Finding Your Voice Natalie Grant, 2016-09-13 In a culture that praises blending in over standing out productivity over purpose and noise over truth many women find their God given voice compromised quieted or even mocked We all long to live out our divinely designed passions and unique talents yet too often it becomes so much easier in the face of opposition to stay silent altogether What if God is calling you to so much more As a working mom wife artist and abolitionist Natalie Grant has struggled to live on purpose while battling the worldly demands of keeping up the appearance of perfection Emerging from her own dark spiral of suffocating inadequacy Natalie found fresh hope in the truth that God has already given women everything they need to live out their God given identity passions and calling Finding Your Voice offers the heart rallying life giving truth that a woman s voice is not an uncalled for interference to be silenced but a gift to be used for God s Kingdom purposes In voice lessons as in life a strong vocal identity requires us to first stand firm breath deep and finally go for it loud and clear With rich scriptural study and personal stories infusing every chapter Finding Your Voice reveals how to discover your own unique talent train it according to God s Word and start using it for the good of others without guilt and apology

An Incredible Boy and a Remarkable Man Ronald Stepp, 2021-11-19 In An Incredible Boy and a Remarkable Man author Ronald Stepp tells for the first time the life story of his older brother Shelby Ray Stepp It begins with Shelby s tragic physical condition at birth he had no mouth he had no hands he had no feet and his eyes were crossed The reader will follow the immediate reaction of the doctor who delivered the baby and of his parents especially his mother and their responses after a time of consultation and deliberation Then the reader will follow along chronologically with the miraculous events that took place that negated euthanasia provided a pseudo mouth for feeding but discovered a one inch tongue which precluded speech and impaired eating equipped a Godly mother to give continuous attentive care and the help of an extended family as effective as a platoon of US Special Forces The reader of An Incredible Boy and a Remarkable Man will learn how God used a

mother's love and care to raise a child who at birth was more crippled than any newborn on record who lived to adulthood. Also the reader will become excited about what the little boy that could would achieve in the world of public school and the music world with the awesome teaching of a Christian special education teacher. As an adult Shelby's speech impairment became his biggest handicap. It prevented him from getting good paying employment. But the reader will learn how a negative situation became a significant part of his inspirational life. Just as all of those of all ages who knew Shelby were inspired by his life, the reader who reads *An Incredible Boy* and *a Remarkable Man* from cover to cover will surely be inspired by how Shelby overcame obstacles in life from his early childhood to late adulthood with the grace of God.
