*Johannes Cabal and the Blustery Day* Jonathan L. Howard, 2013 Johannes Cabal has faced down the undead ghosts monsters and Satan himself But before all that he fought the terrifying Bonewind a supernatural being that devours life itself and he did it all without leaving his house Johannes Cabal and the Blustery Day was the story that first introduced the necromancer of some little infamy back in 2004 Long out of print it makes its belated return on Halloween of course

**Johannes Cabal** Jonathan L. Howard, 2025-09-23 A Darkly Gripping Comic Fantasy Beyond the wall of sleep lies the Dreamlands a world formed by dreams but not a dream itself For countless millennia it has been explored only by those with a certain detachment from mundane reality its strange seas navigated and its vast mountains climbed by philosophers mystics and poets Well those halcyon days are over beatniks Johannes Cabal is coming Cabal a necromancer of some little infamy is employed by the mysterious Fear Institute to lead an expedition into the Dreamlands an expedition to hunt and destroy the dread Phobic Animus the font of terrors the very source of all the world's fear They will enter exotic lands where magic is common and monsters abound Cabal will encounter witches vile abominations and far too many zebras And when they finally come close to their goal Cabal will have to face his own nightmares But for a man who communes easily with devils and the dead surely there is nothing left to fear

**Katya's War** Jonathan L. Howard, 2013-11-05 The battle lines have been drawn The people of Russalka turn upon one another in a ruthless and unwavering civil war even while their world sickens and the deep black ocean is stained red with their blood As the young civilisation weakens its vitality fuelling the opposing militaries at the cost of all else the war drums beat louder and louder Katya Kuriakova knows it cannot last Both sides are exhausted it can only be a matter of days or weeks before they finally call a truce and negotiate But the days and weeks pass the death toll mounts and still the enemy will not talk Then a figure from the tainted past returns to make her an offer she cannot lightly refuse a plan to stop the war But to do it she will have to turn her back on everything she has believed in everything she has ever fought for to make sacrifices greater even than laying down her own life To save Russalka she must become its greatest enemy
