Jewell,2024-07-02 Absolutely perfect Booklist Fresh lively insightful astonishing AJ Finn In her most imaginative novel yet 1 New York Times bestselling author Lisa Jewell None of This Is True launches the Marvel Crime series of thriller books for adults with an original story starring the private detective Jessica Jones Meet Jessica Jones Retired super hero private investigator loner She tried her best to be a shiny spandex crimefighter but that life only led to unspeakable trauma Now she avoids that world altogether and works on surviving day to day in Hell s Kitchen New York The morning a distraught mother comes into her office Jessica would prefer to nurse her hangover and try to forget last night s poor choices But something about Amber Randall s story strikes a chord with her Amber is adamant that something happened to her teenage twins while they were visiting their father in the UK The twins don t act like themselves and they now have flawless skin have lost their distinctive tics and habits and keep talking about a girl named Belle Amber insists her children have been replaced by something horrible something perfect Traveling to a small village in the British countryside Jessica meets the mysterious Belle who lives a curiously isolated life in an old farmhouse with a strange woman who claims to be her guardian Can this unworldly teenager really be responsible for the Randall twins new personas Why does the strange little village of Barton Wallop seem to harbor dark energies and mysteries in its tight knit community A mother s intuition is never wrong And

Jessica knows that nothing in life is perfect not these kids not her on again off again relationship with Luke Cage and certainly not Jessica herself But even as she tries to buy into the idea that better days are ahead Jessica Jones has seen all too clearly that behind every promise of perfection trails a dark dangerous shadow Breaking the Dark the first book in the brand new Marvel Crime series introduces fans to a grittier street level side of the Marvel Universe and will continue with original novels featuring fan favorite characters like Luke Cage written by S A Cosby and Daredevil written by Alex Segura

Adaptations of Mental and Cognitive Disability in Popular Media Whitney Hardin, Julia E. Kiernan, 2022-03-31 Examining representations of mental difference this collection focuses on the ways that adaptations including remakes reboots and other examples of remixed narratives can shape and shift the social contexts and narratives we use to define mental disability The movement of narratives across media via adaptation or within media but across time and space in the case of remakes and reboots is a common tactic for revitalization allowing storytellers to breathe new life into tired narratives remedying past inaccuracies and making them accessible and relevant for contemporary audiences Thus this collection argues that adaptation provides a useful tool for examining the constraints or opportunities different media impose on or afford narratives or for measuring shifts in ideology as narratives move across cultures or through time Further narrative functions within this collection as a framework for examining the ways that popular media exerts rhetorical power allowing for deeper understandings of the ways that mental disability is experienced by differently situated individuals and revealing relationships with broader social narratives that attempt to push definitions of disability onto them **Marvel Graphic**
