**The Elephant In The Bed; What's Blocking Your Sex Life?** Johanna Sparrow, 2014-06-22 Most if not all of my friends have heard of the old saying about the elephant in the room or even the pink elephant or white elephant in the room But did you know that they are all addressing a problem that no one wants to acknowledge not even you In relationships the elephant in the room seems to be out of control So what do you do when the elephant leaves the room and climbs into your bed I can surely tell you that when I had an elephant in my bed it was awkward as hell and my sex life was nonexistent No matter what size bed you have you will never have enough room to fit you and your significant other in comfortably This book will help you to recognize what's blocking your sex life and affecting your relationship as a whole Now that you've got your eyes on the elephant in your bed I want you to walk its big ass right out your front door and out of your life forever *Sabotage*

Johanna Sparrow, 2014-12-14 I don't know how many times I have witnessed many of my friends and family members involved in happy loving and committed relationships sad and alone the next day What could have happened Who was to blame for the relationship not working out What's even more confusing is being introduced to someone new days later I know you are thinking it's none of my business why this is happening Now don't get me wrong I understand sometimes things don't work out for whatever reason you just have to move on For many of my family and friends this was happening on a regular basis I wasn't sure why this was happening to the people I loved around me but I was going to find out What I learned I tell you shocked the pants off of me my friends and loved ones had commitment phobia To make it worse many of them did not believe in going to counseling and sharing their feelings with someone they did not know I wanted to help them deal with their fears of rejection commitment trust issues and many other issues that caused them to pull away from love Once more I wanted them to see that love was not death but their way of thinking is what killed their relationships My intentions are to teach you how to deal with your commitment phobia so you can win at love **Don't Tell the Milkman If you Don't Want Him Tell Tell The World**

Johanna Sparrow, 2014-05-06 People will do whatever they can to bully you into doing what they want you to do including exclude you from others you know tell your most trusted secret lie and even spread rumors from one person to another all in an effort to hurt you We are all familiar with the milkman characters from decades back He came to your door with fresh bottles of cold milk but that wasn't all that he carried with him His day consisted of going from house to house with a wealth of secrets rumors and lies he picked up during his daily rounds He was just like people you know who go around and talk behind your back all to make you look bad and feel humiliated by saying The milkman said you did You may be asking What did I do to deserve this The answer is nothing You did nothing to deserve this treatment Some folks are just not happy so they use a tactic called relational aggression to gain control over others If you are not sure who these folks are around you every day this book will help you to identify who and where they are in your life and how to stop them by using positive tactics Don't Tell the Milkman If You Don't Want Him to Tell the World is a book that focuses on rumors

secrets lies and gossip spread by people you know and don't know in aggressive and non aggressive manners I just like you have had my fair share of dealings with the milkman      Bruised Hearts Johanna Sparrow,2015-04-18 Tell me what you've gone through and I'm sure I can tell you why you are having certain struggles and pains in your life today Tell me the worst you've had to experience and I will tell you why you're still not over it Life tragedies not only leave scars that last a lifetime but a bruised heart in its aftermath Although many if not all of life's bruises have healed on the outer surface of your body they are not gone They have all settled deep within your heart's core issuing blow after blow leading one to experience loss heartbreak grief humiliation rejection tragedy and pain that's never ending upon a heart that's badly bruised Your untimely outburst is a testament to the bruised heart you carry that has yet to heal Are you tired of hurting and forgetting Are you ready to get to the bottom of why past pains come back Bruised Heart is the reason but it does not have to be True healing takes place from the inside out starting with one's heart I've dealt with my share of life bruises and have overcome them all Now if I can heal my bruised heart so can you      Rcode Johanna Sparrow,2015-06-21 The thought of male on male rape for many is a reality they would rather you not know about Their silence and secrecy is heavily guarded while wrapped and hidden in plain sight through addictions troubled relationships sexual confusion even sexual assault What many never face is that being raped by another man was never their fault What would society say to a man who's suffered rape at the hands of another man For starters men are seen as protectors and as one father I know told his son Men don't get raped But they do anyone can become a victim at anytime in life and it's this confusion men carry deep inside along with the sexual trauma of being taken by another man that is a discussion that's long over due Besides the pain they feel from the assault they also feel ashamed because they did nothing to stop it other than freeze up The truth is men who are raped are not expecting such a horrific thing to happen to them no different than it happening to women or children but society expects a male to be able to stop it and when they don't they become haunted by their own sexuality The only way to stop the continuation of male on male rape is to break the silence that's trapped its victims for too long Once this is done I assure you that the healing process is not far away      The Advanced Register Year Book of the Holstein-Friesian Association of America Holstein-Friesian Association of America,1929      *The Advanced Register of the Holstein-Friesian Association of America* ,1929      Folk Religion of the Pennsylvania Dutch Richard L.T.
