## **Jesus Christ Myth Or Reality:**

Jesus Christ: Myth or Reality? Alejandro Roque Glez, 2023-10-29 For many Jesus is a good man others believe he was a great leader who died many years ago or a story created a century ago Some do not even imagine any of the events from when he lived among us What did reveal to us the apostles who were with him Is Jesus a myth Is he a reality The popular superstitions and all the impiety that societies submerged in spiritual numbness produce cause that our atmosphere is highly distrustful to everything and snatches from our hearts the highest love expressions which could only come from the consolatory wisdom of our God and Creator Jesus the Word of God uncovered for us in a simple way the secrets of wisdom and salvation unveiled for those who believe in him Not for perfects and impeccable ones but the weary and afflicted those who know about the loads are too heavy to be carried in our hands as we walk through lifetime valleys of shadows Who sat feet on this earth and has given such unerring sentences as the ones given by the Lord Who is that man who expressed such strong words that shook the world The officers answered No man ever spoke like that John 7 46 Taken from the author s book entitled Born Motherland or Death **Jesus** Ian Curtis, 2006-06 Are you strong enough to handle the truth about your faith and belief Since infancy you have been taught stories from the Bible Did you know that they are simply myths and superstitions gathered together from the veils of antiquity The priests of the ancient world were seeking a new method of power and control over the masses In this book you will be given truths and directed to paths of reality All religions are created for control and wealth Jesus never existed and there is no evidence that a benevolent God watches over his children There is also the same lack of proof that an Allah a Buddha or a Krishna ever existed or exists today What we have developed is a path to the total destruction of mankind Our planet earth is being torn apart by foolish beliefs which are promoted and supported by the weaknesses of a mass of human beings who have to have a security blanket Collectively the nations of the world are on an inevitable collision course and the cause is religion This is the ultimate results of a child s game of my God is bigger than your God The Truth About Jesus : Is He a Myth? M. M. Mangasarian, 2019-11-29 In The Truth About Jesus Is He a Myth M M Mangasarian embarks on a provocative exploration of the historical and mythological underpinnings of the figure of Jesus Christ Anchored in a critical analysis of religious texts and the socio cultural milieu of early Christianity Mangasarian employs a blend of rigorous scholarship and accessible prose to engage readers in questions surrounding the authenticity of Jesus existence He meticulously examines various aspects of biblical narratives drawing upon historical philosophical and theological perspectives to challenge conventional beliefs concerning the life and divinity of Jesus Mangasarian an Armenian American writer and a notable freethinker was usurped by the tenets of skepticism leading him to scrutinize religious dogmas His background as a former member of the Armenian Apostolic Church and experiences with the constraints of orthodox beliefs informed his critical approach to theological discussions This inquiry is part of his broader commitment to rationalism and secularism as his works often advocate for intellectual freedom and the scrutinization of

sacred texts This book is highly recommended for those interested in history theology and philosophy Readers seeking to deepen their understanding of the rivalry between faith and reason will find Mangasarian s incisive arguments both compelling and enlightening making it a significant contribution to the discourse on religion and myth The Truth Behind the Christ Myth Mark Amaru Pinkham,2002-04 Return of the Serpents of Wisdom and Conversations With the Goddess author Pinkham tells us the Truth Behind the Christ Myth and presents radically new information regarding Jesus Christ and his ancient legend includes The legend of Jesus Christ is based on a much earlier Son of God myth from India the legend of Murrugan the Peacock Angel The symbol of the Catholic Church is Murrugan s symbol the peacock a bird native to south east Asia Murrugan evolved into the Persian Mithras and Mithras evolved into Jesus Christ Saint Paul came from Tarsus the centre of Mithras worship in Asia Minor He amalgamated the legend of the Persian Son of God onto Jesus life story The Three Wise Men were Magi priests from Persia who believed that Jesus was an incarnation of Mithras While in India Saint Thomas became a peacock before he died and merged with Murrugan the Peacock Angel The Emperor Constantine the first Christian Emperor of the Roman Empire was a lifelong devotee of Mithras He was baptised Christian on his deathbed The myth of the One and Only Son of God originated with Murrugan and Mithras Jesus - Myth Or Reality? Frank Newby,2005-06 During the last 1700 years Christianity has become the standard religion of the Western World It became a religion because the Catholic Church declared it to be so They carnalized a Christ from a myth and tortured and killed for 1000 years until it became a reality Jesus Christ was not even a name until 325 C E when the Council of Niceae created the name and then declared that an age old myth had become human Today the Gospel of Christ is taught to small children as truth This book is an effort to explain the real truth and expose the myth and superstition Jesus Christ Myth Vs. Reality Group,1993-09-01 *The Christ Myth* Arthur Drews,2021-12-02 **The Christ Myth** Elizabeth E. Evans,2000 Was the entire story of Jesus nothing more than that just a story Evans presents an interesting argument According to her many things accepted as true regarding the story of Jesus may in fact not be true This book refutes aspects of Christ based on factual evidence combined with strong opinions of the author that may or may not be proven Many have been conditioned to accept Jesus in certain ways without the use of reason Evans provides us with a form of rational thinking that has been left out of our religious conditioning process Those who are open enough to read it will find it challenging and rewarding **Jesus : God, Man, Or Myth?** Herbert Cutner,2000 Did pagan mythologies represent Christs miracles in order to convince them to accept the Christian faith Beyond these miracles is there enough evidence to prove there was a Jesus Cutner says no He also says that the Apostle Paul never portrayed Jesus as a man but as a spiritual being To Paul Christ is found in a spiritual sense within oneself as opposed to being an actual historical personage When the Church accepted Paul this inner reflection was outwardly projected by the Church into an actual mana saviour according to Cutner This might be why Paul was almost rejected by the Church his views posed a danger to those who might rely on their own spiritual knowledge rather than the

