Jesus Must Be Really Special:

Whatsoever Means Anything Joel L. Meredith, 2000-10 Should miracles all be taken with a grain of salt or be accepted without a trace of doubt What if Jesus was taken literally when He said You haven't asked Me for anything yet Ask for whatsoever you want and I will do it for you so that the Father may be glorified in the Son And what if Jesus responded instantly to such requests And what if Jesus started answering questions plainly and it became next to impossible to not recognize a Christian Hasn't a story got room for more than one miracle If you answered to that was no then this book is not for you however if your answer was yes then this is the book for you The story is crowded with people like yourself except for the awesome adventure in which they find themselves Here's a sampling from a couple of chapters Irving Samuels pulled his coat collar tighter about his neck and ducked his head into the wind as he pressed on toward home I wish that I didn't have to face Maria tonight he thought Why does she have to nag me all of time anyway She wasn't that way before we got married Sometimes I wish that I had stayed single Irving patted his breast pocket to verify to himself the presence of his paycheck He fervently hoped that it would go further than it usually did It might be a long time before he would get another paycheck because he had just been laid off along with five hundred of his fellow employees They could have given us more warning he thought On the other hand what would I have done if they had given me two weeks notice So many people are out of work that there aren't any jobs open anyway especially in my field Oh well in a couple of weeks I can draw unemployment Irving sighed deeply Lately things hadn't been going at all well for him Suddenly he stopped and spun around You dummy he admonished himself You walked right past the bank He quickly retraced his steps past three stores and entered the front door of the American National Bank He was pleased to find that there were only two people in line at the teller's window A few minutes later his check was cashed and he was pocketing the money Somehow his week's pay of 480 didn't seem to measure up to his usual high regard for his paycheck A good stiff drink or two might help me feel better he decided Ha It might even help me to face Maria A few steps more brought him to Mickey's Tavern Irving walked inside blinked his eyes to adjust to the gloom and yelled at the bartender Hey Mick Give me a bourbon Better yet make it a double Hey yourself Irving What're you doing in here so early Got laid off answered Irving Boy nothing's going right lately Just then the newscast on the radio behind the bar caught Irving's attention The Dow Jones Industrial Averages plunged another 522 points today to establish a 15 Year low Brokers attribute much of this drop to Oh no groaned Irving First my job and now this It can't be that bad said Mickey as he put the bourbon down in front of Irving Irving tossed the drink down neat and grimaced before answering My stock hasn't done anything but go down since I bought it On top of that it follows the Dow like it was glued to it I bought right at the peak and if that isn't bad enough I bought 500 shares on margin I kept waiting for it to go up and now I've waited too long Now I will have to put up some more cash With my job gone I just can't afford it Give me another double Irving gulped down the second drink threw a couple of bills on the bar and walked out What a stupid mess Ndoki Charles

H. Harvey,2007-09 Set in Angola and the Congo this biographical novel is based on a true story The reader becomes immersed in the practical day to day implications of a world view which includes a nearly inescapable web of witchcraft

Revelation of Jesus Christ Grace Chung,2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God s explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all

Ordinary Man, Extraordinary God Mark Stephen Runnels,2016-01-27 Have you ever wondered if God is real Or do you sometimes question whether or not He knows you and is intimately involved in your life And do you wonder if He hears your prayers and has your best interests in mind If so then this book is for you Read how God

has opened the eyes of an ordinary man to see the normally unseen supernatural workings of Jesus Christ in his life Read about the divine appointments and divine interventions that God has orchestrated in Marks life that have clearly demonstrated Gods love for him the kind of love God has for you and for every man or woman who feels as though they are simply ordinary

The Balance Claire, Dluuwiixwaay, Jesus of Nazareth, 2023-02-14 The sixth Chosen One of ancient prophecy is now walking earth as an unknown woman living a normal life When her channel opens however Varahn suddenly faces the reality that heaven exists and her ordinary life is upended Varahn is told she s been chosen by the Holy Spirit to protect earth from a total extinction of life Varahn knows human activities are already rushing earth to ecological and climate catastrophe The process of extinction is actively underway Although she cherishes her home she s completely overwhelmed to think such an urgent and momentous responsibility would depend upon her Is this real How can she possibly reverse this trajectory Varahn s every day felt experience is of earth But once she s chosen a heavenly split of her consciousness appears at the center of the homeomorphic hologram asleep in the very place last occupied by the Absolute God of the Hebrew Torah and the Christian Old Testament Others in heaven mistakenly conclude Varahn must be Absolute Goddess seeking to control All That Is They attack her pre emptively in ways that threaten to make her crucial task impossible Jesus of Nazareth is profoundly concerned for both Varahn and the healing of earth When a disbelieving Varahn decides to start a diary soon after her channel opens Jesus recognizes that despite it being perceived as a fantasy should He and the Holy Spirit channel back to Varahn the heavenly view of her story Varahn might be convinced that she has in fact been chosen and be fully empowered for her task In Varahn s remarkable transcription of channeled truths and personal experience Jesus also sees an extraordinary opportunity to share his own heartfelt sense of his historical role on earth as well as future hopes for his teachings

