*Jesus Teaches Us How to Be Wise* Sinclair Ferguson, 2004-11 Would you like to be Wise Perhaps you think you are Perhaps you think you know enough to get by and that you re pretty smart really But Jesus teaches us how to be truly wise which is a lot more than just being clever Sinclair Ferguson investigates God s word and the life of Jesus to find out what Jesus teaches about being wise Follow Jesus Carol A. Jackson, 2018-05-04 These lessons help kids know who Jesus is and then respond by following him worshipping him and telling others about him A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 3 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs **The Whole Message of the Bible in 16 Words** Chris Bruno, 2017-02-14 16 Key Words 1 Overarching Message At the heart of the Bible is one overarching message God saving his people through their promised Messiah This accessible introduction to the main point of the Bible traces the development of sixteen key themes creation covenant kingdom temple judgment and more from Genesis to Revelation showing how both the Old and New Testaments come together to declare a single unified message A concise primer to biblical theology this book helps readers trace God s unfolding plan of redemption throughout the Bible Teachings and Studies by Topic of the New Testament Miguel Moreno, 2023-01-05 When I first became a Christian and for the first twenty two years of my life with Christ I didn t know that I didn t know that I wasn t a mature Christian I was not taught how to and what it took to grow spiritually and become a spiritually mature Christian But even so I still thought that I was a mature Christian After all in all those years I had come to know and learned a lot of things about the Bible God s Word and about God I even served Him What I didn t know was that my growth was merely intellectual but not spiritual It wasn t until after twenty two years that God in His love through His Word and with the help of His Holy Spirit taught me what it really took for me to grow spiritually He taught me the things I needed to go through in order to understand what it takes to become a spiritual mature Christian as well as a true servant of God Now He is using me to share His studies in this book so He can help many Christians understand the importance and what it takes to start growing spiritually not just intellectually from the moment they believe and receive Jesus as their Savior and Lord as well as the dangers of becoming stagnant or allowing the enemy to take them to a state of conformism in their own spiritual growth According to Ephesians 4 13 15 God wants us to get all the way to the measure of the stature of the fullness of Christ that we all may grow up in all things into Him who is the head Christ So I pray that as you read and study this book with the help of the Holy Spirit and God s Word God will show you and help you understand what it takes for you to grow spiritually until you become spiritually mature and until you get to the fullness of Christ so you can
