Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies:

Jérôme Bonaparte Glenn Lamar, 2000-03-30 Napoleon's youngest brother Jérôme has over the centuries been portrayed as a military commander who was completely incompetent and unimportant to his famous sibling. This first biography of Jérôme by an American author utilizes many firsthand accounts of Jérôme's abilities that have never before been available to readers in English as well as archival material that has never been published in any language to challenge this view. Focussing on the lesser known theaters of operation from 1800 to the Russian campaign in 1812, this study completes the gaps in the military history of the Napoleonic Wars. As Lamar demonstrates, Jérôme was not responsible for the failure of Napoleon's early maneuvers during the invasion of Russia, nor did he lose the Battle of Waterloo in 1815. Jérôme's relationship with Napoleon was affected by his position as the youngest member of the Bonaparte family. Much of Emperor Napoleon I's true nature can be seen through his dealings with Jérôme and his naval career. After discussing Jérôme's experiences as the only Bonaparte to serve in the navy, Lamar details Jérôme's involvement in land campaigns in such varied places as Silesia, Russia, and Waterloo. Another important aspect of Jérôme's career was his leadership role as King of Westphalia. This objective account sheds new light on the life and accomplishments of one of the most maligned figures of the Napoleonic era.

Ordered to Die Edward J. Erickson, 2000-11-30 The first general history in English of the Ottoman Army in the First World War. *Ordered to Die* is based on newly available Turkish archival and official sources. Outnumbered and outgunned, the Ottoman Army performed astonishingly well in the field and managed to keep fighting until the end of the war, long after many other armies had quit the field. It fought a multi-front war against sophisticated and capable enemies including Great Britain, France, and Russia. Erickson challenges conventional thinking about Ottoman war aims, Ottoman military effectiveness, and the influence of German assistance. Written at the strategic and operational levels, this study frames the Turkish military contributions in a unitary manner by establishing linkages between campaigns and theaters. It also contains the first detailed discussion of Ottoman operations in Galicia, Romania, and Macedonia. Erickson provides a wealth of information on Ottoman Army organization, deployments, strategy, and staff procedures. He examines with particular attention the army's role in the Armenian deportations and the intelligence available to the Turks in 1914 and 1915. Appendixes include biographies of important commanders, the efforts of the Ottoman Air Force, Ottoman casualties, as well as a wartime chronology. *The Formative Influences, Theories, and Campaigns of the Archduke Carl of Austria* Lee W. Eysturlid, 2000-08-30 Archduke Carl of Austria lived during a time fractured by the collision of revolution and reaction, and he drew upon the French Revolution as the source for most of his experiences as a field commander and theoretician. He firmly believed that there were certain uncontradictable truths that governed warfare. This first English language study of his theoretical writings offers a new perspective on understanding the mind of this military theorist through study of his intellectual background. The archduke's military career lasted from 1792 to 1809, and his serious work as a military theoretician and historian ranged from the 1790s

to the 1830s Eysturlið explores Archduke Carl's formative military education and experiences by examining the readings that formed the basis of his education and the instructors that exercised an influence over him Archduke Carl was a definite product of his Enlightenment education and a diehard proponent of limited warfare Chapters look carefully at Carl's major works on military strategy and tactics and observe in detail his actions and efforts during the 1796 and 1809 campaigns Two historiographical chapters provide valuable contextual material about this poorly understood historical figure

Doctrine Under Trial Mark E. Grotelueschen, 2000-11-30 Artillery proved to be the greatest killer on the Western front in World War I and the use and misuse of artillery was certainly a determining factor in the war's outcome While many books explore the artillery forces and employment of the European powers this is the first study to examine artillery employment in the American Expeditionary Force Grotelueschen follows one AEF division through its entire World War I experience from preliminary training to each of its battles in France This approach allows for great investigative depth and an opportunity to explore the implementation of doctrinal changes throughout the war While accounts of the AEF written in the immediate aftermath of the war praised it as a great fighting machine most scholars have concluded that the AEF was a flawed combat force This study demonstrates that despite significant flaws and weaknesses especially in artillery doctrine and employment at least some AEF divisions did attain effective fighting ability American divisions were most successful when carrying out limited set piece attacks efforts that ran counter to approved US Army and AEF doctrine at the time Historians will find this unique approach to the study of division level strengths and weaknesses to be useful in making more accurate and complete comparisons among the great armies of the Western Front

