**Love of the Gladiator** Lydia Pax,2015-10-06 She has to trust him to love him but not to want him Gwenn's life has been marked by fury and rebellion and she has the scars to prove it As a slave each new owner she's had has only made her fight more But when she is bought by a gladiator training school she finally finds something to fight for glory in the arena where everyday people are made immortal The gladiators at the school think her presence there is a joke That includes her trainer Lucius This cocky arena veteran has a body molded from marble and his arrogant persona lights her mind on fire Every glance from him sends wet heat through her body Their chemistry is instant and soon both ache to join each other in a battle that would tear down any bedroom But Lucius's past places a series of obstacles in their way None are more terrible than the bloody secret he holds that would destroy any hope he has for Gwenn's affection As desperate as she is to be close to him he only pushes her further away And when the truth is spilled in a thrilling violent climax Gwenn must decide between her unstoppable attraction or her desire for victory Gwenn was born a warrior But it's only in the arena that she will know if she wants the love of a gladiator

**Heart of the Gladiator** Lydia Pax,2015-10-06 His love is rough but it cannot be tamed or denied Aeliana hates gladiators They're crude violent arrogant and will toss the skirts up of any available woman after a fight It may be her job to treat their injuries but she has no interest in being just another conquest So when the former gladiator champion Caius arrives in her life she is stricken by how immediately she falls for him He's a merciless killer in the arena not at all her type But he's also damnably handsome built like a god and turns Aeliana on like nothing she's felt before Being with a gladiator is always a bad idea Even if they're known the Empire over for the intensity of their bedchamber passions they have a lifespan about as long as a sword Aeliana's convinced that there's no way that someone who could have any woman in Rome would want to stay with her for long But his affection while rough seems completely genuine Caius's return to the arena is shrouded in mystery but the more Aeliana discovers the more she falls in love When his lifetime of violence catches up with them both Aeliana must decide whether she can afford to bare her heart to a man so effortlessly dangerous As it becomes obvious that their love shouldn't be Caius and Aeliana fight the odds like warriors in the arena Aeliana's strength will be tested again and again along with their love But it is her strength that will win the heart of a gladiator

other Barbaro's *On Celibacy* and *On the Duty of the Ambassador* offer contrasting perspectives on the wider 15th century debate about the claims of the reflective as opposed to the active life a debate that extends all the way back to Greco Roman antiquity In *On Celibacy* the young Barbaro is committed to a life that proudly renounces civic engagement in the name of self discovery and inner fulfilment Yet a different Barbaro asserts himself in *On the Duty of the Ambassador* he now presents himself as a committed public servant in a work that is ahead of its time in theorizing the nature of modern Renaissance diplomacy On a personal level these two works capture the profound dichotomy in Barbaro's life between his humanist devotion to scholarship on the one hand and on the other his call of duty to the Republic of Venice

A provocative account of Jewish encounters with the public baths of ancient Rome Public bathhouses embodied the Roman way of life from food and fashion to sculpture and sports The most popular institution of the ancient Mediterranean world the baths drew people of all backgrounds They were places suffused with nudity sex and magic *A Jew in the Roman Bathhouse* reveals how Jews navigated this space with ease and confidence engaging with Roman bath culture rather than avoiding it In this landmark interdisciplinary work of cultural history Yaron Eliav uses the Roman bathhouse as a social laboratory to reexamine how Jews interacted with Graeco Roman culture He reconstructs their thoughts feelings and beliefs about the baths and the activities that took place there documenting their pleasures as well as their anxieties and concerns Archaeologists have excavated hundreds of bathhouse facilities across the Mediterranean Graeco Roman writers mention the bathhouse frequently and rabbinic literature contains hundreds of references to the baths Eliav draws on the archaeological and literary record to offer fresh perspectives on the Jews of antiquity developing a new model for the ways smaller and often weaker groups interact with large dominant cultures A compelling and richly evocative work of scholarship *A Jew in the Roman Bathhouse* challenges us to rethink the relationship between Judaism and Graeco Roman society shedding new light on how cross cultural engagement shaped Western civilization
