## Jerusalem And Parousia:

**Jerusalem and Parousia** Jeffrey A. Gibbs, 2000 In this study of Matthew 24 1 26 1 Gibbs presents a narrative reading of Jesus eschatological discourse Matthew 24-25 as Prophetic-Apocalyptic Kennedy K. Ekeocha, 2024-01-10 Despite centuries of scholarly and popular engagement much confusion still hangs over Jesus Olivet Discourse There is no consensus on the nature and meaning of the disciples question in Matt 24 3 How is the temple s fate related to the parousia or second coming of Jesus Is the Great Tribulation past present or future Will Christians be raptured to heaven Should you rather prefer to be left behind Combining inductive and discourse grammar approaches as bases for literary structure and analysis this study is a holistic and compelling fresh interpretation of Jesus eschatological discourse that provides answers to these questions The author shows that extant interpretive frameworks fail to adequately account for the biblical data Moreover and unlike the available treatments the study sheds light on the discourse s structural and theological function within Matthew s Gospel as a whole and how it coheres with New Testament teaching in general *The Eschatology of the Christian Era: (Jerusalem, AD 70 & the Parousia)* L. D. Swift, 2021-08-09 The eschatology of the Christian era has been grossly misconstrued in modern books and movies It is outlined by the Lord in his Olivet Discourse In Part I Mt 24 1 35 Jesus describes the tribulation period and the fall of Jerusalem in AD 70 in significant detail In Part II Mt 24 36 25 30 he describes an undefined period like the days of Noah preceding his coming Gr Parousia at the end time to judge the world Part III Mt 25 31 46 describes the final judgment Beyond what is revealed in the Olivet Discourse the New Testament provides few details of the Christian era beyond the fall of the Roman Empire The Apocalypse is a trope of the Christian era from c AD 66 or 67 through the fall of Jerusalem in AD 70 ch 18 and the fall of Rome and its false religion ch 19 Beyond these two events the Revelation mentions briefly only the millennial reign of Christ the loosing of Satan at the end time and the final judgment in chapter 20 In chapters 21 and 22 John sees a vision of man s eternal home with God After earning a B S degree in electrical engineering from New Mexico State University L D Swift worked for Motorola Government Division in Scottsdale Az designing microwave circuits and antennas He then attended the Bear Valley School of Biblical Studies to prepare for the ministry This led him to full time and part time ministerial work in Missouri and Texas for many years During those years he worked for an engineering firm in Abilene TX that designed power plants electrical substations power lines gas and oil refineries and waste water treatment plants He later completed a M S degree and Ph D at the University of Texas at Arlington UTA after which he taught physics at UTA electrical engineering at Lamar University and New Mexico State University and physics at the New Mexico Military Institute in Roswell NM During this time L D continued to serve in the ministry teaching and preaching whenever possible L D counts himself truly blessed to have influenced the lives of many students and to have served the Lord in ministry Now retired he continues to study God s Word devoting his time to writing and teaching home Bible studies He has been married for 53 years to a beautiful lady Dana L Swift and he has two grown children Melissa and Michael He also

has a wonderful son in law Roman Mayo married to Melissa     The Vehement Jesus David J. Neville, 2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that at face value challenge the conviction that the mission and message of Jesus were peaceful Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom the author makes the case that Gospel portrayals of the vehement Jesus are compatible with perhaps even indispensable to the composite canonical portrait of Jesus as the Messiah of Peace As a result this exploration in New Testament theology and ethics makes an invaluable contribution to the crucial conversation about the role of Jesus life and teaching in Christian reflection on the morality of violence today     ,

**The New Testament and the Future of the Cosmos** Ryan P. Juza, 2020-11-05 The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament It invites the reader to grapple with two interrelated questions along with the author 1 What did the writers of the New Testament teach about the fate of the cosmos and 2 can we synthesize their teachings into a coherent New Testament theology By offering a close reading of key texts that inform the topic most notably Matt 24 29 31 Mark 13 24 27 Luke 21 25 28 Rom 8 19 22 Heb 12 25 29 2 Pet 3 4 13 and Rev 21 1 5 it is argued that one can with certain qualifications ascertain a clear and coherent New Testament message pertaining to the future of the cosmos Along the way new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos God s judgment of the heavenly powers of evil as a key component to the cosmic transition At present these hostile powers hold the cosmos captive to death but on the Day of the Lord they will be overthrown setting the stage for a materially transformed world to emerge from the hand of God     A Mediator in Matthew Craig D. Saunders, 2021-03-01 What is a consistent theological meaning of

the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will     Lectures on New Testament Theology Ferdinand Christian Baur, 2016 A translation of F C Baur s Vorlesungen uber neutestamentliche Theologie 1864 This work which has never before been published in English discusses key concepts in the study of the New Testament written by the author to accompany his lectures as Professor of Theology at the University of Tubingen     **The Zechariah Tradition and the Gospel of Matthew**

