

The Last Will and Testament of Jesus Christ

Introduction: Do You Have a Will Written in the Event of Your Death?

- A. How many of you have a will?
 - 1. Too often, people wait until they are much older to have one written on their behalf (James 4:14).
- B. Most understand the concept of a will. It is a common practice in our society.
 - 1. Though we may not understand every legal detail like a lawyer does, most people understand what a will is and generally how it works.
- C. The practice of people leaving a will and testament is not a modern development, but an ancient practice.

I. The Definition of a Will (Heb. 9:15-17).

- A. **“Testament”** (covenant / diatheke / dee-ath-ay'-kay): *“The last disposition which one makes of his earthly possessions after his death, a testament or will.”* (Thayer’s Greek Lexicon).
 - 1. The testament or will *specifies* who will receive the **legacy** of a person – *the amount of money or property left behind by the person.*
- B. For every will (testament) there must be a **“testator”** who made the will (Heb. 9:16).
- C. A will (or testament) cannot be written unless the person has a **“legacy”** (i.e., money or property to pass on to others) (e.g., Ps. 105:7-11).

II. Jesus Has a Wonderful Legacy to Pass On to Others!

- A. The Legacy of Forgiveness of Sins.
 - 1. Jesus had a grand legacy! – He has eternal blessings to pass on to us!
 - 2. After the cross and resurrection, Jesus declares before His ascension that His people would be given the forgiveness of sins (**Luke 24:46-47**; Acts 2:38; 3:19).
 - a. No greater legacy (or gift) could have been left to another than the forgiveness of sins!

When a person finally closes his eyes in death, there is nothing on earth that this world contains that would be more important than having his sins which stand between himself and his maker to be forgiven! (cf. Heb. 8:13).

Jesus' Last Will and Testament Ramona B. Jolly, 2011-10 In the prayer of John 17 Jesus not only verifies His preexistent nature and His purpose in coming to this earth but He also reveals the glorious destination for Himself and those who are His joint heirs The purpose and place of prayer is herein established Prayer releases the Father's will in heaven which places into motion the answers Jesus prayer of John 17 precedes Him to the cross through the cross and into the bosom of His Father It also precedes us and makes provision for us The beautiful storehouse of Jesus sacrificial blessing is revealed to us The importance of a family to Father God is revealed and His love spilled out that it would be accomplished The heart cry of Jesus is that we know Father God He shows us His relationship with Him and invites us into the family John 17 reveals the depth of intimacy Jesus has with His Father In a world that struggles profusely with fatherhood this reveals a relationship that lacks nothing Ramona B Jolly has an earned Ph D in Christian Education and Administration In 1993 1994 she and her family lived in Kenya East Africa as missionaries It was in Africa that the purposes of God burst forth in her in bigger than life experiences During this time a passion to serve Christ and flow in the purposes He foreordained was birthed That passion remains to this day In 1999 Ramona and her husband established YAHshua International Inc a 501 c 3 to facilitate the ministries He has called them to During a time of great trial when her husband was battling for his life with two kinds of leukemia raging in his body she learned that Father God could be trusted with life so precious This was the beginning of a deep true relationship with Him Ramona and Billy have 3 children and two grandchildren Website to purchase book www.RamonaBJolly.com *No Greater Inheritance* Steven B. Angus, 2018-07 Perhaps you were drawn to this book because of its title The notion that someone like Jesus would even consider having a Last Will and Testament seems out of character with what we know about him Today we would consider him homeless and the suggestion that he had something of value to bequeath seems ludicrous The portion of scripture recorded in The Gospel of John chapters thirteen through seventeen has been referred to by various titles It is generally believed they are the words Jesus shared with his disciples the night prior to his death on the cross He began their time together by presenting them with a new commandment He said So now I am giving you a new commandment Love each other Just as I have loved you you should love each other Jesus then took a pitcher of water and a basin wrapped a towel around his waist and washed the disciples feet This action demonstrated a love based on service the foundation by which they were to live Later he would take bread and break it and then a cup of wine and bless it He commanded them to eat the bread and drink from the cup in remembrance of him This second commandment became known as The Lord's Supper which foreshadowed how he would die These two commandments are the basis of a tremendous treasure yet they only scratch the surface of the great inheritance that Jesus bequeathed that night The purpose of this book is to help us realize and appreciate all the wonderful gifts that Jesus made available to those who love him During my time as a pastor I have spoken with hundreds of people as they have faced the most difficult moment of their lives the death of a

