**Mila (Book One)** Eileen Sheehan, 2025-04-22 The land of Doln is a realm of wonders where magic weaves through the air and ancient secrets lie hidden beneath the whispering trees Between the thriving kingdoms of Terrell and Smolic Doln flourishes It is a paradise of glistening rivers towering forests and creatures long thought to exist only in legend But none are more coveted more powerful or more magical than the unicorns For centuries Doln s rulers have upheld a dangerous lie that unicorns are extinct The creature s survival depends on secrecy for their horns hold power beyond imagination It is a power that could heal the gravely wounded prolong life or protect the world from darkness Should the greedy learn that they had not been hunted to extinction they would stop at nothing to claim the unicorns magic for themselves Princess Mila has known the truth since childhood Astra a unicorn with a mane of molten starlight and eyes that gleam with the wisdom of ages has been her beloved friend for as long as she can remember Their bond is unbreakable But when situations threaten to separate her from her unicorns Mila must choose to find a way to continue to protect the creatures she loves or risk defying her father and possibly throwing the kingdom into the shadows of war As darkness looms and ancient powers stir Mila will discover that her fate is intertwined not just with the unicorns but with an evil that will force her to come into her own Perfect for fans of lyrical fantasy deep lore and enchanting friendships Mila is an unforgettable tale of courage magic and the choices that shape a kingdom From Readers Favorite 5 star award by Christian Sia Eileen Sheehan s book reminded me of some of the compelling elements in J K Rowling s Harry Potter series She has combined the awe inspiring magic of the Harry Potter world with the dazzling beauty of the physical landscapes of The Lord of the Rings delighting fans of the genre with exciting imagery and an irresistible world The characterization is stellar and I was particularly intrigued by Mila exploring her inner world and her bond with Astra The impeccable worldbuilding plunges you into a world of magic and mystery At the same time the skillfully crafted premonitions create the suspense that keeps you turning the pages I greatly enjoyed Mila from the exquisite writing to the fully drawn characters and plot propelling conflict and I look forward to the next book in the series From Readers Favorite 5 Star award By K C Finn Author Eileen

Sheehan knows how to pack magic into every tiny detail and new surprise of this story that captures the imagination and the heart from the very first page The best way to describe this novel is wide eyed wonder as readers follow Mila with that same expression of enthusiastic discovery She s certainly a courageous heroine you ll root for all the way through Sheehan does a great job with dialogue and close personal narration to let us into Mila s struggles so that we sympathize with her plight but there s also a lot of love laughter and joy It s refreshing to read a fantasy that is so full of happy moments despite the magic and danger occurring and fans of unicorn lore and epic fantasy will find Mila utterly enchanting Some quite powerful themes build subtly and come through very strongly at the end at its heart there is a thoughtful and lyrical story about loyalty legacy and the cost of truth in a magical world Overall I would certainly recommend Mila to fans of brilliantly penned fantasy fiction
