David Fideler

Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism:

Jesus Christ, Sun of God David Fideler,1993-10-01 The early Christian Gnosis did not spring up in isolation but drew upon earlier sources In this book many of these sources are revealed for the first time Special emphasis is placed on the Hellenistic doctrine of the Solar Logos and the early Christian symbolism which depicted Christ as the Spiritual Sun the illumination source of order harmony and spiritual insight Based on 15 years of research this is a unique book which throws a penetrating light on the secret traditions of early Christianity It clearly demonstrates that number is at the heart of being Jesus Christ Sun of God illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the ancient divinities

Gothic Cathedrals Karen Ralls,2015-04-15 Cross the threshold into the world of the High Middle Ages and explore the illuminating wisdom beauty and art of the Gothic cathedrals stunning wonders of the medieval era for all to see today From bejewelled stained glass windows to a pilgrimage on the road to Compostela the wonders of Gothic architecture continue to inspire many worldwide From the 12th century the Gothic architectural style continued to spread throughout Europe Highly regarded medievalist Dr Karen Ralls explores the legacy of this exquisite architectural period whose artistic beauty and expert craftsmanship have served for centuries to inspire feelings of spiritual reverence and aesthetic wonder She details the relationship between architecture geometry and music explores the concept of the labyrinth pilgrimage Black Madonnas astronomical calculations in the design and location of cathedrals stone and wood carvings gargoyles the teachings of Pythagoras and the later Neo Platonists and more For the general reader and specialist alike Dr Ralls guides the reader through the history places art and symbolism of these unique books in stone providing a lively portal and solid resource for all Lavishly illustrated with color photographs a recommended reading section lists of the major European cathedral sites and a full Bibliography Gothic Cathedrals is a fascinating showcase of the mystic and spiritual symbolism found in these great structures of Europe information that will help modern readers visit these sites and share in the energy of the sacred they continue to radiate

The Quest Lyman C.D. Kulathungam,2012-04-25 The human spirit seems incapable of being stagnant ever pushing the boundaries of knowledge and experience We try to understand life through questions regarding our own existence the nature of the universe and the nature of God The question of our collective heart is the external manifestation of an internal longing a quest if you will This thirst to understand reality can be seen in superstructures that are scientific social political and especially religious When considering the doctrines institutions and rituals of religions we observe certain core aspirations expressed by the people of these communities These aspirations generate from an underlying quest which seeks a way out of our perceived predicament a salvific quest Regardless of whether we view ourselves as religious pre religious post religious or non religious we find ourselves involved in such a quest it seems to be an integral part of our human personhood Using a unique framework of analysis this book explores Christ s relevance to the quest expressed by the communities of eight major living religions a relevance that neither degrades Christ

