Curating Church Jacob Daniel Myers, 2018-10-02 If we are willing to shift our approach to church we will better connect with increasingly heterogeneous cultures This shifting requires curation Church leaders must learn to be curators Churches in modernity were set up to facilitate a particular kind of experience with God Church was its own protected culture In the wake of postmodernity facilitated by new forms of digital communication we are

entering a new epoch in the history of the church Curators manage the tasks of connection preservation and transformation in their care for cultural artifacts and communities When someone serves as a curator they make connections between different elements in the culture preserving the best of cultural traditions and promoting fresh ways of thinking and being in the world What might this work of curation mean for us In *Curating Church* readers learn how curation can reorient and sharpen the ways and work of the church Curation can inform how we connect with cultures beyond the church preserve what is best in the rich history of Christian thought and expression and nurture spaces where contemporary persons may be transformed by the gospel This book helps readers to understand with new richness the church and the world and it equips them to become active in making those connections as curators with and for others *Faith in America* Charles H.

and was not They were quite sure of themselves and anxious to impart this wisdom to me But because I had a mind and heart of my own this put me on the outside looking in for much of my life We all come to a place where we realize we must make our minds up as to what we will and will not do how we will think and who we will be As I have encountered them and their God gods I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2 part book *Hope for Today Bible* Joel Osteen,2013-08-27 God s Word is Truth It is the very character and essence of God in written form As you study the Scriptures with an alert mind and a receptive heart you will be strengthened empowered and filled with the hope that comes through a loving and growing relationship with Jesus Christ We are who the Bible says we are we can have what it says we can have and we can do all that it promises we can do This is the heart of the message that Joel and Victoria Osteen share every week with an audience of millions around the world via television the internet and worship events Their practical uplifting message of hope found in Christ has changed the lives of individuals impacted families and literally transformed communities They place an incredible value on the principles of the Bible which have a miraculous life changing impact on anyone who is willing to study and obey its truths The Hope for Today Bible is filled with insights notes and encouragements from Joel and Victoria designed to help you grow deeper in your walk with God It also includes specific verses that you can pray over your relationships your children your finances and your health In addition HopePoints are key words and supporting scriptures related to topics such as favor forgiveness anger depression loneliness self control and many more This Bible is presented in the New Living Translation which combines phenomenal scholarship and textual accuracy with clear easy to understand contemporary language The Bible will come alive and become clear like never before
