## **Jesus, Gnosis and Dogma** Riemer Roukema, 2010-02-18

In Jesus Gnosis and Dogma Roukema investigates and assesses the various views of Jesus in early Christianity basing his approach on a distinction between historical and theological statements about Jesus. Historical statements can be arrived at through a critical study of the earliest records although Roukema recognizes that scholars differ widely here. Theological statements about Jesus are to do with what has been and is believed about him. Roukema demonstrates that Gnostic traditions about Jesus mostly derive from the earlier traditions preserved in the New Testament writings and do not give a more accurate view of the historical Jesus. He shows that the view of Jesus as the divine Lord Yahweh and Son of God is inspired by an early Jewish pattern that was exploited by the very first Christians. In spite of some later dogmatic precisions there is more continuity between the New Testament picture of Jesus and the Nicene creed than between the historical Jesus and the Jesus of early Gnosticism. Even the essence of the Trinitarian dogma appears to have Jewish roots.

**Boundaries of Monotheism** Anne-Marie Korte,Maaike De Haardt,2009 What is the significance of monotheism in modern western culture taking into account both its problematic and promising aspects Biblical texts and the biblical faith traditions bear a continuous polemical tension between exclusive and inclusive perceptions and interpretations of monotheism Western monotheism proves itself to be multi significant and heterogeneous producing boundary setting as well as boundary crossing tendencies is the common thesis of the authors of this book who have been collectively debating this theme for two years in an interdisciplinary scholarly setting Their contributions range from the fields of biblical and religious studies history and philosophy of religion systematic theology to gender studies in theology and religion The authors also explain the particular contribution of their own theological discipline to these debates

### Jesus as Guru

Jan Peter Schouten,2008 People in India form images of Jesus Christ that link up with their own culture Hindus have given Jesus a place among the teachers and gods of their own religion seeing in his life something of the wisdom and mysticism that is so central to Hinduism Christians in India also make use of the concepts provided by Hinduism when they wish to express the meaning of Christ Thus in any case Jesus is for Hindus and Christians a guru a teacher of wisdom who speaks with divine authority But for many Hindu philosophers and Christian theologians there is much more that can be said about him within the Indian framework He can be described as an avatara a divine descent or linked to the Brahman the all encompassing Reality This study looks at both Hindu and Christian views of Christ starting with that of the Hindu reformer Rammohan Roy at the beginning of the nineteenth century as well as those of the first Christian theologians of India The views of Mahatma Gandhi and the monks of

the Ramakrishna Mission are discussed and those of influential Christian schools such as the Ashram movement and dalit theology Five intermezzos indicate how artists in India portray Jesus Christ      **A Quest for Hope - Searching for Ways out of Postmodernism into New Reality** Jan Chr. Vaessen,2009      *Being in Christ* Hans Burger,2009-01-01 Being in Christ is a central theme in the message of the gospel It is central for understanding the relation of Christian believers and the church with Jesus Christ their Lord It determines the identity of a Christian It is helpful for understanding the presence of Christ and his salvation in the present It can be developed as an element of a theological ontology Finally it is a theme with a great integrating power In this book the theme being in Christ is analyzed in different perspectives The attention is focused on the reality of being in Christ its ontological implications First two representatives of the Reformed tradition are investigated the English Puritan John Owen and the Dutch Neo Calvinist Herman Bavinck Second a reconstruction of the Pauline and Johannine perspectives on being in Christ is provided Third the theme is examined in the work of the English ethicist Oliver O Donovan and the German Swiss theologian Ingolf U Dalferth In the final chapter the author gives his own systematic theological proposal of a concept of being in Christ      Kierkegaard Bibliography Peter Šajda,Jon Bartley Stewart,2016 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies Provided by publisher      *van Schaik, Beeld Jezus Christus ,2002*      *Engel naast God* André Troost,2012-04-03 Dit boek is het vervolg op Dat koninkrijk van U en daarmee opnieuw een spannend theologisch boek over een van de kernthema s uit het christelijk geloof In dit boek wordt een antwoord gezocht op de vraag wie Jezus is God zelf De theologen die kanttekeningen maakten bij de Statenbijbel zagen in de engel des Heren niemand minder dan Christus Op zoek naar de ware aard van Christus bespreekt de auteur in dit boek de vele uitspraken van en over Jezus in het Nieuwe Testament Als Jezus werkelijk de engel des Heren is heeft de christelijke kerk dan niet eeuwenlang joden en later ook moslims ten onrechte ervan beschuldigd kritiek te hebben op de Drie eenheid Deze en andere vragen komen indringend aan de orde in dit boek Engel naast God is het vervolg op de discussie die de auteur is gestart in Dat koninkrijk van U In een apart hoofdstuk gaat hij in op de opmerkingen die gemaakt zijn naar aanleiding van dit boek      **Christelijke dogmatiek C.**