nor demeans other saviors Christ is not part of the human quest but is well equipped to satisfy that quest ABBA KEDDUS 'RASTAFARI AND THE RETURN OF OUR SACRED ORIGINS' 2015 Tyson Brown,2011-11-15 This book is a new approach to the Rastafari movement It connects the ancient history of Nile River Valley civilizations the Ethiopian Tewahedo Church and its monastic heritage to the global phenomenon of Rastafari At the heart of the story is the legend of the Abba Keddu the sacred elder who arrives to transform the world and return us to our primordial origins *The Tarot* Robert Place,2005-03-17 The Tarot is one of the few books that cuts through conventional misperceptions to explore the Tarot deck as it really developed in the Middle Ages and Renaissance Europe not as some would suggest in the far reaches of Egyptian antiquity Mining the Hermetic alchemical and Neoplatonic influences behind the evolution of the deck author Robert M Place provides a historically grounded and compelling portrait of the Tarot's true origins without overlooking the deck's mystical dimensions Indeed Place uncommonly weds reliable historiography with a practical understanding of the intuitive help and divinatory guidance that the cards can bring He presents techniques that offer new and valuable ways to read and interpret the cards Based on a simple three card spread Place's approach can be used by either the seasoned practitioner or the new inquirer **The Rise and Fall of the Nephilim** Scott Roberts,2025-09-12 The ancient books of Genesis and Enoch tell us that spirit beings known as the Watchers descended to the Earth had sex with women and begat a hybrid race of offspring known as the Nephilim Such tales are as old as humanity itself These histories and accounts of visitations and subsequent mixed blood alien human races comprise the bulk of the world's myths legends religions and superstitions The Rise and Fall of the Nephilim examines Elohim and the Bene Ha Elohim God and the Sons of God The Watchers UFOs extraterrestrials angels infiltrators and impregnators Biblical and apocryphal sources from Enoch to Moses The role of the Fae Elves Elementals and ancient gods What if the old spiritualities and religions weren't just legends What if there was something living and breathing beneath the surface a tangible interlinking of religious thought and spirituality science and myth inter dimensionality and cold hard fact The Nephilim walked among us and still do today The Sacred History Mark Booth,2017-05-16 Epic story of human interaction with angels and other forms of higher intelligence starting from Creation all the way through to the operations of the supernatural in the modern world What emerges is an alternative history of great men and women guided by angels or demons and the connection between modern day mystics and their ancient counterparts This spellbinding historical narrative brings together great figures such as Krishna Moses Buddha Elijah Mary and Jesus and Mohammed and stories from African Native American and Celtic traditions Woven into this is an amazing array of mystical connections including the surprising roots not only of astrology and alternative medicine but also of important literary and artistic movements aspects of mainstream science and religion and a wide range of cultural references that takes in modern cinema music and literature Amazon.com **Alexandria 2** David Fideler,1993-01-01 Journal of cosmology philosophy myth and culture **The Cambridge Handbook of Western Mysticism and Esotericism** Glenn Alexander Magee,2016-04-18

Mysticism and esotericism are two intimately related strands of the Western tradition. Despite their close connections, however, scholars tend to treat them separately. Whereas the study of Western mysticism enjoys a long and established history, Western esotericism is a young field. The Cambridge Handbook of Western Mysticism and Esotericism examines both of these traditions together. The volume demonstrates that the roots of esotericism almost always lead back to mystical traditions, while the work of mystics was bound up with esoteric or occult preoccupations. It also shows why mysticism and esotericism must be examined together if either is to be understood fully. Including contributions by leading scholars, this volume features essays on such topics as alchemy, astrology, magic, Neoplatonism, Kabbalism, Renaissance Hermetism, Freemasonry, Rosicrucianism, numerology, Christian theosophy, spiritualism, and much more. This Handbook serves as both a capstone of contemporary scholarship and a cornerstone of future research.

The Resurrection: a Critical Inquiry Michael J. Alter, 2015-02-21. The Resurrection: A Critical Inquiry is a scholarly work that refutes Jesus's purported physical bodily resurrection and those writings in support of it. This book is compelling, relevant, and current for those readers seeking scholarly refutations of that resurrection. This in-depth work presents the reader with 113 issues. Altogether, one hundred twenty contradictions and 217 speculations are examined. Topics include cutting-edge research in astronomy, geophysics, criminology, and the rules of evidence, the social sciences, and cognitive psychology.

The Shekhinah Is Coming Valjean Tchakirides, 2011-02-02. The Shekhinah is Coming offers a comprehensive, detailed, and mind-expanding study of ancient wisdom that includes sacred text to illuminate these teachings and breaks down some of the religious boundaries that continue to separate mankind. It offers an opportunity to expand the thought process by blending the enshrouded mysteries of ancient wisdom with history, science, sacred geometry, myths, and legends. Author Valjean Tchakirides demonstrates that the three major religions are more alike than different, illustrating their shared beginnings. We are all connected to God, as is revealed in the ancient texts of the Bible and the Quran. The life of Jesus is described as set in the constellations to be forever constant and seen without any religious oversight. It makes clear that the old laws no longer exist and only two laws remain to be followed. Those two laws are about one thing and only one thing: LOVE. The Shekhinah is Coming presents a circular study of the Divine plan that ends where it begins in light. It also offers an explanation of the recent NASA discoveries and how they relate to 2012 and Jerusalem. Visually appealing, this text includes pictures that provide a visual aid to an understanding that will lead the seeker to empowerment and enlightenment.

