This quick start guide contains important instructions for the safe operation of the unit. Read and follow all safety notes and all instructions. Keep the quick start guide for future reference. If you pass the device to another person, please pass this quick start guide with it.

Safety instructions

Intended use

This device is used for the tuning of musical instruments. Any other use or use under other operating conditions is considered to be improper and may result in personal injury or property damage. No liability will be assumed for damages resulting from improper use.

Danger for children

Ensure that plastic bags, packaging, etc., are properly disposed of and are not in the reach of babies and young children. Choking hazard! Ensure that children do not detach any small parts (e.g. knobs or the like) from the product. They could swallow small parts and choke!

Incorrect handling of lithium batteries can result in injury

- In the event of a short circuit, overheating or mechanical damage, lithium batteries can cause severe injuries.
- Store devices with lithium batteries in a cool, dry place, away from heat sources, ideally in the original packaging.
- Lithium batteries are hermetically sealed. Never attempt to open lithium batteries.
- Only use powder extinguishers or other suitable extinguishing agents to extinguish a burning device containing lithium batteries.

Risk of fire due to incorrect polarity

Incorrectly inserted batteries may destroy the device or the batteries. Ensure that proper polarity is observed when inserting batteries.

Possible damage by leaking batteries

Leaking batteries can cause permanent damage to the device. Take batteries out of the device if it is not going to be used for a longer time period.

Where to use the product

Never use the product

- in direct sunlight
- in conditions of extreme temperature or humidity
- in extremely dusty or dirty places
- at locations where the unit may become wet
- near magnetic fields

General handling

- To prevent damage, do not exert force on the device while operating the controls.
- Do not immerse the unit in water. Wipe only with a clean and dry cloth. Do not use liquid cleaners such as benzene, thinners or flammable cleaning agents.

Keep foreign substances from the unit!

Keep the device away from liquids. Should liquid fall into the unit, this could lead to its destruction or fire. Be aware that no metallic parts come inside the device.
