America's Most Haunted Hotels Jamie Davis Whitmer, 2016-10-08 Phantom footsteps pace the stairs at the Myrtles Plantation A seductive spirit tugs on the sheets at the Copper Queen Ghost children whisper and giggle at the Kehoe House Journey into the mysterious world of haunted hotels where uninvited guests roam the halls supernatural sounds ring throughout the rooms and chills run along the spines of those who dare to check in for the night Join Jamie Davis Whitmer author of Haunted Asylums Prisons and Sanatoriums as she explores some of the most haunted hotels across the United States From the Jerome Grand Hotel in Arizona to the Palmer House in Minnesota each hotel is discussed in great detail covering everything from the building's history and legends to first hand accounts of spooky sounds and smells ghost sightings EVP sessions and more You'll also find photos travel information and everything else you need to plan your own visit to these iconic hotels **American Photo**, 2007-07

A People's Art History of the United States Nicolas Lampert, 2013-11-05 Most people outside of the art world view art as something that is foreign to their experiences and everyday lives A People's Art History of the United States places art history squarely in the rough and tumble of politics social struggles and the fight for justice from the colonial era through the present day Author and radical artist Nicolas Lampert combines historical sweep with detailed examinations of individual artists and works in a politically charged narrative that spans the conquest of the Americas the American Revolution slavery and abolition western expansion the suffragette movement and feminism civil rights movements environmental movements LGBT movements antiglobalization movements contemporary antiwar movements and beyond A People's Art History of the United States introduces us to key works of American radical art alongside dramatic retellings of the histories that inspired them Stylishly illustrated with over two hundred images this book is nothing less than an alternative education for anyone interested in the powerful role that art plays in our society **20 Fun Facts About Native American Women** Caitie McAneney, 2015-07-15 Many people know that some Native American tribes are matrilineal That means that historically women had power in governance and some control in her home life For the European patriarchs that came to North America that was quite a shock Through short surprising and often amusing facts readers learn the role of Native American women in their tribes Including tribes from across North America the main content emphasizes their daily lives clothing and marriage customs and introduces important female figures in history A colorful layout and full color photographs showcase the power of the Native American woman a power that still resonates today [Les Cleveland](#) Les Cleveland, Lawrence McDonald, Lara Strongman, 1998 Les Cleveland is one of New Zealand's finest photographers This book surveys six decades of Cleveland's work with 60 stunning images printed in large format duotone His work from the 1950s and 60s documents a way of life in Westland that has now largely disappeared as well as distinctive and culturally important buildings in Wellington From book flap **Cannibal Encounters**

Philip P. Boucher, 2009-04-27 Philip Boucher analyzes the images and the realities of European relations with the people

known as Island Caribs during the first three centuries after Columbus Based on literary sources travelers observations and missionary accounts as well as on French and English colonial archives and administrative correspondence Cannibal Encounters offers a vivid portrait of a troubled chapter in the history of European Amerindian relations Robert A Myers Alfred University America, History and Life ,2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Recording Culture** Christopher A. Scales,2012-11-12 Drawing on his ethnographic research at powwow grounds and in recording studios Christopher A Scales examines the ways that powwow drum groups have utilized recording technology in the late twentieth and early twenty first centuries the unique aesthetic principles of recorded powwow music and the relationships between drum groups and the Native music labels and recording studios The American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1997 After more than fifteen years this initial volume of the American Film Institute Catalog series is again in print The 1920s set covers the important filmmaking period when movies became talkies and the careers of many influential directors and actors were launched Films such as Wings The Phantom of the Opera All Quiet on the Western Front and The Jazz Singer are included in this volume Desert Visions and the Making of Phoenix, 1860-2009 Philip VanderMeer,2010-12-16 Whether touted for its burgeoning economy affordable housing and pleasant living style or criticized for being less like a city than a sprawling suburb Phoenix by all environmental logic should not exist Yet despite its extremely hot and dry climate and its remoteness Phoenix has grown into a massive metropolitan area This exhaustive study examines the history of how Phoenix came into being and how it has sustained itself from its origins in the 1860s to its present status as the nation s fifth largest city From the beginning Phoenix sought to grow and although growth has remained central to the city s history its importance meaning and value have changed substantially over the years The initial vision of Phoenix as an American Eden gave way to the Cold War Era vision of a High Tech Suburbia which in turn gave way to rising concerns in the late twentieth century about the environmental social and political costs of growth To understand how such unusual growth occurred in such an improbable location Philip VanderMeer explores five major themes the natural environment urban infrastructure economic development social and cultural values and public leadership Through investigating Phoenix s struggle to become a major American metropolis his study also offers a unique view of what it means to be a desert city **Sloan Canyon National Conservation Area, Resource Management Plan** ,2005 **A Companion to Latin American Legal History** ,2023-12-04 This comprehensive volume offers fresh insights on Latin American and Caribbean law before European contact during the colonial and early republican eras and up to the present It considers the history of legal education the legal profession Indigenous legal history and the legal history concerning Africans and African Americans other enslaved peoples women immigrants peasants and workers This book also examines the various legal frameworks concerning land and other property commerce and business labor crime marriage

