Wodehouse, 1999 When Jeeves came in with the shaker I dived at it like a seal going after a slice of fish and drained a quick one scarcely pausing to say Skin off your nose The effect was magical Wooster the timid fawn became in flash Wooster the man of iron will ready for anything But Bertie Wooster is under attack Jeeves disapproves of his new moustache and Stilton Cheesewright is threatening to tear him limb from limb Will Jeeves display the feudal spirit as crisis dawns **Jeeves and the Feudal Spirit** Pelham G. Twentieth-Century Fiction William Vesterman,2014-07-17 How have twentieth century writers used techniques in fiction to communicate the human experience of time Dramatizing Time in Twentieth Century Fiction explores this question by analyzing major narratives of the last century that demonstrate how time becomes variously manifested to reflect and illuminate its operation in our lives Offering close readings of both modernist and non modernist writers such as Wodehouse Stein Lewis Joyce Hemingway Faulkner Borges and Nabokov the author shares and unifies the belief as set forth by the distinguished philosopher Paul Ricoeur that narratives rather than philosophy best help us understand time They create and communicate its meanings through dramatizations in language and the reconfiguration of temporal experience This book explores the various responses of artistic imaginations to the mysteries of time and the needs of temporal organization in modern fiction It is therefore an important reference for anyone with an interest in twentieth century literature and the philosophy of time **Off Shore** Birgit Braasch,Claudia Müller,2020 The book highlights facets of people s experiences since the 19th century with Atlantic space and the design of their stay on board ships The contributions range from the perspective of pleasure seeking tourists who used ships as a temporary luxurious homes to the perspective of military personnel who perceived the Atlantic Passage as a transition between homeland security and potentially dangerous professional operations the risks of sea voyages even on technically sophisticated ocean liners whose interiors and services

often include grand hotels in the metropolises of the late 19th and 20th century were discreetly ignored by the passengers The charm of the Atlantic and the ship unthinkable in earlier times should not be decimated in any way Words on Cassette, 2002 R R Bowker Publishing, 2002 **Sherlock Holmes Is Like: Sixty Comparisons for an Incomparable Character** Christopher Redmond, 2019-01-07 What do Superman Gertrude Stein the Beatles Lord Shiva the Wizard of Oz and Hermione Granger have in common They share essential characteristics with iconic detective Sherlock Holmes explored in **Sherlock Holmes is Like Sixty Comparisons for an Incomparable Character** In his introduction editor Christopher Redmond says The essays in this collection are not an analysis of what Sherlock Holmes is like brilliant unsociable hawk nosed but rather case studies of whom he can be said to be like Their sixty suggestions range across centuries and continents and include figures from belief and legend as well as from contemporary fiction and film Some are household names while others will be unknown to nearly all readers In each case while the author has been encouraged to provide an introduction to the character in question the ultimate purpose of the comparison is to shed light on some aspect of the character of Sherlock Holmes whose complexities are far from exhausted more than 130 years after he was introduced to a curious readership