loved one When it came time to discuss the memorial service for their loved one a vast majority of them requested the opening words of the fourteenth chapter of the Gospel According to St John be read Jesus words Let not your heart be troubled offered them a sense of comfort and hope Recalling Jesus words was a reminder that he had provided for them and their loved one a great inheritance It is a precious gift to hear Jesus say I have told you that I am going to prepare a place for you 14 2 however the treasures he offers to us are not only to be acknowledged at the occasion of death The inheritance is intended for daily life Our goal is to discover perhaps for the very first time what our inheritance encompasses As we learn to love him we soon discover that there is more than some future glory The message of the Last Will and Testament of Jesus Christ is this Whoever receives the son receives it all And there is NO GREATER INHERITANCE **Come and See: The Gospel of John** Joseph Pinessa, Laurie Watson Manhardt, 2004 The Gospel of John is a natural starting place in the Come and See series and an excellent introduction to Bible study in general Its easy to use workbook format makes this study ideal for use in the classroom in home study or in parish catechesis The Come and See series is the answer for those seeking quality Bible study materials that draw from the richness of Catholic Tradition the teaching of the Church Fathers the prayers of the saints and the Catechism of the Catholic Church Beautifully illustrated and designed 206 pages Trim size 8 x 11 *The Grace of Christ, Third Edition* Eric Roessing, 2023-09-28 The purpose of this book is to communicate as clearly as possible Paul s gospel of God in its depth from what I have learned over five decades of studying Paul s letters and theology But regardless of how much I have gained from teachers past and present the bottom line is that the things freely given us by God in Paul s gospel can only be known by the Spirit of God through comparing Paul s Spirit taught words with Spirit taught words 1 Cor 2 12 13 Luther s grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1 16 17 that in the gospel God s saving righteousness is revealed from Christ s faith to our faith The message of this book can be summed up as follows The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith obedience to Christ as Lord This life is possible because Christ believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ Jesus owned by him as Lord being one spirit with him

The Theology of The Cross Daniel M Deutschlander, 2008-01-01 What did Jesus mean when he said Take up your cross and follow me The Bible teaches that Jesus Christ is the true center of our salvation Through a deep and powerfully written examination of Scripture author Daniel Deutschlander demonstrates that without Jesus sacrifice on the cross we would be lost However because of Jesus death and resurrection we now have the promise of eternal life in heaven with him That changes everything for us The Theology of the Cross will also remind you that since Jesus first loved you it is now your joy to take up your own cross daily and follow him What does that look like for you This book answers that questions and points you to our Savior s cross which empowers you to live each day for him Here s what people are saying about this book The theology of the cross is a matter of urgent practical concern for every Christian Beginning with the words of Jesus

commanding us to deny ourselves and take up our cross and follow him Professor Deutschlander shows how the path of self denial repentance difficulty and struggle is the only place where the gospel reveals its true glory and bears its fruit in our lives Professor Joel D Fredrich Martin Luther College New Ulm Minnesota This book warns us of Satan s efforts to turn us from Christ to ourselves It comforts us with the assurance that the cross of Christ leads to heavenly glory Professor James F Korthals Wisconsin Lutheran Seminary Mequon Wisconsin

The Prayer of Jesus Michael E. Cannon Jr., 2010-11-05 Prayer is an often practiced more often neglected and less often understood practice of Christendom Counselors prescribe prayer as a means to reduce stress and lower blood pressure Some approach prayer as Eastern meditation some as an expression of tongues and other traditions offer chants in a strict liturgical form John 17 offers the reader an unusual opportunity to listen to a prayer Some might say the prayer in John 17 is the prayer of all prayers the true definition of the Lord s prayer Drawing on classic commentators Michael Cannon casts John 17 in a pastoral light showing the grace wisdom and love of Christ for his people as he pours his heart out before his heavenly Father on their behalf While these were messages originally preached in the context of worship they also serve as a detailed commentary on one of the most beloved passages of Scripture

