Jesus Apocalyptic Prophet Of The New Millennium:

Jesus Bart D. Ehrman,1999-09-23 This engaging volume examines the most recent textual and archaeological sources for the life of Jesus along with the history of first century Palestine drawing a fascinating portrait of the man and his teachings Ehrman shows us what historians have long known about the Gospels and the man who stands behind them Through a careful evaluation of the New Testament and other sources including the recently discovered Gospels of Thomas and Peter Ehrman proposes that Jesus can be best understood as an apocalyptic prophet a man convinced that the world would end dramatically within the lifetime of his apostles and that a new kingdom would be created on earth **“The Time Is**

Fulfilled” Lynne Moss Bahr,2018-12-27 In this study Lynne Moss Bahr explores the concept of temporality as central to Jesus s proclamation of the Kingdom of God Using insights from continental philosophy on the messianic which expose the false claim that time progresses in a linear continuum Bahr presents these philosophical positions in critical dialogue with the sayings of Jesus regarding time and time s fulfillment She shows how the Kingdom represents the possibilities of a disruption in time one that reveals the intrinsic relation between God and humanity In illustrating how Jesus s sayings regarding time are thus expressions of his messianic identity as of the world and not of the world Bahr argues that the meaning of Jesus s identity as Messiah is embedded in the disjuncture of time in the impossibility of now from which the Kingdom comes Bahr s use of critical theory in this study expands the concept of God s Kingdom beyond the traditional confines of the discipline Reasonable Faith William Lane Craig,2008 This updated edition by one of the world s leading

apologists presents a systematic positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities Brilliant and accessible *The Messiah Myth* Thomas L. Thompson,L Thompson,2009-04-20 Since the eighteenth century scholars and historians studying the texts of the Bible have attempted to distill historical facts and biography from the mythology and miracles described there That trend continues into the present day as scholars such as those of the Jesus Seminar dissect the Gospels and other early Christian writings to separate the Jesus of history from the Christ of faith But with *The Messiah Myth* noted Biblical scholar Thomas L Thompson argues that the quest for the historical Jesus is beside the point since the Jesus of the Gospels never existed Like King David before him says Thompson the Jesus of the Bible is an amalgamation of themes from Near Eastern mythology and traditions of kingship and divinity The theme of a messiah a divinely appointed king who restores the world to perfection is typical of Egyptian and Babylonian royal ideology dating back to the Bronze Age In Thompson s view the contemporary audience for whom the Old and New Testament were written would naturally have interpreted David and Jesus not as historical figures but as metaphors embodying long established messianic traditions Challenging widely held assumptions about the sources of the Bible and the quest for the historical Jesus *The Messiah Myth* is sure to spark interest and heated debate Why I Became an Atheist John W.

Loftus,2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the

Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion

Jesus and the Gospels (2nd Edition) Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg's award winning Jesus and the Gospels prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament

The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus

Home from the Dark Side of Utopia Clifton Ross, 2016-07-25 A riveting personal memoir that shares hard earned political insights Ross's journey mirrors that of the post war American left From an Anabaptist hippie commune in the 1970s to the present day failures of the Venezuelan revolution he charts a trajectory of good intentions and poor choices of blind faith in charismatic leaders followed

