**Zen Judaism** Christopher L. Schilling,2021-05-04 Contemporary Judaism is transforming especially in America from a community experience to more of a do it yourself religion focused on the individual self In this book Christopher L Schilling offers a critique of this transformation Schilling discusses problematic aspects of Jewish mindfulness meditation and the relationship between Judaism and psychedelics proceeding to explore the science behind these developments and the implications they have for Judaism

**Spiritual Growth** Paul Steinberg,2018-09-30 This book began with Paul Steinberg s realization that although religions are struggling to meet the

needs and trends of our modern age spirituality is not Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts terms and expressions from many other spiritual traditions Spiritual Growth A Contemporary Jewish Approach provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real i e not dumbed down for anyone It is a work that emerged out of Rabbi Steinberg s own personal experiences pains and spiritual journey the trials and growth documented in his highly successful book Recovery the 12 Steps and Jewish Spirituality There are not a lot of works like this There are books on Jewish scholarship history and theology But books on Jewish spirituality tend usually to focus on a particular motif such as the feminine grief aging or Kabbalistic biblical interpretations Spiritual Growth A Contemporary Jewish Approach presents its message through the psycho spiritual world view of 2018 but without the language and narrative of a therapist It is an important contribution to the spiritual seeking community at large to Jews who have become alienated from their faith and to anyone interested in learning more about what a historically vibrant spirituality can bring to today s troubled world

*What Every Jew Needs to Know about God* Michael Graubart Levin,1997

Ninety two percent of American Jews have a sporadic relationship to Judaism at best When attending synagogue as

infrequently as possible they feel as Michael Levin puts it bored shnorred and ignored What Every Jew Needs to Know About God is addressed to those people and attempts to provide at least the beginnings of an answer to those questions which most American Jews feel have not been adequately treated by the organized religious Jewish community As Levin puts it my suspicion is that a lot of Jews wish they had a deeper understanding not of how to celebrate this holiday or how to observe this particular custom I think a lot of Jews are curious about God And so Levin in his exposition keeps God at the center of his attention and in particular the individual s need for a relationship with his or her Creator from a Jewish perspective BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Holiness in Words* Edward K.