The Theology of the Acts of the Apostles Jacob Jervell, 1996-05-16 Who are the people of God Luke s purposes in the Acts of the Apostles are to identify the church to establish the legitimacy of its gospel and to demonstrate that God was an active force in history He wanted to show that the communities of Jewish and Gentile Christians are the true heirs of God s promises to Israel He gives the history of the early church from the last decades of the first century as the communities become separated from their Jewish origins and Paul plays the lead role Acts offers an apologetic for the mixed mission of the church to Jews and Gentiles Luke was an eyewitness to some of what he reports but his authorship and views have been questioned This is a theological interpretation of the history of the church within history Luke is an artist a narrator rather than a systematic theologian but writes about the roles of God Christ and the Holy Spirit and of the church

Progressive Dispensationalism and the Missing Throne Gerald Shugart, 2018-10-24 A well guided Spiritual expedition into one of the most confusing aspects of modern theology today Do those in the Body of Christ partake of the New Covenant promised to the nation of Israel at Jeremiah 31 31 34 The failure of the Traditional Dispensationalists to adequately answer that question has led to Progressive Dispensationalism a system of Bible study that undermines the very foundation upon which Traditional Dispensationalism has been built This book proves beyond any doubt that those in the Body of Christ do not receive spiritual blessings through that

covenant but instead those blessings are received through the gospel of Christ Sir Robert Anderson wrote that our spiritual and eternal blessings do not depend on a covenant made with us but upon a testament under which we are beneficiaries

Characters of Calvary Kenn Filkins, 1997-03 It was an event that occurred two thousand years ago Yet it s impact still changes lives today Through this study you will learn that the cross of Christ changes people today just as it changed people

who witnessed the event You will identify with Peter John and the host of others who saw their greatest needs met and their greatest weaknesses exposed by Jesus crucifixion This enjoyable study will be a hit with your small group Walk with Jesus Christ, the Truth I' 2008 Ed. (maturing in Jesus Christ) , The Self-Donation of God Jack D. Kilcrease,2013-03-20 In The Self Donation of God Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God s promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection *The Anti-Gospel* Edward Hendrie,2012-03-19 Edward Hendrie uses God s word to strip the sheep s clothing from false Christian ministers and expose them as ravening wolves preaching an anti gospel The anti gospel is based on a myth that all men have a will that is free from the bondage of sin to choose whether to believe in Jesus The Holy Bible however states that all men are spiritually dead and cannot believe in Jesus unless they are born again of the Holy Spirit Ephesians 2 1 7 John 3 3 8 God has chosen his elect to be saved by his grace through faith in Jesus Christ Ephesians 1 3 9 2 8 10 God imbues his elect with the faith needed to believe in Jesus Hebrews 12 2 John 1 12 13 The devil s false gospel contradicts the word of God and reverses the order of things Under the anti gospel instead of a sovereign God choosing his elect sovereign man decides whether to choose God The calling of the Lord Jesus Christ is effectual all who are chosen for salvation will believe in Jesus John 6 37 44 The anti gospel has a false Jesus who only offers the possibility of salvation with no assurance The anti gospel blasphemously makes God out to be a liar by denying the total depravity of man and the sovereign election of God All who preach that false gospel are under a curse from God Galatians 1 6 9 **The Romance of Wills and Testaments** Edgar Vine Hall,2022-11-22 In The Romance of Wills and Testaments Edgar Vine Hall offers readers a unique journey through history s pages by romanticizing and interpreting the wills and legacies of individuals from the past Each testament is woven with intrigue and distinct personal histories brought to life through a poetic lens Hall s work stands out for its captivating approach to a subject that at first glance might seem dull and monotonous Through his meticulous research and eloquent narrative Hall uncovers the implicit tales and hidden sentiments embedded in the legacies of the departed inviting readers to complement the narratives with their imagination thus offering a fascinating excursion into socio cultural and historical tapestries Edgar Vine Hall emerges as not merely a historian or a biographer but as a literary artisan

who transforms the seemingly mundane records of wills into a rich tapestry of human experience His acute sense of the poignant and profound within the ordinary demonstrates his ability to appreciate the nuanced interplay between life's events and the legal document that serves as both their final footnote and lasting legacy This perspective may have been forged by Hall's own intriguing life experiences educational background or a deep seated passion for preserving the footprints of human stories often washed away by time For those who revel in the confluence of history literature and the human condition The Romance of Wills and Testaments is a compelling read Hall's work transcends the boundaries of traditional historical scholarship offering a multidimensional look at the personal motives societal norms and emotional undercurrents that have shaped the final messages from individuals across time This book beckons to those with a penchant for unraveling the layers of the past and provides a unique perspective that is sure to enrich the reader's understanding of the complexities of human legacies
