Weires-Madsen,2011-08-22 He was truly a man of God He was vibrant and courageous in his Christian faith Realizing he was called by God to evangelize the islanders he was determined to at least touch one heart and change a life amidst great persecutions Sent by the church in the United States of America the Christian missionary felt alone and neglected on an island full of people who didn't want to do anything with his Christian God and teachings When he was ridiculed laughed at and mocked he silently and reverently turned to God for encouragement wisdom and guidance He spent many hours a day in prayers and reading his Bible asking God for the grace he needs to overcome his trials and tribulations Then one day when he decided to leave the rebellious islanders in peace out of the blue God spoke through him and prophesied against the indigenous people and their island Soon after the prophesy came true and changed the lives of the present generation as well as the future generation forever Consequently to this day the Christian faith is vibrant among the islanders in the Namoluk Na mo look atoll Chuuk State in the Federated States of Micronesia both home and abroad     UNBELIEVABLE Journey with the Lord (A True Story) Joani C. Boland,2024-05-16 Why would anyone want to buy this book from an unknown first time author The answer is simple If you say to yourself This could never happen to me I wouldn't be so stupid or My faith is so strong that nothing or no one can ever shake it then this book is for you This book is not just for the believers of Christ but also for nonbelievers No matter what struggles you face financial death faith loneliness and the like there is a living God who loves you no matter what you have experienced or where you are in life God loves you before you were born Many people own a Bible but it is never read The book sits on a shelf collecting dust My husband Harry and I read and discussed Scripture along with prayer time and reading a daily devotional In facilitating Bible lessons to small groups in our home I would always say the Bible contains all the answers for how we should live our lives It is a guide to daily living in a fallen world Think of his commands as a moral compass as it makes us conscious of sin So how could this fall from grace happen to a faith loving Christian like me My intent in writing this book is to provide you with the tools and means to give you hope in our troubled world and to learn how not to become bitter but to forgive to keep a sense of humor and to never give up on yourself 84
