What Every Christian Needs to Know About the Jewishness of Jesus Rabbi Evan Moffic, 2016-02-02 If you were to ask ten people Who started Christianity you might hear ten voices giving the same quick response Jesus. But those ten people would be wrong. Jesus wasn't a Christian. Jesus lived and died as a Jew. Understanding the Jewishness of Jesus is the secret to knowing him better and understanding his message in the twenty-first century. Walking through Jesus' life from birth to death, Rabbi Evan Moffic serves as a tour guide to give Christians a new way to look at familiar teachings and practices that are rooted in the Jewish faith and can illuminate our lives today. Moffic gives fresh insight on how Jesus' contemporaries understood him, explores how Jesus' Jewishness shaped him, offers a new perspective on the Lord's Prayer, and provides renewed appreciation for Jesus' miracles. In encountering his Jewish heritage, you will see Jesus differently, gain a better understanding of his message, and enrich your own faith. Flourishing Together Lynn E. Swaner, Andy Wolfe, 2021-11-16 How do students, educators, and schools flourish together, especially in an era of increasing pressure from standardized testing, growing challenges to student mental health and well-being, and frequent educator burnout? Many schools strive toward academic achievement as their primary marker of success, but this well-meaning approach can lead to a reductionist view in which students are too often seen as statistics rather than whole human beings. Teachers, school leaders, parents, and of course students know that flourishing is a much broader and more holistic aim for education. But what is to be done? The goal of this book is to call Christian educators back to a better vision of flourishing within a robust theological framework with the practical guidance necessary for implementation. To accomplish this, Lynn Swaner and Andy Wolfe take readers through an exploration of five essential domains identified through extensive empirical research: purpose, relationships, learning, resources, and well-being. An ideal resource for professional development and strategic planning, *Flourishing Together* persistently adheres to the principle that anything that is worth building cannot be built alone. Thus, the vision for flourishing here is one in which the school community is understood as an interconnected ecosystem in which each one's flourishing is dependent on their flourishing together. Accordingly, teachers and administrators will be inspired and equipped to reshape their schools as places where they, alongside their students, can flourish together in a community of abundant life. **Family Systems and Congregational Life** R.
