The Press Gang Godfrey Cheshire, Matt Zoller Seitz, Armond White, 2020-09-29 A dialogue about cinema's legacy and best directors through essays by three of the best long form critics out there collected from the legendary NYPress for the first time Comprising of the kind of long form criticism that is all too rare these days the weekly film columns in the NYPress included polemics reviews interviews festival reports and features A far cry from what is often derisively termed the consumer report mode of criticism Cheshire Seitz and White were passionately engaged with the film culture of both their own time and what had come before They constituted three distinctly different voices equally accomplished yet notably individual perspectives on cinema Their distinctive tastes and approaches were often positioned in direct dialogue with each other a constant critical conversation that frequently saw each writer directly challenging his colleagues Dialogue is important in criticism and here you can find a healthy example of it existing under one proverbial roof This three way dialogue between Cheshire Seitz and White assesses the 1990s in cinema along with pieces on New York's vibrant repertory scene that allow us to read the authors' takes on directors such as Hitchcock Lean Kubrick Welles Fassbinder and Bresson as well as topics such as the legacy of Star Wars film noir early film projection in New York City the New York Film Critics Circle Sundance the terrorist attacks of 9 11 and the emerging cinema of Iran and Taiwan **Ancient Greece, Modern**

Psyche Virginia Beane Rutter, Thomas Singer, 2015-04-10 Between ancient Greece and modern psyche lies a divide of not only three thousand years but two cultures that are worlds apart in art technology economics and the accelerating flood of historical events This unique collection of essays from an international selection of contributors offers compelling evidence for the natural connection and relevance of ancient myth to contemporary psyche and emerges from the second Ancient Greece Modern Psyche conference held in Santorini Greece in 2012 This volume is a powerful homecoming for those seeking a living connection between the psyche of the ancients and our modern psyche This book looks at eternal themes such as love beauty death suicide dreams ancient Greek myths the Homeric heroes and the stories of Demeter Persephone Apollo and Hermes as they connect with themes of the modern psyche The contributors propose that that the link between them lies in the underlying archetypal patterns of human behaviour emotion image thought and memory Ancient Greece Modern Psyche Archetypes Evolving makes clear that an essential part of deciphering our dilemmas resides in a familiarity with Western civilization s oldest stories about our origins our suffering and the meaning or meaninglessness in life It will be of great interest to Jungian psychotherapists academics and students as well as scholars of classics and mythology The Publishers Weekly ,1898 Publishers' Weekly ,1898 **The Literary World** ,1898 **Listener and BBC Television Review** ,1982

The New Yorker ,2007 **Harness Horse** ,1979 *Love Is a Battlefield* Vivian Arend, Elle Kennedy, 2014-09-26 He s ready to admit she s all grown up After two tours of duty former Army Ranger Jack Hunter is back in the US working to keep DreamMakers a brilliant success Now that his best friend s little sister is home from college it s time to retire his hands off policy and take action He wants Pepper Wilson in his bed but seducing the feisty redhead could be dangerous for more than one reason She s ready to push all his buttons Pepper is tired of being bossed around by everyone in her life especially arrogant annoying overbearing Jack Hunter While she can t deny the man is out of this world gorgeous his alpha routine is getting old His steely determination proves a match for her own though and the attraction simmering between them ignites into fiery passion But can their wild sexual exploration turn into more without someone getting burned **Rock-Musiker** K. D. Tilch, 1988 **Can't Take My Eyes Off of You** Jack Lechner, 2000 Man on Upper West Side Attempts Foolhardy Stunt Read All About It In the tradition of Charles Sopkin s classic book on the state of television in the 1960s Seven Glorious Days Seven Fun Filled Nights Jack Lechner recounts what it was like to lock himself in his apartment for a week and plug in to the new multichannel universe watching twelve TVs for sixteen hours a day The obvious question is Why In the thirty three years since Sopkin s famous experiment the quaint world of three networks and a handful of independent stations has morphed into a surfable endless wave of infomercials and infotainment A E and MTV occasional brilliance like The Simpsons and The Sopranos and a vaster than ever wasteland of Jerry Springer wrestling soap operas and other mind numbing fodder The world and television have changed a lot since 1967 and a week of television immersion at the turn of the century proves to be equally revealing about the state of American popular culture now With his pet pug Cosmo s unflinching emotional support

his wife Sam's more tenuous forbearance and advice from experts who drop by a five year old for the scoop on Pokemon for instance Jack Lechner plops himself down in his New York apartment and in brave human guinea pig tradition lets everything from Meet the Press to Xena Warrior Princess from beach volleyball to Bob Dole's erectile dysfunction have its way with his impressionable psyche As the week progresses he explores the limits of the media universe watching all three network news shows simultaneously diving into the bizarre waters of public access programming and even conducting a playoff between the Disney Channel and the Playboy Channel His observations are perceptive surprising and dead on By week's end Lechner emerges bloody but unbowed thankful he survived I was like the proverbial guy who banged himself over the head repeatedly with a hammer because it felt so good when he stopped Watching a week of television isn't a mental health regimen I'd recommend to everyone but it worked for me This book is his lab report hilarious and a little bit scary a trenchant comment on our media soaked society