by inevitable disillusionment and ultimately a solid belief in the ability of ordinary people to make history Clifton Ross directed the film Venezuela Revolution from the Inside Out He is the co editor of Until the Rulers Obey Voices from Latin American Social Movements Young Jesus Jean-Pierre Isbouts,2008 This exploration of the life of Christ as a grass roots reformer draws on new evidence from historical and archeological records in addition to close readings of the canonical and Gnostic Gospels The Next Quest for the Historical Jesus James Crossley,Chris Keith,2024-11-05 A diverse group of scholars charts new paths in the quest for the historical Jesus After a decade of stagnation in the study of the historical Jesus James Crossley and Chris Keith have assembled an international team of scholars to envision the quest anew The contributors offer new perspectives and fresh methods for reengaging the question of the historical Jesus Important timely and fascinating The Next Quest for the Historical Jesus is a must read for anyone seeking to understand Jesus of Nazareth Contributors Michael P Barber Augustine Institute Graduate School of Theology United States of America Giovanni B Bazzana Harvard Divinity School United States of America Helen K Bond University of Edinburgh United Kingdom James Crossley MF Norwegian School of Theology Religion and Society Norway and Centre for the Critical Study of Apocalyptic and Millenarian Movements United Kingdom Tucker S Ferda Pittsburgh Theological Seminary United States of America Paula Fredriksen Boston University United States of America and the Hebrew University of Jerusalem Israel Deane Galbraith University of Otago Aotearoa New Zealand Mark Goodacre Duke University United States of America Meghan R Henning University of Dayton United States of America Nathan C Johnson University of Indianapolis United States of America Wayne Te Kaawa University of Otago Aotearoa New Zealand Chris Keith MF Norwegian School of Theology Religion and Society Norway John S Kloppenborg University of Toronto Canada Amy Jill Levine Hartford International University for Religion and Peace United States of America and Vanderbilt University United States of America Brandon Massey University of Münster Germany Justin J Meggitt University of Cambridge United Kingdom Halvor Moxnes University of Oslo Norway Robert J Myles Wollaston Theological College University of Divinity Australia Wongi Park Belmont University United States of America Janelle Peters Loyola Marymount University United States of America Taylor G Petrey Kalamazoo College United States of America Adele Reinhartz University of Ottawa Canada Rafael Rodriguez Johnson University United States of America Sarah E Rollens Rhodes College United States of America Anders Runesson University of Oslo Norway Nathan Shedd William Jessup University United States of America and Johnson University United States of America Mitzi J Smith Columbia Theological Seminary United States of America and University of South Africa South Africa Joan Taylor King s College London United Kingdom Matthew Thiessen McMaster University Canada Robyn Faith Walsh University of Miami United States of America Matthew G Whitlock Seattle University United States of America Stephen Young Appalachian State University United States of America Christopher B Zeichmann Toronto Metropolitan University Canada Thomas and the Gospels Mark Goodacre,2012-09-24 The Gospel of Thomas found in 1945 has been described as without question the most significant

Christian book discovered in modern times Often Thomas is seen as a special independent witness to the earliest phase of Christianity and as evidence for the now popular view that this earliest phase was a dynamic time of great variety and diversity In contrast Mark Goodacre makes the case that instead of being an early independent source Thomas actually draws on the Synoptic Gospels as source material not to provide a clear narrative but to assemble an enigmatic collection of mysterious pithy sayings to unnerve and affect the reader Goodacre supports his argument with illuminating analyses and careful comparisons of Thomas with Matthew and Luke Watch the trailer **Four Wise Men** Mark W. Muesse,2018-01-01 Confucius the Buddha Jesus and Muhammad are among the most thoughtful and influential people in history By their words and examples they have inspired countless individuals to live better and more meaningful lives and have shaped the institutions and worldviews we know today Four Wise Men is an accessible introduction to each of these sages viewed in their historical context and a provocative comparison of their lives and teachings Through careful study Four Wise Men examines the ways these fascinating figures speak as one as well as the ways in which they differ Although their voices come from the distant past these men still have wise words to say to us today **The Historical Jesus in Context** Amy-Jill Levine,Dale C. Allison,John Dominic Crossan,2024-11-01 This anthology presents a broad range of primary sources and expert commentary that contextualize the historical Jesus in his world This landmark volume places the gospel narratives in their full literary social and archaeological context More than twenty five internationally recognized experts offer new translations and descriptions of texts that shed new light on the Jesus of history including pagan prayers and private inscriptions miracle tales and martyrdoms parables and fables divorce decrees and imperial propaganda The translated materials from Christian Coptic and Jewish as well as Greek Roman and Egyptian texts extend beyond single phrases to encompass the full context thus allowing readers to locate Jesus in a broader cultural setting than is usually made available This book demonstrates that only by knowing the world in which Jesus lived and taught can we fully understand him his message and the spread of the Gospel Gathering material that was previously available only in disparate sources this formidable book provides innovative insight into matters no less grand than first century Jewish and Gentile life the composition of the Gospels and Jesus himself *Faithlore* John Fulling Crosby,2018-06-20 Crosby claims that much of the Bible is myth Since some myth may be true the next step is to label that part of myth adjudged to be untrue such as folklore But myth and folklore are not necessarily the same Lore serves further as an interpretation elucidation embellishment or spin upon the myth This lore in turn may help clarify one's beliefs or it may enable one to see more clearly what is essential to one's faith or nonessential Crosby follows the exegesis and biblical criticism norms of Albert Schweitzer's quest of the historical Jesus with emphasis on mythus pioneer David Friedrich Strauss Theology meets biology and physiology in culmination with all biblical study This takes place in the sapiens brain the supreme source of all language and imagination via which we invent the reality in which we choose to dwell Outgrowing Cultic Christianity Robert P. Vande Kappelle,2021-04-27 We

