## Joe Hill The Fireman:

**The Fireman** Joe Hill, 2016-05-17 This exceptional new thriller from Joe Hill is essential reading for 2015 and perfect for fans of Justin Cronin's *The Passage*. In a world overtaken by a deadly and dramatic new virus, Harper is determined to live long enough to deliver her baby. But when all it takes is a spark to start a deadly blaze, she's going to need some help from the mysterious fireman.

*The Fireman* Joe Hill, 2017-05-04 Nobody knew where the virus came from. FOX News said it had been set loose by ISIS using spores that had been invented by the Russians in the 1980s. MSNBC said sources indicated it might've been created by engineers at Halliburton and stolen by culty Christian types fixated on the Book of Revelation. CNN reported both sides. And while every TV station debated the cause, the world burnt. Pregnant school nurse HARPER GRAYSON has seen lots of people burn on TV, but the first person she saw burn for real was in the playground behind her school. But when she realises she has become infected, she is determined to find a way to survive at least long enough to see her child born. No matter what is left of the world for them to live in. With the epic scope of *THE PASSAGE* and the emotional impact of *THE ROAD*, this is one woman's story of survival at the end of the world.

MSNBC said sources indicated it might've been created by engineers at Halliburton and stolen by culty Christian types fixated on the Book of Revelation. CNN reported both sides. The Fireman was an epic tale populated with characters you love and hate, highlighting what's both good and bad in society today. Somehow, though, I came out of the experience with a sense of hope and also a sense of excitement regarding what Joe Hill will do next. Goodreads reviewer: This is a perfect book. Goodreads reviewer: This book was out of this world. AMAZING. Goodreads reviewer: There aren't enough stars in the Goodreads rating system for this one. What a great book. Goodreads reviewer: Pitch perfect and full of wit and wisdom. The Fireman is quite simply brilliant. Goodreads reviewer: And Joe Hill does it again. This book is absolutely freaking mind-blowingly AMAZING. I haven't devoured a book like I did this one for a LONG time. Goodreads reviewer.