Beyond the Horizon John Edmonds, 2013-02-12 Author John Edmonds was given something very few were given insight on the day he died For the twenty five minutes when his physical body was without a heartbeat his spiritual self soared to a great and profound epiphany On this impossible journey he was given a glimpse into a greater truth as he learned of his thirty three previous incarnations on this earth Among his past lives he was an Inuit kinsman a father a doctor a seafarer an ancient pagan chieftain and a monk He was allowed to revisit a former life in which he and Jesus Christ his dearest soul brother lived in a town called Bethany There they shared in His love and wisdom At night as the blazing winter fires burned they partook of the Divine John and his sisters clothed Him bathed Him and anointed His feet In return He saved them in every possible way Their hearts were torn to learn of His great suffering He was the One the Messiah He was Christ Jesus and He was Johns dearest friend These are Johns tales of a past life spent in the blessed company of Christ Jesus his brother his flesh and his blood his very personal recollection of an extraordinary friendship and love It chronicles an epic journey from ancient times to the present day a journey far beyond the realm of the living This is the story of his fascinating and compelling nonphysical experience and the instruction he received during his time on the other side His is an astonishing

tale of survival courage revelation and inconceivable willpower **The Life of the Lord Jesus Christ: a Complete Critical Examination of the Origin, Contents, and Connection of the Gospels.** Translated from the German Johann Peter Lange, 1864 The Treasury , 1910 *Days of the Living Christ* W. Cleon Skousen, 2018-12-21 No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ From His birth in a humble stable until His death upon the cross of Golgotha He left all of us simple teachings direct commandments and profound doctrines which have altered the history of the world He performed astounding miracles that left His disciples and other onlookers stunned and speechless He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans The culminating act of His ministry was the priceless gift of His eternal Atonement which opened the floodgates of the resurrection ending the final and icy grip of death upon all mankind One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease In a matter of just three years His brief ministry changed the course of history Gone was the harsh and rigid Mosaic law replaced by the higher law of love for friends and enemies alike His life is an example to all All of these magnificent scriptural accounts and doctrines can be found within the pages of *Days of the Living Christ* **Montana Grace** Elizabeth Bradshaw, 2023-01-03 One moment in time can turn your world upside down The right person can alter the course of life And sometimes the first leads you to the second Montana Grace Jensen spent her childhood trapped in the dark world of human trafficking Rescued at twelve she waded through deep emotional trauma to find her inner healing Embracing new life and now in her 20s Montana's heart brought her back into the world of human trafficking this time with a passion for helping others escape the horrors she endured Greg Blakely an innocent and promising young actor comes face to face with the darker side of Hollywood A side few know about and even fewer survive unscathed In his journey for survival Greg shines a light on the sinister underbelly of society those who are supposed to protect us and the unimaginable connection between Hollywood and Washington D C Old wounds reopen as Montana takes on Greg's case and discovers new truths about her past Facing the darkness once again she wonders if the truth really sets you free **Christianity** Keith Ward, 2012-12-01 The only introduction to Christianity which systematically compares its many different faces From original sin to eternal life the function of prayer to the role of the church renowned theologian Keith Ward offers a comprehensive survey of the diversity of Christian thinking in this introduction to the world's largest faith By presenting three different interpretations for over fifteen key doctrines he invites anyone interested in the contemporary spiritual landscape to consider the Christian faith from a new and refreshing perspective **That You Might Believe - Study on the Gospel of John** Robert L. Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20:31 For Christians the Gospel of John is a source of much truth about our Lord

and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29

When Helping Hurts Steve Corbett, Brian Fikkert, 2009-06-24 Churches and individual Christians typically have faulty assumptions about the causes of poverty resulting in the use of strategies that do considerable harm to poor people and themselves When Helping Hurts provides foundational concepts clearly articulated general principles and relevant applications The result is an effective and holistic ministry to the poor not a truncated gospel A situation is assessed for whether relief rehabilitation or development is the best response to a situation Efforts are characterized by an asset based approach rather than a needs based approach Short term mission efforts are addressed and economic development strategies appropriate for North American and international contexts are presented including microenterprise development

The God Exchange Criss Cross, 2015-10-28 It is time to evaluate your current value system How do you make decisions Do you base them on cultural references you find on TV or in movies Do you ask your friends and even strangers what they recommend Do some wrong ideas become so implanted in your mind that you need a bulldozer to clear them out Can the relationship between a pet dog and its owner tell us anything about our relationship to God Author Criss Cross The God Exchange uses everyday examples to look at how God created human beings and how it impacts our decisions We make decisions every day Some are big like buying a car or major appliance changing jobs or getting married Others are smaller such as those involving what we're going to wear and eat Every decision is made based on what we like and what we perceive as having good value Cross shows how the things we value and the people whose opinions we value influence our decisions and not always in good ways Many of us leave God completely out of the decision making process When that happens there are eternal consequences As you'll read in The God Exchange some wrong decisions can be really funny and amusing others are not They are all part of life and how God designed us as humans Once you're aware of what influences your decisions you can be on your way to making better ones

Apologetics Beyond Reason James W. Sire, 2014-07-14 In this accessible and engaging work veteran apologist Jim Sire gives us eyes to see the signs all around us that point to the specific truth of God in Christ Sire focuses on the power of good literature even from those who deny the existence of God to enable us to perceive and testify to God's reality in ways that rational argument alone cannot