The Gnostic World Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03. The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today. These themes are examined across sixty-seven chapters in a variety of contexts from the ancient pre-Christian to the contemporary. The volume considers the intersection of Gnosticism with Jewish, Christian, Islamic, and Indic practices and beliefs, and also with new religious movements such as Theosophy, Scientology, Western Sufism, and the Nation of Islam. This comprehensive handbook

will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history

Spiritual Calculations Christine Cooper-Rompato, 2022-01-21 Medieval English sermons teem with examples of quantitative reasoning ranging from the arithmetical to the numerological and regularly engage with numerical concepts Examining sermons written in Middle English and Latin this book reveals that popular English speaking audiences were encouraged to engage in a wide range of numerate operations in their daily religious practices Medieval sermonists promoted numeracy as a way for audiences to appreciate divine truth Their sermons educated audiences in a hybrid form of numerate practice one that relied on individuals pragmatic quantitative reasoning which when combined with spiritual interpretations of numbers provided by the preacher created a deep and rich sense in which number was the best way to approach the sacred mysteries of the world as well as to learn how one could best live as a Christian Analyzing both published and previously unpublished sermons and sermon cycles Christine Cooper Rompato explores the use of numbers arithmetic and other mathematical operations to better understand how medieval laypeople used math as a means to connect with God *Spiritual Calculations* enhances our understanding of medieval sermons and sheds new light on how receptive audiences were to this sophisticated rhetorical form It will be welcomed by scholars of Middle English literature medieval sermon studies religious experience and the history of mathematics

Restoring the Soul of the World David Fideler, 2014-11-20 Humanity s creative role within the living pattern of nature Explores important scientific discoveries that reveal the self organizing intelligence at the heart of nature Examines the idea of a living cosmos from its roots in the earliest cultures to its eclipse during the Scientific Revolution to its return today Reveals ways to reengage our creative partnership with nature and collaborate with nature s intelligence For millennia the world was seen as a creative interconnected web of life constantly growing developing and restoring itself But with the arrival of the Scientific Revolution in the 16th and 17th centuries the world was viewed as a lifeless clock like mechanism bound by the laws of classical physics Intelligence was a trait ascribed solely to human beings and thus humanity was viewed as superior to and separate from nature Today new scientific discoveries are reviving the ancient philosophy of a living interconnected cosmos and humanity is learning from and collaborating with nature s intelligence in new life enhancing ways from ecological design to biomimicry Drawing upon the most important scientific discoveries of recent times David Fideler explores the self organizing intelligence at the heart of nature and humanity s place in the cosmic pattern He examines the ancient vision of the living cosmos from its roots in the world soul of the Greeks and the alchemical tradition to its eclipse during the Scientific Revolution to its return today He explains how the mechanistic worldview led to humanity s profound sense of alienation for if the universe only functioned as a machine there was no longer any room for genuine creativity or spontaneity He shows how this isn t the case and how even at the molecular level natural systems engage in self organization self preservation and creative problem solving mirroring the ancient idea of a creative intelligence that exists deep within the heart of nature Revealing new connections between

science religion and culture Fideler explores how to reengage our creative partnership with nature and new ways to collaborate with nature s intelligence Jung's Studies in Astrology Liz Greene,2019-09-04 Winner of the IAJS award for best authored book of 2018 C G Jung had a profound interest in and involvement with astrology which he made clear in virtually every volume of the Collected Works as well as in many of his letters This ancient symbolic system was of primary importance in his understanding of the nature of time the archetypes synchronicity and human fate Jung s Studies in Astrology is an historical survey of his astrological work from the time he began to study the subject It is based not only on his published writings but also on the correspondence and documents found in his private archives many of which have never previously seen the light of day Liz Greene addresses with thoroughness and detailed scholarship the nature of Jung s involvement with astrology the ancient medieval and modern sources he drew on the individuals from whom he learned his ideas about how and why it worked its religious and philosophical implications and its applications in the treatment of his patients as well as in his own self understanding Greene clearly demonstrates that any serious effort to understand the development of Jung s psychological theories as well as the nature of his world view needs to involve a thorough exploration of his astrological work This thorough investigation of a central theme in Jung s work will appeal to analytical psychologists and Jungian psychotherapists students and academics of Jungian and post Jungian theory the history of psychology archetypal thought mythology and folklore the history of New Age movements esotericism and psychological astrology

