The Young Entrepreneur's Guide to Life Steven Wolf, 2011-11-29 **The Money Guide For Young Entrepreneurs** Dana Jewel Harris, 2019-06-10 The Money Guide For Young Entrepreneurs: An interactive activity guide to help young innovators build their business. The Money Guide for Young Entrepreneurs was created by Dana Jewel Harris, Executive Director of The NEXT Steps Youth Entrepreneur Program. Her goal for the past ten years has been to help students learn the value of their STEAM skills before they graduate high school or enter a postsecondary program of study: college, the military, the workforce, or start their own business. The Money Guide for Young Entrepreneurs engages students in skill-building activities that address socio-economic conditions within their community. The Money Guide for Young Entrepreneurs serves as a great supplemental pre-apprenticeship or internship curriculum for STEAM education and workforce development programs. Its micro-credentialing system creates long-term sustainable community service projects and flexible blended learning employment opportunities that are ideal for candidates that wish to strengthen their knowledge and skills in audio engineering, a v technology, film, digital media, gaming, business management, project management, financial literacy, blockchain technology, entertainment, and entrepreneurship.
