Jeremiah & Lamentations (tyndale Old Testament Commentaries). WISEMAN D. J. ed,1973      **Jeremiah and Lamentations** Roland Kenneth Harrison,1973      *Jeremiah and Lamentations* Hetty Lalleman,2013-02-01 Lifting out the understated themes of love grace promise and renewal in Jeremiah and Lamentations this commentary by Hetty Lalleman opens our eyes to an important chapter in salvation history      *Jeremiah and Lamentations* ,1868\*      *Jeremiah and Lamentations* R. K. Harrison,2009-06-01      **Jeremiah and Lamentations: an Intr. and Commentary** ,1973      **1 and 2 Kings** Donald J. Wiseman,1993 The book of Kings is a unique source for understanding the history of Israel from the last days of the united kingdom under David to the eventual fall of the kingdoms of Israel and Judah Presenting Israel s national history from a divine viewpoint these narratives measure the kings of Israel and Judah not by the mark they leave on secular history but by their doing what is right in the Lord s sight Embedded in this story are enduring lessons of the ways of God with his people in every age In this commentary Donald Wiseman brings to this portion of Scripture his life long study of the archeology history languages and documents of the ancient Near East No other commentary on Kings offers as much historical background and well considered judgement in such concise and accessible form      Jeremiah and Lamentations R. K. Harrison,2009-10-19 With the ancient Near East in a state of ferment and the nation of Judah experiencing a succession of political crises God stationed a man on the scene to speak the divine word Jeremiah was called by God to the unhappy task of telling an unheeding nation it was going to be judged and destroyed Often he seemed to despair yet he continued to utter God s truth fearlessly leaving as part of his spiritual legacy a demonstration of a man s ability to make religious life an essentially personal relationship with God The structural analysis of this commentary along with the historical and cultural background it provides opens up to modern readers one of the Old Testament s most fascinating books The original unrevised text of this volume has been completely retypeset and printed in a larger more attractive format with the new cover design for the series      *TOTC Jeremiah & Lamentations (New Edition)* Hetty Lalleman,2015-01-16 Despite the themes of doom and destruction the primary message of Jeremiah is one of the love and grace of a God who never gives up on those he has called to be his own The prophet s life is characterized by suffering but he points to a new beginning a new covenant and a new hope eventually made possible through the unique Suffering Servant Lamentations powerfully expresses personal and national suffering Yet even in these utterances of desperate grief there are glimpses of hope Hetty Lalleman opens up these fascinating books for today s readers      **TOTC Jeremiah & Lamentations** R Harrison,2015-01-01 These commentaries are designed to help the reader of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation Additional Notes provide fuller discussion of particular difficulties The goal

throughout is to explain the true meaning of the Bible and make its message plain      The Preacher's Commentary, Complete 35-Volume Set: Genesis – Revelation Leslie C.