Maya Cosmogenesis 2012 John Major Jenkins,1998-08-01 While researching the 2012 end date of the Maya Calendar John Major Jenkins decoded the Maya s galactic cosmology The Maya discovered that the periodic alignment of the Sun with the center of the Milky Way galaxy is the formative influence on human evolution These alignments also define a series of World Ages The fourth age ends on December 21 2012 when an epoch chapter in human history will come to an end Maya Cosmogenesis 2012 reveals the Maya s insight into the cyclic nature of time and prepares us for our own cosmogenesis the birth of a new world **End Times to 2019** David Montaigne,2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages

we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more

The Complete Idiot's Guide to the I Ching Elizabeth Moran, Joseph Yu, Joseph Yu (Master.), 2001 A guide to the ancient Chinese oracle provides a modern interpretation of the sixty four hexagrams and includes step by step instructions for casting using the three coin and yarrow stalk methods

The Rise and Fall of the Library of Alexandria Jean-Arcady Meyer, 2023-07-10 The project to bring together all the books of the world in Alexandria was not only intended to contribute to the glory of the Ptolemies but also aimed to attract scholars to the city who would be capable of exploiting these books to produce others and to thus advance the literature and science of their time This book demonstrates that the availability and critical study of the 500 000 scrolls which the Library of Alexandria probably contained made possible the production of some remarkable pieces of Alexandrian literature and philosophy the considerable increase in historical and geographical knowledge as well as outstanding contributions to the history of mathematics astronomy mechanics and medicine The book recalls how Alexandria was founded and became the most beautiful city in the ancient world It also recalls the incredible series of wars popular revolts assassinations palace intrigues and debaucheries that brought about the inexorable decline of this city and its Library

Stones of the New Consciousness Robert Simmons, 2021-01-12 Details the spiritual healing and energetic qualities of stones such as Moldavite Nuummite Circle Stones Nirvana Quartz from the Himalayas and high vibrational Natrolite from the emerald mines of Russia Features color photos of exceptional examples of each of the stones Includes practices for deepening one s awareness of the stones gifts from expanding consciousness to healing to awakening the Light Body to fulfilling one s personal and collective destiny In **Stones of the New Consciousness** Robert Simmons examines the 62 most important stones to help accelerate and enhance conscious evolution and spiritual awakening Each entry is illustrated with color photos of exceptional examples The stones include Moldavite the extraterrestrial amorphous crystal Nuummite the oldest gemstone on Earth and Circle Stones the highly energetic Flint found in crop circle formations Other featured rarities include Nirvana Quartz from the Himalayas and high vibrational Natrolite from the emerald mines of Russia Simmons begins with a new approach to meditation with stones and to the possibility of conscious relationship with the spiritual beings who express themselves in our world as crystals and

minerals He includes historical and mythological references for each stone positing that the fabled Stone of the Holy Grail and the Philosopher s Stone of the alchemists may have physical counterparts among the minerals discussed Simmons presents practices for deepening one s awareness of the stones gifts from expanding one s consciousness to healing to awakening the Light Body to fulfilling one s personal and collective destiny While emphasizing direct contact with stones the book also explores crystal energy tools energy environments and applications such as stone elixirs and essences that can aid anyone on a spiritual path

Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism has opened up a world of possibilities. Downloading Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with

the world. However, it is essential to be cautious while downloading Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Jesus Christ Sun Of God Ancient Cosmology And Early Christian Symbolism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
