MICHAEL GOLDBERG

Jews And Christians Getting Our Stories Straight

Stephen E. Fowl, L. Gregory Jones

Jews And Christians Getting Our Stories Straight:

Jews and Christians Michael Goldberg, 2001-10-05 This fascinating volume offers bold new insights into what it means to be a Christian or a Jew We are Christians or Jews Michael Goldberg maintains not principally because we embrace different creeds but because we have gained an understanding of the world from one of two distinct master stories for Jews the Exodus for Christians the life death and resurrection of Jesus The author demonstrates what each master story ultimately reveals about who God is what humanity is and how humanity should therefore act in God's world [Jews and Christians, Getting Our Stories Straight](#) ,1991 [Jews and Christians Together](#) Christian van Gorder, Gordon Fuller, 2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions *Jews and Christians Together* delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti-Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism so that we can explore healthy Jewish-Christian dialogue and gain a shared and constructive mutual respect **Reading In Communion** Stephen E. Fowl, L. Gregory Jones, 1998-06-16 embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% **The Oxford Handbook of Jewish Ethics and Morality** Elliot N. Dorff, Jonathan K. Crane, 2016-01-23 For thousands of years the Jewish tradition has been a source of moral guidance for Jews and non-Jews alike As the essays in this volume show the theologians and practitioners of Judaism have a long history of wrestling with moral questions responding to them in an open argumentative mode that reveals the strengths and weaknesses of all sides of a question The Jewish tradition also offers guidance for moral conduct by individuals communities and countries and shows how to motivate people to do the good and right thing The Oxford Handbook of Jewish Ethics and Morality is a collection of original essays addressing these topics historical and contemporary as well as philosophical and practical by leading scholars from around the world The first section of the volume describes the history of the Jewish tradition's moral thought from the Bible to contemporary Jewish approaches The second part includes chapters on specific fields in ethics including the ethics of medicine business sex speech politics war and the environment *Confessing Christ in a Post-Holocaust World* Henry F. Knight, 2006-05-01 Proposes a new model of Christian faithfulness in a post-Holocaust world [Beyond Theodicy](#) Sarah K.

Pinnock,2002-09-26 Explores the work of post Holocaust Jewish and Christian thinkers who reject theodicy arguments explaining why a loving God can permit evil and suffering in the world *Love Your Neighbor and Yourself* Elliot N. Dorff,2006-02-15 In this topically relevant book on modern ethical issues Dorff focuses on personal ethics Judaism's distinctive way of understanding human nature our role in life and what we should strive to be both as individuals and as members of a community Dorff addresses specific moral issues that affect our personal lives privacy particularly at work as it is affected by the Internet and other modern technologies sex in and outside of marriage family matters such as adoption surrogate motherhood stepfamilies divorce parenting and family violence homosexuality justice mercy and forgiveness and charitable acts and social action Now and Then James W. Aageson,2023-08-29 The essays excerpts homilies and personal reflections in this collection have all been published previously publicly presented or both These selections however are not merely being republished but rather recontextualized and resituated with the expectation that they will become more than the sum of their individual parts that they will be mutually informing In most cases a period of time has elapsed since they were first written or spoken and that has given time with the help of reflective memory to think about how these various selections might relate to each other and to the larger body of James W Aageson's professional work as a teacher and scholar These relationships and connections in most cases have only become apparent in retrospect as Aageson has been able to see the larger mosaic of his own work and thinking In some cases he has changed his mind In other cases Aageson's thinking has only been reinforced and expanded But are there conceptual threads that run through the selections in each of the book's three sections Indeed there are For these reasons Aageson is presenting them together here to a new set of readers

Jewish Scholarship on the Resurrection of Jesus David Mishkin,2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed Jesus has been reclaimed as a fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship *An Introduction to Jewish Ethics* Louis Newman,2019-10-16 For courses in Religion Judaism and Ethics This text offers an overview of the Jewish ethical tradition as it has evolved from biblical times to the present Provides an overview of the central beliefs of classical Judaism and the ways in which these frame traditional Jewish approaches to issues in ethics both theoretical and practical