Native vs. Settler Thomas G. Mitchell, 2000-08-30 Settler native conflicts in Northern Ireland Israel Palestine and South Africa serve as excellent comparative cases as three areas linked to Britain where insurgencies occurred during roughly the same period Important factors considered are settler parties settler mythology the role of native fighters settler terror the role of liberal parties and the conduct of the war by security forces Settlers and natives in each area share similar attitudes liberal parties operate in similar fashions and there are common explanations for the formation of splinter liberation groups However according to Mitchell the key difference between the cases lies in the behavior of British security forces in comparison to South African and Israeli forces Mitchell's chapter on liberal parties includes an independent account of the Progressive Federal Party of South Africa the official parliamentary opposition from 1977 to 1987 along with the first major published account of the Alliance Party in Northern Ireland His study of splinter group formation contains the first major account since 1964 of the Pan Africanist Party of Azania including its insurgency campaign in the 1980s and 1990s Mitchell also contrasts behavior among the Inkatha Party and Labour Party in South Africa with the Social Democrat and Labour Party in Northern Ireland

Great Captains of Antiquity Richard A. Gabriel, 2000-11-30 Gabriel expands upon the groundbreaking work of B H Liddell Hart's Great Captains by offering detailed portraits of six great captains of the ancient world who met the challenges of their age and shaped the

future of their societies and civilization itself through their actions He analyzes the lives of Thutmose III of Egypt Sargon II of Assyria Philip II of Macedon Hannibal of Carthage Scipio Africanus of Republican Rome and Caesar Augustus of Imperial Rome for the lessons contemporary leaders particularly military leaders can learn While all were great military men with the exception of Caesar Augustus they were also great political leaders who in this capacity more often than through their feats of arms shaped their societies All were educated men and all possessed the quality of imaginative reasoning A provocative analysis for scholars students and general readers of military history and the ancient world Military personnel will find the parallels to current military organization and thinking particularly valuable *Creating an American Lake* Hal M.

Friedman,2000-11-30 Many historians of U S foreign relations think of the post World War II period as a time when the United States as an anti colonial power advocated collective security through the United Nations and denounced territorial aggrandizement Yet between 1945 and 1947 the United States violated its wartime rhetoric and instead sought an imperial solution to its postwar security problems in East Asia by acquiring unilateral control of the western Pacific Islands and dominating influence throughout the entire Pacific Basin This detailed study examines American foreign policy from the beginning of the Truman Administration to the implementation of Containment in the summer and fall of 1947 As a case study of the Truman Administration s Early Cold War efforts it explores pre Containment policy in light of U S security concerns vis a vis the Pearl Harbor Syndrome The American pursuit of a secure Pacific Basin was inconsistent at the time with its foreign policy toward other areas of the world Thus the consolidation of power in this region was an exception to the avowed goal of a multilateral response to the policies of the Soviet Union This example of national or strategic security went much further than simple military control it included the cultural assimilation of the indigenous population and the unilateral exclusion of all other powers Analyzing traditional archival records in a new light Friedman also investigates the persisting American notions of a Westward moving frontier that stretches beyond North American territorial bounds *Rolling the*

