The Fall of the House of Cabal Jonathan L. Howard, 2025-08-22 Johannes Cabal a necromancer of some little infamy has come into possession of a vital clue that may lead him to his ultimate goal a cure for death The path is vague however and certainly treacherous as it takes him into strange territories that quite literally no one has ever seen before The task is too dangerous to venture upon alone so he must seek assistance comrades for the coming travails So assisted ably and otherwise by his vampiric brother Horst and by the kindly accompaniment of a criminologist and a devil he will encounter ruins and diableries mystery and murder the depths of the lowest pit and a city of

horrors London to be exact Yet even though Cabal has risked such peril believing he understands the dangers he faces he is still underestimating them He is walking into a trap of such arcane complexity that even the one who drew him there has no idea of its true terrors As the snare closes slowly and subtly around them it may be that there will be no survivors at all The Fall of the House of Cabal is the fifth book in Jonathan L Howard s acclaimed Johannes Cabal series *Johannes Cabal* Jonathan L.
