**Love Comes in Darkness** Andrew Grey, 2013-08 After being born blind Howard fights for his freedom but helping others is second nature to Gordy and Howard may be in love      *Heart Untouched* Andrew Grey, 2018-10-09 A Hearts Entwined Novel An accident crushed Duncan s Olympic dreams and landed him in a chair but he knows it s time to get his life back on track and he has a plan in mind Working with his friend Todd an Olympic skeleton racer on a promotional campaign will not only help Duncan regain some direction but it ll give Todd the financial boost he desperately needs The sport Todd loves is draining his resources so much so that he s thinking of giving up racing just to make ends meet As the two men work together their friendship blossoms into much more and suddenly the future is looking brighter than it has in a long time But just when love happiness and success seem within their grasp the USOC steps in with plans to stop their campaign That ll mean an end not just to Duncan s business but to Todd s dreams and Duncan isn t about to let that happen to the man who means everything to him      *The Dark Side of Love* Jane Goldberg, 2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love s true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love s dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior      *I am Light. I am Dark.* Hollie Belle, 2024-08-28 Here in this book we want to dive even deeper into who you truly are What does your Soul truly want Only you can know that Because each Soul has a different purpose in truth each Soul has its own agenda And as much as you may love your family and friends each of you has your own path In fact your Soul came here to have a specific experience Therefore everything you have experienced up until this point in your life was meant to happen Furthermore your Soul carefully selected these experiences As a result it has led you here where you are now standing on a precipice Until now you were asleep Completely unaware of the miracle you are But

we are here to help you get in touch with that part of you Here you can begin having that conversation So take a deep breath in Relax Know that you are meant to be here Trust your heart From the moment you took your first breath I was here with you And when you take your last breath I will still be here In the meantime enjoy this life Knowing that when that last breath comes I will be waiting for you with open arms      *The Healing Vortex Within* Heather L.  faith and resurrection must be the reality and goal for true believers and not the fleeting things of the world The  
 Sanhedrists the church leaders of the day in their religiosity crucified their own Saviour in like manner the Christianity of  
 our day has traded God s glory for the vain things of earth All this has happened because man has not comprehended God s  
 Word due to a Breaking up Scripture into individual choicest verses unto which men exercise their intellectual abilities b thus  
 losing the spiritual meaning and sequence of each Chapter c resulting into the act of rationalizing on every verse thus  
 allowing individual preachers to curve out individual territorial ground for the followers of the same taste instead of the One  
 Church of God with each member filled with God s gift of the Spirit Here in the Epistle to the Romans we find God s solution  
 to man s rebellious ways The spiritual content of the epistle is presented instead of the rationalistic approach of our day with  
 its deceit and hypocrisy      *Love is a Fire* Llewellyn Vaughan-Lee,2001-07-15 Based on live talks and meetings with
