of God's word **Discourse on the State and Grandeurs of Jesus** Pierre de Bérulle, 2023-11-30 Pierre de Bérulle 1575-1629 is one of the foremost personalities of early modern Catholicism. As the founder of the French school of spirituality, he has exercised a profound influence on the Church from the seventeenth century to the present day. Until now, however, very little of Bérulle's writings have been available in English. This volume provides the first complete English translation of his best-known work, first printed in Paris in 1623 and titled *Discourses on the State and Grandeurs of Jesus by the Ineffable Union of the Deity with Humanity and the Submission and Servitude that Is Due Him and His Most Holy Mother in Response to This Wondrous State*. Composed in his maturity, this work expresses Bérulle's theology of the Man-God whose self-emptying has enabled us to become capable of God. In contrast to other spiritual writers who taught that mystical union with God follows the extinction of all sensory and conceptual awareness and all activity of willing, Bérulle's focus is on the faithful soul's participation in what he calls Jesus' states or inner dispositions. The state that Bérulle describes and honors supremely in this text is Jesus' state of self-emptying in the mystery of the Incarnation. In the hypostatic union, our humanity in Christ is lifted up to heaven and Christ is the first fruit of humanity made divine, the firstborn among many brothers. Through him, we become children of God by adoption, participants in God's divine being. This is an outstanding translation conveying not only the meaning but also the beauty and rhetorical features of the original. The *Discourses* will repay reading as a poignant source of personal devotion, a primary text of the Catholic Reformation, and a classic of spiritual theology. **Divine Ecosystem** Christy Randazzo, 2025-10-14 Randazzo's theological narrative of liberal Quakerism creates clarity and structure without compromising the capacious breadth and depth of this distinctive tradition. Using the metaphors of an ecosystem, Randazzo helps readers understand the richness of Quaker theology while offering space for the myriad ways Friends experience the sacred. **Atonement, Justice, and Peace** Darrin W. Snyder Belousek, 2012 In this substantial study, Darrin W. Snyder Belousek offers a comprehensive and critical examination of penal substitution, the most widely accepted evangelical Protestant theory of atonement, and presents a biblically grounded, theologically orthodox alternative. Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship, Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice. He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice, capital punishment, the war on terror, and ethnic and religious conflicts. Thorough and clearly structured, this book demonstrates how a return to biblical cruciformity can radically transform Christian mission, social justice, and peacemaking. **Loving Our Enemies Through Seasons of Bitterness** Lex Kohn, 2025-06-30 In a nation crumbling under the weight of bitterness, where government is the people's god, the way through is neither legislation nor activism, but loving the least loveable. A study of internet influence, conflict theory, and nineteenth-century wisdom reveals that people do not have to solve their disagreements if they can relearn how to love their enemies as Christ commanded. This book highlights courageous men and women of faith from biblical times up through the

present who obeyed this commandment the Scriptures they followed and how they managed it so that people today too might learn to substitute love instead of bitterness **The Twelve Prophets** Alberto Ferreiro, Thomas C. Oden, 2014-02-19 The church fathers mined the Old Testament throughout for prophetic utterances regarding the Messiah but few books yielded as much messianic ore as the Twelve Prophets sometimes known as the Minor Prophets In this rich and vital ACCS volume you will find excerpts some translated here into English for the first time from more than thirty church fathers **Psalms 51-150** Quentin F. Wesselschmidt, Thomas C. Oden, 2014-02-19 The Psalms have long served a vital role in the individual and corporate lives of Christians The church fathers employed the Psalms widely as hymns Scripture readings counsel on morals forms for prayer and in the great doctrinal controversies In this ACCS volume readers will find rich comment and theological reflection from more than sixty five ancient authors **Jeremiah, Lamentations** Dean O. Wenthe, Thomas C. Oden, 2014-02-19 Among the apostolic fathers Jeremiah was rarely cited but several later authors give prominent attention to him The fathers associated Lamentations with losses and death and saw the book as a description of the challenges that face Christians in a fallen world In this ACCS volume readers will gain insight and encouragement in the life of faith as seen through ancient pastoral eyes **Matthew 14-28** Manlio Simonetti, Thomas C. Oden, 2014-02-19 The Gospel of Matthew stands out as a favorite biblical text among patristic commentators including Origen Hilary of Poitiers Jerome Theodore of Heraclea Cyril of Alexandria John Chrysostom Augustine and more In this ACCS volume the rich abundance of patristic comment provides a feast of ancient interpretation of the First Gospel **Ezekiel, Daniel** Kenneth Stevenson, Michael Glerup, Thomas C. Oden, 2014-02-19 The books of Ezekiel and Daniel are rich in imagery that is taken up afresh in the New Testament It is no wonder these books despite the difficulties in interpreting them took hold on the imagination of the early church In this ACCS volume over forty church fathers are cited and four extant works are included providing a wealth of insight **Apocrypha** Sever Voicu, Thomas C. Oden, 2014-02-19 While the canonical status of the Apocrypha has been understood differently within Protestant Roman Catholic and Orthodox traditions their longstanding use within the Christian churches makes them worthy of careful study and reflection This ACCS volume presents a worthy feast of patristic comment on these ancient and important texts **Genesis 12-50** Mark Sheridan, Thomas C. Oden, 2014-02-19 Genesis 12 50 recounts the history of the patriarchs Abraham Isaac Jacob and Joseph and the early fathers used these passages to draw out the spiritual significance of the patriarchal narrative for Christian believers In this ACCS volume ancient commentators provide a wealth of ancient wisdom to stimulate the mind and nourish the soul of the church today **Revelation** William C. Weinrich, Thomas C. Oden, 2014-02-19 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation
