Jeff Koons Massimiliano Gioni, 2021 Edited by curator Massimiliano Gioni this book focuses in particular on Koons' art as seen in relation to contemporary American culture With his aesthetics of plenitude and his pop up dreams of social mobility and acceptance throughout his career Koons has composed a fantasy America custom made from art and schmaltz and emotions to use Warhol's description of his own interpretation of American culture Through the inclusion of source materials personal recollections and biographical narratives the book reads each of Koons' celebrated series through the prism of his biography and the ways in which his individual history intersects with that of his country and culture Ranging from his upbringing in rural Pennsylvania to his fascination for popular culture and vernacular art the publication composes an unconventional view of Jeff Koons and his work retracing the personal influences and cultural histories that have shaped Koons' unique formal vocabulary Published to accompany the major exhibition in Doha in March 2021 the catalogue features an interview with Jeff Koons by the curator and essays by the well known art critic Dodie Kazanjian and the Qatari American writer and artist Sophia Al Maria

Many Voices of Lydia Davis Jonathan Evans, 2016-08-16 The first in depth analysis of Lydia Davis's translations and writing The Many Voices of Lydia Davis shows how translation rewriting and intertextuality are central to the

work of Lydia Davis a major American writer translator and essayist Winner of the Man Booker International Prize 2013 Davis writes innovative short stories that question the boundaries of the genre She is also an important translator of French writers such as Maurice Blanchot Michel Leiris Marcel Proust and Gustave Flaubert Translation and writing go hand in hand in Daviss work Through a series of readings this study investigates how Daviss translations and stories relate to each other finding that they are inextricably interlinked It explores how Davis uses translation either as a compositional tool or a plot device and other instances of rewriting in her stories demonstrating that translation is central for understanding her prose Understanding how Daviss work complicates divisions between translating and other forms of writing highlights the role of translation in literary production

Key FeaturesThe first monograph on this key contemporary writer that analyses texts from throughout her careerA series of analyses of Daviss major translations and how her work interacts with themA rethinking of the role of translation in literary production and the boundaries between translating and writing

The Market Natasha Degen,2013 Drawing on a wide range of interdisciplinary sources in dialogue with artists writings this anthology traces the historic origins of these debates in different versions of modernism and surveys the relationship between art value and price the evolution and influence of patronage the actors and institutions of the art market and the diversity of artistic practices that either criticise or embrace the condition of the contemporary market

The Politics of Spatial Transgressions in the Arts Gregory Blair,Noa Bronstein,2020-12-05 This book is an anthology of the varied strategies of spatial transgressions and how they have been implemented through the arts as a means to resist rejuvenate reclaim critique or cohabitate The book is divided into two sections Displacements and Disruptions The first section discusses the ramifications of the spatial displacements of bodies organizations groups of people and ethnicities and explores how artists theorists and arts organizations have an attentive history of revealing and reacting to the displacement of peoples and how their presence or absence radically reconfigures the value identity and uses of place In the second section each author considers how aesthetic strategies have been utilized to disrupt expected spatial experiences and logic Many of these strategies form radical alternative methodologies that include transgressions geographies of resistance and psychogeographies These spatial performances of disruption set into motion a critical exchange between the subject space and materiality in which ideology and experience are both produced spatialized and deconstructed destabilized

A Regulatory Framework for the Art Market? Anna Bolz,2022-11-24 This book addresses practical issues in connoisseurship and authentication as well as the legal implications that arise when an artwork s authenticity is challenged In addition the standards and processes of authentication are critically examined and the legal complications which can inhibit the expression of expert opinions are discussed The notion of authenticity has always commanded the attention of art market participants and the general art minded public alike Coinciding with this forgery is often considered to be the world s most glamorous crime packed with detective stories that are usually astonishing and often bizarre The research includes findings by economists sociologists art

historians lawyers academics and practitioners all of which yield insights into the mechanics and peculiarities of the art business and explain why it works so differently from other markets However this book will be of interest not only to academics but to everyone interested in questions of authenticity forgery and connoisseurship At the same time one of its main aims is to advocate best practices in the art market and to stress the importance of cooperation among all disciplines with a stake in it The results are intended to offer guidance to art market stakeholders legal practitioners and art historians alike while also promoting mutual understanding and cooperation

Is It Ours? Martha Buskirk, 2021-04-13 If you have tattoos who owns the rights to the imagery inked on your body What about the photos you just shared on Instagram And what if you are an artist responding to the surrounding landscape of preexisting cultural forms Most people go about their days without thinking much about intellectual property but it shapes all aspects of contemporary life It is a constantly moving target articulated through a web of laws that are different from country to country sometimes contradictory often contested Some protections are necessary not only to benefit creators and inventors but also to support activities that contribute to the culture at large yet overly broad ownership rights stifle innovation Is It Ours takes a fresh look at issues of artistic expression and creative protection as they relate to contemporary law Exploring intellectual property particularly copyrights Martha Buskirk draws connections between current challenges and early debates about how something intangible could be defined as property She examines bonds between artist and artwork including the ways that artists or their heirs retain control over time The text engages with fundamental questions about the interplay between authorship and ownership and the degree to which all expressions and inventions develop in response to innovations by others Most importantly this book argues for the necessity of sustaining a vital cultural commons

John Waters Kristen Hileman, 2018-10-16 It has been more than fifty years since John Waters filmed his first short on the roof of his parents Baltimore home Over the following decades Waters has developed a reputation as an uncompromising cultural force not only in cinema but also in visual art writing and performance This major retrospective examines the artist's influential career through more than 160 photographs sculptures soundworks and videos he has made since the early 1990s These works deploy Waters's renegade humor to reveal the ways that mass media and celebrity embody cultural attitudes moral codes and shared tragedy Waters has broadened our understanding of American individualism particularly as it relates to queer identity racial equality and freedom of expression In bringing bad taste to the walls of galleries and museums he tugs at the curtain of exclusivity that can divide art from human experience Waters freely manipulates an image bank of less than sacred low brow references Elizabeth Taylor's hairstyles his own self portraits and pictures of individuals brought into the limelight through his films including his counterculture muse Divine to entice viewers to engage with his astute and provocative observations about society This richly illustrated book explores themes including the artist's childhood and identity Pop culture and the movie business Waters's satirical take on the contemporary art world and the transgressive power of images The catalogue features essays