Iron Dice Scot Macdonald,2000-07-30 Does history provide lessons for foreign policy makers today Macdonald combines cognitive psychology theories about analogical reasoning international relations theories about military intervention and original archival research to analyze the role of historical information in foreign policy decision making He looks at the role of historical analogies in Anglo American decision making during foreign policy crises involving the possible use of force in regional contingencies during a crucial period in the 1950s when the West faced an emerging Soviet threat This study analyzes the influence of situational and individual variables in a comparison of more than ten leaders from two nations facing four different crises *Rolling the Iron Dice* describes the often significant effect of historical analogies on perceptions of the adversary and of allies time constraints policy options and risks as well as the justification of policy in four crises the 1950 Korean invasion the 1951-53 Iranian oil nationalization incident the 1956 Suez crisis and the 1958 crisis in Lebanon and Jordan Contrary to both the slippery slope and the escalation models of military intervention Macdonald argues that leaders

decide extremely early in a crisis often on the basis of an historical analogy but also based on perceptions of the rationality of an adversary whether to use military force Their decision does not change unless the adversary capitulates to every demand

To Acknowledge a War Paul M. Edwards, 2000-06-30 Historians often refer to the Korean War as the forgotten war but Edwards argues that in many respects it is a conflict that has been deliberately ignored for the past fifty years This broad look at the war examines how Americans have attempted to remember and commemorate the confrontation which played such a major role in America's Cold War experience As a United Nations effort or Police Action the hazy identification of the war has in part contributed to a lack of public understanding of what happened in Korea This book considers the American response to the loss in Korea and how this response played out as a failure to remember After discussing the phenomenon of historical absence the essays turn to the still considerable disagreement about who started the war and why They provide the latest information concerning the relationship between Chairman Mao Premier Kim Il Sung and Chairman Joseph Stalin at the outbreak of the conflict Edwards identifies lesser known figures and comments on operations that are not generally known or discussed He discusses the impact that revisionist historians have had on our views of the war and why it produced a cease fire rather than a peace treaty The study also places this still unresolved conflict in the context of multi national forces and peacekeeping actions as we understand them today Battling for Bombers Frank P. Donnini, 2000-06-30

Although the United States Air Force was founded upon strategic bombardment theory and advocacy the service has traditionally had tremendous difficulty in obtaining the adequate funding for bombers that it requires to fulfill its mandate For more than 45 years senior Air Force leaders both military and civilian have struggled to convince decision makers in the White House and in Congress that modern manned bomber forces were needed acceptable and affordable In this study Donnini produces one of the most exhaustive analyses ever undertaken of Congressional subcommittee decision making in the funding of defense procurement initiatives He concludes that no program achieved measurable success of deployment with the original force structure requested and only two the B 1B and B 2A received approval to acquire lesser numbers of aircraft for operational use Donnini found that an important part of each new bomber program appeared to be funding support through federal appropriations If the right amounts were appropriated the programs survived if lesser amounts were given chances for program failure were good however was funding support the deciding factor This book used multiple case studies and the unorthodox methodology of applied content analysis of Congressional budget hearings to examine Air Force efforts to fund the most recent main bombers it sought the B 70 B 1A B 1B and B 2A and to determine measurements of success The author's findings have implications concerning the way the United States handles procurement initiatives for major new weapon systems considered fundamental necessities for national defense From Ice-Breaker to Missile Boat Moshe Tzalel, 2000-06-30 As a small nation in a hostile region Israel has made defense a top priority Tzalel takes a critical look at the naval branch of Israel's defense forces to consider its history its performance and its overall importance to

maintaining national security From a motley collection of illegal immigrant ships operated prior to the birth of the state the Israelis have since the 1960s established a modern navy However Tzalel argues the modernization and expansion of the Israeli navy has been driven more by an excess of funds and the lack of clearly defined priorities than by any real necessity Like most small countries Israel has no need to command the sea during peace or in wartime The author examines each step of naval development by direct correlation to the perceived need for each new phase and the circumstances that led naval and military leaders to make specific choices and he discusses the benefits of these choices on the field of battle He hopes to map the complex relationship between the navy men the Israeli government and public sentiment Although the nation has managed to create a new and impressive class of warship the Sa ar FAC M and its larger derivatives Tzalel contends that the military logic behind such naval construction was faulty and that the nation s submarine flotilla constitutes a sheer waste of monetary and human resources

Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic.

While downloading Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies Books

1. Where can I buy Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Jerome Bonaparte The War Years 1800 1815 Contributions In Military Studies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