authority of the Church Whether Jesus lived or not we still have a lot to learn about ourselves and our true place in the universe This book although critical may be useful in that respect     **True Myth** James W Menzies,2015-02-26 True Myth examines the meaning and significance of myth as understood by C S Lewis and Joseph Campbell and its place in the Christian faith in a technological society C S Lewis defined Christianity and being truly human as a relationship between the personal Creator and his creation mediated through faith in his son Jesus The influential writer and mythologist Joseph Campbell had a different perspective understanding Christianity as composed of mythical themes similar to those in other religious and secular myths While accepting certain portions of the biblical record as historical Campbell taught the theological and miraculous aspects as symbolic as stories in which the reader discovers what it means to be human today In contrast Lewis presented the theological and the miraculous in a literal way Although Lewis understood how one could see symbolism and lessons for life in miraculous events he believed they were more than symbolic and indeed took place in human history In True Myth James W Menzies skilfully balances the two writers differing approaches to guide the reader through a complex interaction of myth with philosophy media ethics history literature art music and religion in a contemporary world     *Christ--myth Or Reality?* Iosif Aronovich Kryvelev,1987     **From Mythology to Reality: Moving Beyond Rastafari** Seon M. Lewis,2013-10-19 The main thesis of this book is based on the Rastafarian Movement This book presents information about this movement in one place that is largely not known by the many adherents of the faith Moreover this book presents a unique view of the Movement a view embedded in a Grenadian Caribbean experience This view however is not narrowly placed but is argued within a wider world context and thus explains whether the Rastafarian movement can be a force for good both within the black community and the world at large Editor and author Norm R Allen Jr said that This well researched book expertly demolishes the ridiculous notion among Rastafarians that Emperor Haile Selassie of Ethiopia is God Moreover Lewis offers many excellent critiques of theism the Bible Rastafarianism Afrocentric thought and religion in general This book is informative to everyone     *Shattering the Christ Myth* James Patrick Holding,2008-06 How To Get Rid of Jesus Prove He Didn't Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here is a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It is well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus     **True for You, But Not for Me** Paul Copan,2009-06-01 Apologetics authority Paul Copan tackles popular sayings that often leave Christians speechless such as All religions lead to God Who are you to judge others

or Jesus was just another great religious leader He provides readers with thoughtful explanations of anti Christian slogans and brief answers to help them continue their conversations with non Christians In addition Copan answers questions about the unevangelized Study questions for group or individual use are included **Jesus the Jew** Ignacio Götz,2020-03-23 He was born in the spring or early summer of the year 4 or 6 BCE probably in the little town of Bethlehem in the Galilee near Nazareth He became a laborer maybe a stonemason His mother Mary could not get him married because of his suspect paternity but he had a girlfriend Mary of Magdala He had several brothers one of them a twin brother Judas the Twin Thomas and two sisters He was charged by the Romans with sedition At a preliminary hearing when queried by the High Priest whether or not he the laborer in rags was the anointed son of the Blessed One as all kings were he answered Am I He was crucified like two thousand other Jews during the Roman occupation of Palestine He died between 30 and 32 CE His followers revered him as a prophet but he was a marginal Jew who went about doing good Little more than one hundred years later Tertullian the African apologist would write I am saved if I be not ashamed of him **The Shadow Government** Len Bracken,2002 This book presents the alarming evidence that nation states actively engage in terror and also passively allow terror to be visited upon their citizens It is not just liberation movements and radical groups that deploy terrorist tactics for offensive ends States use terror defensively to directly intimidate their citizens and to indirectly attack themselves or harm their citizens under a false flag Their motivation To provide pretexts for otherwise unwanted wars or to gain increased police powers Statesmen have executed indirect terrorism in various ways but most plots tend to involve the pretence of blind eyes misdirection and cover ups that give the statesmen plausible deniability The shrinking of the Lusitania the bombing of Pearl Harbour the October Surprise the first World Trade Center bombing the Oklahoma City bombing and other well known incidents suggest that terrorism is often successfully used by states to take the offensive against enemies at home and abroad Was 9 11 such an indirect defensive attack Len Bracken traces the clues circumstantially connecting a multi armed hydra of oil interests the CIA FBI diplomats and statesmen to the September 11 attacks and examines whether they were engineered or allowed as a pretext for the war in Afghanistan The subsequent anthrax attack targeting Democratic senators is considered in light of the controversial USA Patriot Acts rights encroaching measures and the act s easy passage under conditions of terror A shadow government appears to have covered the land like black ice Antiquity Unveiled Jonathan M. Roberts,1894 **The Good News of the Return of the King** Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R

Tolkien's *The Lord of the Rings* is a story about what Jesus parables are about the good news about the return of the king. As a work of imaginative fiction similar to Jesus parables, *The Lord of the Rings* can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many. *Introducing Christian Theologies, Volume One* Victor I. Ezigbo, 2013-08-21. Should Christianity's theological face remain largely European and North American in the twenty-first century in the wake of the expansion of Christianity in sub-Saharan Africa, Asia, and Latin America? The question about the theological face of Christianity cannot be ignored. For too long, African, Asian, and Latin American theologians have been left out of mainstream theological discussions. Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity. *Introducing Christian Theologies: Voices from Global Christian Communities* is a two-volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with the voices of the Christian communities from around the globe. *Introducing Christian Theologies* explores the works of key theologians from across the globe, highlighting their unique contributions to Christian theology and doctrine. *Encyclopaedia of Religion and Ethics* James Hastings, John Alexander Selbie, Louis Herbert Gray, 1911.