Charlene McAfee Moss,2009-02-26 *The Zechariah Tradition and the Gospel of Matthew* is a comprehensive study of the ways Matthew utilizes Zechariah texts and traditions Against the background of materials from Qumran and apocryphal and deuterocanonical writings Matthew s explicit citations of Zechariah are examined the influence of Zechariah elsewhere in the First Gospel is identified and the extent to which Matthew alludes to characteristic Zechariah themes alone or in combination with other prophetic traditions is explored Zechariah traditions appear in Matthew s distinctive materials as well as in texts Matthew has transmitted or altered from Mark and Q The impact of Zech 9 14 is not limited to the Passion Narrative but extends through Matthew s Infancy and Galilean healing narratives as well important concepts from Zech 1 8 are also discerned in the Infancy and Passion Narratives Moss works through the canonical order of Matthew this enables readers to appreciate the cumulative effect of Zechariah s influence at each stage of the Gospel story Two appendices one arranged according to Zechariah and the other to Matthew list possible references to Zechariah in Matthew This monograph is useful for Matthean studies and it is an insightful investigation of how one set of Old Testamental traditions are appropriated in one canonical Gospel and in the New Testament      **Explorations in a Christian Theology of Pilgrimage** Craig

Bartholomew,Fred Hughes,2021-11-18 Many Christians go on pilgrimage whether to Jerusalem Rome Santiago or some other destination but few think hard about it from the perspective of their faith This book fills that gap looking at the biblical and theological elements in pilgrimage and asking how we could do pilgrimage differently Exploring the current resurgence of pilgrimage from a Christian viewpoint this book seeks to articulate a theology of pilgrimage for today Examination of pilgrimage in the Old and New Testaments provides a grounding for thinking through pilgrimage theologically Literary missiological and sociological perspectives are explored and the book concludes by examining how such a theology could change our practice of pilgrimage today raising such questions as how tourism to the Holy Land should reflect the situation in the region today Pilgrims students and all interested in contemporary pilgrimage will find this accessible book a valuable articulation of the different elements in a Christian theology of pilgrimage      [A Commentary on the Gospel of St. Luke](#)

Frédéric Louis Godet,1887      [A Commentary on the Gospel of St. Luke](#) Frédéric Louis Godet,2025-07-21 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

*Jesus and the Old Testament* R. T. France,2000-10      **40 Questions About the Historical Jesus** C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of

Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels     Second Thoughts about the Second Coming Joe Reeves,2011-10 In the book Second Thoughts About The Second Coming teacher author and systems engineer Joe Reeves deals with many aspects of the idea of Jesus second coming that are seldom considered by modern Christians but he does so from the standpoint of asking several critical questions The basic questions he asks and answers in this book are can a book of scripture at some later date come to mean what it never meant Can a scriptural text at a later date come to mean what the author obviously did not intend it to mean to those of his original envisioned recipients to whom he wrote and a meaning that the first recipients simply would not have understood Then based on those answers he asks and answers several questions about Jesus resurrection His resurrected nature and His ascension Then based on the biblical answers to those questions asks and answers the question about whether or not Jesus and the biblical writers predicted a second coming Using those questions and the question of specifically what would those first century Christians have understood about what modern interpreters call Jesus second coming as the basis for study Joe uses his training and experience in systems thinking Bible history cultural anthropology and logic and philosophical realism to formulate a system of thinking that challenges many of the modern assumptions upon which the four most common doctrines about Jesus second coming are based For the person who wishes to learn more about how the first Christians would have used and understood the writings they received about Jesus and His life after His resurrection this book is a must read     Reformed Dogmatics Herman Bavinck,2003 In partnership with the Dutch Reformed Translation Society Baker Academic is proud to offer in English for the very first time all four volumes of Herman Bavinck s complete Reformed Dogmatics This masterwork will appeal not only to scholars students pastors and laity interested in Reformed theology but also to research and theological libraries     Light on the Gospels John L. McKenzie,2009-01-01 The key to understanding the Gospels says Father McKenzie is to read them carefully and inquisitively then reread them and reread them Perhaps never before has there been such a need for a mature Christian faith based solidly on the scriptures that will stand against the secularity of the times And perhaps never before has the work of scripture scholars been so helpful in giving the ordinary reader an understanding of the scriptures that is pertinent to his or her life McKenzie without being polemical or technical provides a brief and readable guide to the Gospels that will deepen and enrich Christian faith     From Jesus to his First Followers: Continuity and Discontinuity Adriana Destro,Mauro Pesce,2017-02-06 From Jesus to His First Followers examines to what extent early Christian groups were in continuity or discontinuity with respect to Jesus Adriana Destro and Mauro Pesce concentrate on the transformation of religious practices Their anthropological historical analysis focuses on the relations between discipleship and households on the models of contact with the supernatural world and on cohabitation among distinct religious groups The book highlights how Matthew uses non Jewish instruments of legitimation John reformulates religious

experiences through symbolized domestic slavery Paul adopts a religious practice diffused in Roman Hellenistic environments The book reconstructs the map of early Christian groups in the Land of Israel and explains their divergences on the basis of an original theory of the local origin of Gospels information

**Interpreting Revelation and Other Apocalyptic Literature** C. Marvin Pate, 2016-11-27 Christians live in two overlapping ages this present age and the age to come By examining Revelation and other apocalyptic literature from the Gospels and the Old Testament it can be argued that end time events and the age to come have already begun This understanding however can present many challenges How do we explain this blending of present and future How do the future resurrection of the body and the return of Christ impact pastoral care and sermon preparation now C Marvin Pate provides an accessible guide to the distinctive content form and function of apocalyptic literature Key principles of interpretation specific to this genre are presented as well as steps in communicating the theological messages of apocalyptic passages in the Bible Pate s in depth explanations offer a reliable introduction to this field of literature as well as new insights into the texts
