

and the text is fully illustrated

Muscovy and the Mongols Donald Ostrowski, 2002-06-20 The importance of the Mongols impact on the Rus lands has been recognised by many scholars but its precise nature and extent is very contentious While diverse opinions exist on the origins and development of Muscovy the author argues that no society arises ex nihilo and that Muscovy is no exception In this 1998 book Donald Ostrowski considers the outside origins and influences as well as indigenous origins and development in order that the reader may gain a clearer understanding of Muscovy as a political entity its political institutions and political culture He shows that during the early period of Muscovy 1304 1448 the ecclesiastical and secular institutions were affected by two different outside influences Byzantium and the Qipchaq Khanate respectively In considering these outside influences he has set out to study Muscovy as an integral and important part of world history

Historical Dictionary of Women in the Middle East and North Africa Ghada Talhami, 2013 The overriding theme of this work is that women s struggles human rights myths and literary expression are indispensable to an understanding of the modern culture and socio political development of the Middle East region The work demonstrates that no aspect of Middle Eastern history and modern evolution was shaped in isolation of women s lives and contributions to society The dictionary covers the biographies and written work of prominent historical female figures in the Middle East and North Africa as well as 20th century feminists both male and female who advanced women s rights over many years The Historical Dictionary of Women in the Middle East and North Africa includes a chronology an introductory essay an extensive bibliography and a dictionary section that has over 400 cross referenced entries on various aspects of Middle Eastern feminism and culture touching upon religious themes such as Sharia laws Islamic marriage divorce and inheritance practices This book is an excellent access point for students researchers and anyone wanting to know more about the culture and history of women in the Middle East and North Africa

Distant Lands and Diverse Cultures Glenn J. Ames, Ronald S. Love, 2003-07-30 Utilizing contemporary accounts of India China Siam and the Levant this study provides rich detail about these exotic lands and explores the priorities that shaped and motivated these bold envoys and chroniclers Ames and Love offer a fascinating look at the symbiotic nature of cross cultural interaction between France and the major trading regions of the Indian Ocean basin during the 17th century During this period of intense French interest in the rich trade and cultures of the region Louis XIV and his minister Jean Baptiste Colbert in particular were concerned with encouraging French travelers both clerical and lay to explore and document these lands Among the accounts included here are those of Fran ois Bernier Jean Baptiste Tavernier and Fran ois Pyrard Because these accounts reflect as much about the structures and priorities of France as they do about the cultures they describe Ames and Love hope their analysis bridges the gap between studies on early modern France and those on the major Asiatic countries of the same period Their findings challenge the current thinking in the study of early modern France by demonstrating that overseas expansion to Asia was of considerable importance and interest to all segments of French society Specialists in traditional internal French history will find much in

this study of European expansion to complement and supplement their research

French Women Orientalist Artists, 1861-1956 Mary Kelly, 2021-07-26 This book is the first full length study dedicated to French women Orientalist artists Mary Kelly has gathered primary documentation relating to seventy two women artists whose works of art can be placed in the canon of French Orientalism between 1861 and 1956 Bringing these artists together for the first time and presenting close contextual analyses of works of art attention is given to artists cross cultural interactions with painted sculpted representations of the Maghreb particularly in Algeria Tunisia and Morocco Using an interdisciplinary open platform of discussion approach Kelly builds on established theory which places emphases on the gendered gaze This entails a discussion on women s painted perspectives of and contacts with Muslim women as well as various Maghrebi cultures and land all the while remaining mindful of the subject position of the French artist and the problematic issues which can arise when discussing European made ethnographic scenes Kelly argues that French women s perspectives of the Maghreb differed from the male gaze and were informed by their artistic training and social positions in Europe In so doing French women s socio cultural modernity is also examined Moreover executed between 1861 and 1956 the works of art presented show influences of Modernism therefore this book also pays close attention to progressive Realism and Naturalism in art and the Orientalist shift into Modernist subject matter and form Through this research into French women Orientalists Kelly engages with important discussions on the crossing view of the historical female other with the cultural other artistic hybridity and influence in art as well as the postcolonial response to French activities in colonial Algeria and the protectorates of Tunisia and Morocco On giving focus to women s art and the impact of cross cultural interchanges this book rethinks Orientalism in French art This book will be of particular interest to scholars in the history of art gender studies history and Middle Eastern and North African studies