family and domestic conflicts the church the welfare state constitutional law and rights and legal pluralism It serves as a current introduction for those new to the field and provides in depth interpretations discussions and bibliographies for those already familiar with the region s legal history Contributors are Diego Acosta Alejandro Ag ero Sarah C Chambers Robert J Cottrol Oscar Cruz Barney Mariana Dias Paes Tamar Herzog Marta Lorente Sari ena M C Mirow Jerome G Offner Brian Owensby Juan Manuel Palacio Agust n Parise Rogelio P rez Perdomo Heikki Pihlajam ki Susan Elizabeth Ram rez Timo H Schaefer William Su rez Potts Victor M Uribe Uran Cristi n Villalonga Alex Wisnoski and Eduardo Zimmermann "Women, Workers, and Race in LIFE Magazine " Dolores Flamiano,2017-07-05 The tension between social reform photography and photojournalism is examined through this study of the life and work of German gr ansel Mieth 1909 1998 who made an unlikely journey from migrant farm worker to Life photographer She was the second woman in that role after Margaret Bourke White Unlike her colleagues Mieth was a working class reformer with a deep disdain for Life s conservatism and commercialism In fact her work often subverted Life s typical representations of women workers and minorities Some of her most compelling photo essays used skillful visual storytelling to offer fresh views on controversial topics birth control vivisection labor unions and Japanese American internment during the Second World War Her dual role as reformer and photojournalist made her a desirable commodity at Life in the late 1930s and early 40s but this role became untenable in Cold War America when her career was cut short Today Mieth s life and photographs stand as compelling reminders of the vital yet overlooked role of immigrant women in twentieth century photojournalism Women Workers and Race in LIFE Magazine draws upon a rich array of primary sources including Mieth s unpublished memoir oral histories and labor archives The book seeks to unravel and understand the multi layered often contested stories of the photographer s life and work It will be of interest to scholars of photography history women s studies visual culture and media history **Indian Cities** Kent Blansett,Cathleen D. Cahill,Andrew Needham,2022-02-17 From ancient metropolises like Pueblo Bonito and Tenochtitl n to the twenty first century Oceti Sakowin encampment of NoDAPL water protectors Native people have built and lived in cities a fact little noted in either urban or Indigenous histories By foregrounding Indigenous peoples as city makers and city dwellers as agents and subjects of urbanization the essays in this volume simultaneously highlight the impact of Indigenous people on urban places and the effects of urbanism on Indigenous people and politics The authors Native and non Native anthropologists and geographers as well as historians use the term Indian cities to represent collective urban spaces established and regulated by a range of institutions organizations churches and businesses These urban institutions have strengthened tribal and intertribal identities creating new forms of shared experience and giving rise to new practices of Indigeneity Some of the essays in this volume explore Native participation in everyday economic activities whether in the commerce of colonial Charleston or in the early development of New Orleans Others show how Native Americans became entwined in the symbolism associated with Niagara Falls and Washington D C with dramatically different consequences for

Native and non Native perspectives Still others describe the roles local Indigenous community groups have played in building urban Native American communities from Dallas to Winnipeg All the contributions to this volume show how from colonial times to the present day Indigenous people have shaped and been shaped by urban spaces Collectively they demonstrate that urban history and Indigenous history are incomplete without each other American Paint Journal ,1959 Bertolt Brecht in America James K.