live in a time of religious warfare not just between different religions but also between those with differing versions of the same faith This religious distrust and political conflict may be the worst in American history since the Civil War Speaking as a progressive conservative biblical scholar Robert Vande Kappelle uses a four stage model of faith development to rethink core Christian doctrines Starting with current events and a discussion on the role of religion this book examines how inadequate faith development makes people of faith susceptible to misinformation conspiracy thinking and even to cultic mindsets People of faith do not choose to believe a lie they all want to believe what is true Hence it is surprising that in the realm of religion so many people are willing to rely upon untested and even highly disputed beliefs beliefs most received as children Unfortunately many of these teachings are based upon ancient hopes and fears rather than upon factual historical information Taken literally dualistic teachings concerning heaven and hell sin and salvation good and evil and apocalyptic beliefs such as the end times and the imminent return of Christ to earth are questionable not only because they are beyond historical and scientific verification but also because they can be misused by authoritarian leaders to control and mislead devout individuals Thankfully there is a way to outgrow cultic Christianity The path to spiritual maturity comes by restoring the role of religion a form of spirituality discovered not by addition but by a process of subtraction Outgrowing Cultic Christianity is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

Eschatological Unity Piotr Zygulski, 2025-09-26 This book explores the potential for eschatology to serve as a common ground for both Catholicism and Sh a Islam The volume provides a comprehensive contextualization of contemporary approaches to theologies of religion by presenting a methodological framework and clarifying the concept of eschatological unity It further discusses the role of eschatological unity as a unifying theme in theological discourse suggesting it as a key to examine aspects of unity within Catholic eschatology and the Sh belief in the Im m Mahd Building on the Wings of Unity project this book ultimately reevaluates the shared experiences of Catholicism and Sh a Islam highlighting the potential for eschatological unity as a point of theological convergence This volume offers an insightful and thought provoking analysis for scholars interested in interfaith dialogue eschatology and theologies of religion **Jesus and Brian** Joan E.

Taylor, 2015-09-10 Monty Python s Life of Brian film is known for its brilliant satirical humour Less well known is that the film contains references to what was at the time of its release cutting edge biblical scholarship and Life of Jesus research This research founded on the acceptance of the Historical Jesus as a Jew who needs to be understood within the context of his time is implicitly referenced through the setting of the Brian character within a tumultuous social and political background This collection is a compilation of essays from foremost scholars of the historical Jesus and the first century Judaea and includes contributions from George Brooke Richard Burridge Paula Fredriksen Steve Mason Adele Reinhartz Bart Ehrman Amy Jill Levine James Crossley Philip Davies Joan Taylor Bill Telford Helen Bond Guy Stiebel David Tollerton David Shepherd and Katie Turner The collection opens up the Life of Brian to renewed investigation and in so doing uses the film to reflect on

the historical Jesus and his times revitalising the discussion of history and Life of Jesus research The volume also features a Preface from Terry Jones who not only directed the film but also played Brian s mum

Abbot Joachim of Fiore and Joachimism E. Randolph Daniel,2024-10-28 In the articles included in this collection Professor Daniel argues that Abbot Joachim of Fiore was a disciple of Bernard of Clairvaux whose tertius status was reformist not millenialist Like the other reformists Gerhoch of Reichersberg and Hildegard of Bingen Joachim looked forward to the coming of a thoroughly reformed holy church to be achieved in the near future by reform of the episcopate and the clergy The status of the Holy Spirit was the culmination of the preceding status not a radically new beginning Apocalypticism in both its reformist and in its imperialist versions was part of the mainstream despite the efforts of the schoolmen to suppress it The author also sheds significant new light on apocalyptic thinking in the mid fourteenth century with a thorough analysis of Henry of Kirkstede s vade mecum Corpus Christi 404 and his first edition of Henry s De antichristo et de fine mundi This study and three others are published here for the first time