Choosing Hope David Arnow,2022-03 The first book to plumb the depths of Judaism's abundant reservoir of hope Choosing Hope journeys from biblical times to our day to explore nine fundamental sources of hope in Judaism **Theology and Narrative** Michael Goldberg,2001-10-05 Is the use of narrative as a method of doing theology justified This volume one of the first critical analyses of the subject makes a strong case for such theology Michael Goldberg explores the notion that

all convictions are founded in some narrative and looks at the theological implications of biography and autobiography He does so by considering the works of Carol P Christ James H Cone Joseph Fletcher James Wm McClendon Jr James W Fowler Will D Campbell Elie Wiesel H Richard Niebuhr Hans W Frei Irving Greenberg and others After carefully examining the meaning truth and rationality of narrative theology Goldberg summarizes its validity and describes ways that narrative might be used for theology in the future

A Jewish Appraisal of Dialogue G. David Schwartz,1994 This book is a collection of essays which investigate the current status of dialogue between Jews and Christians The author argues that Jews have been reluctant to engage in any but the most cursitory conversations with Christians but that there are positive reasonings for going further A Jewish Appraisal of Dialogu argues that a certain attitude is necessary for coherant relations Contents Preface Acknowledgments On the Reluctance of Jews to Discuss Religious Truths Why Jews Ought to Engage in Dialogue Expositions From the Lord s Table Typology and Midrash Jewish Christian Relations and the Thought of Samuel Sandmel Confrontation or Conversation Models for Jewish Christian Dialogue Jews and Catholics Discussing Bible and Jesus Two Popular Jewish Interpretations of Jesus is There a Jewish Reclamation of Jesus Rosenzweigian Mediations on Paganism Anti Judaism the Holocaust and Rejudaization of the Church Noahide Laws Christian Covenants and Jewish Expectations A Note on the Friends of Israel and the Jews Scratch a Goy

The Galilean Jewishness of Jesus Bernard J. Lee,1988 A theology of how Christianity and Judaism can be separate but linked by their roots in Scripture presents a thorough study of Jesus as teacher seen from a Jewish perspective

Way of Blessing Way of Life Clark M. Williamson,1999 **The Crucifixion** Fleming Rutledge,2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus s recapitulation model

Opening the Covenant Michael S. Kogan,2008 Michael Kogan delves deeply into the theologies of Christianity and Judaism to locate the precise points of difference and convergence He sees Christianity as the breaking open of the original Covenant to include gentile peoples God has brought this about Kogan argues through Jesus and his interpreters *Why Narrative?* Stanley Hauerwas,L. Gregory Jones,1997-10-28 Narrative Theology is still with us to the delight of some and to the chagrin of others Why Narrative is in reprint because it represents what is still a very important question This diverse collection of essays on narrative theology has proven very useful in university and seminary theology classes It is also of great use as a primer for the educated layperson or church study group Jones and Hauerwas have done an excellent job of selecting representative essays that deal with appeals to narrative in areas such as personal identity and human action biblical hermeneutics epistemology and theological and ethical method

The Oxford Handbook of Religious

Perspectives on Reproductive Ethics Davis, 2023 As I write this introduction the third season of the Israeli series Schtisel has arrived on Netflix eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem One episode focuses on Ruchami and Hanina a young couple who have been married for five years but without children It turns out that pregnancy and childbirth would threaten Ruchami's life She is using an IUD but she keeps threatening to have it removed risking her life to become a mother Finally with great reluctance Hanina visits the rebbe the spiritual authority in their community to discuss the possibility of using a surrogate They are says the rebbe caught between two non ideal situations surrogacy normally forbidden is non ideal but so is Ruchami's unhappiness and the possibility that she might go ahead and take the risk which is also forbidden

Getting the books **Jews And Christians Getting Our Stories Straight** now is not type of challenging means.
