Book 1 Love and Lists Twenty-five year old Gavin Ellis has always had the love and support of his family ever since he was a little boy and couldn't stop talking about his penis. He's also always had their unsolicited advice and uncanny knack of embarrassing him at all costs. Now that he's an adult and trying to convince the love of his life to love him back, things haven't changed very much from when he was younger. When Gavin's best friend Tyler suggests he make a to-do list of items that will ensure he wins the girl, Gavin is one hundred percent on board. After a few six packs, after puking in the shrubs, a bad experience with Viagra, a Sex Ed course gone wrong and a slew of other mishaps courtesy of his family and friends, Gavin is pretty sure this list will be the death of him. Sometimes trying to make someone love you with a list isn't always the best idea.

Book 2 Passion and Ponies Ava Gilmore has the perfect life. She's surrounded by people who love her, she's having sex on a regular basis and her Coach bag collection just grew by three. The problem? She's expected to follow in her family's footsteps at Seduction and Snacks, working with sex toys and baked goods. Ava loves vibrators and cupcakes as much as the next person, she'd just rather play with them than sell them. With her shopping addiction reaching an all-time high and her credit card bills piling up, Ava decides to put her obsession to good use and start a fashion blog. But she has one other problem: the guy she's having sex with has a My Little Pony addiction. While dealing with her family's disappointment and confusion over her choices, she finds support in the unlikelyst of places: Tyler Branson. Tyler has slowly wormed his way into her bed and her heart, and he refuses to leave. Tyler has his own family problems to deal with, and for the first time ever, Ava finds herself feeling bad for the annoying immature guy and chanting: Friendship is magic. During the sex she'd sworn to stop having with him, Ava needs to get her life in order once and for all before she finds herself doing something she never wanted to do: fall in love with a Brony.

Book 2.5 Tattoos and TaTas Claire and Liz have always had a friendship that defied the test of time, but when one of them is diagnosed with a disease that every woman fears, their bond is put through the wringer. How do you cope knowing your soul mate could be taken from you? Filled with memories of their life-long friendship, inappropriate behavior, bad tattoos and shaving cats, the two friends will realize that laughter really is the best medicine. Tattoos and TaTas is not your typical love story; it's a story of friendship and learning how to let go when something is beyond your control.

Book 3 Baking and Babies I'm pregnant! Molly Gilmore had a good life before she uttered those two stupid words. While preparing to graduate from culinary school and building up the courage to make a move on her hot sugar cookie-smelling pastry instructor Marco, she can't wait to finally have the GREAT life she's always dreamed about instead of just the good one she's been living. Always known as the quiet ninja, she fully intends to stay hidden in the shadows with her nut job family so they

have no chance to embarrass her around the man she's crushed on for two years. Unfortunately her family has other plans. When they yank her straight out of her comfort zone she finds herself starring in the craziest train wreck she's ever witnessed. Molly ultimately gets a more exciting life that doesn't revolve around school but she's pretty sure the man of her dreams won't be sticking around long after her family gets ahold of him. There aren't too many guys who can handle smelling like pee, having the whole world know how he masturbates, and being forced to eat an entire bag of dicks.

Futures and Frosting Tara Sivec, 2012-09-13 Carter, Claire, and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing, and ready to face the future. Or are they? From bachelorette party, hell, porn addictions, dinner roll, baseball, and botched wedding proposals to finding out everyone's extended family is chock full of crazy. Carter and Claire begin to question the strength of the ties that bind them. Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily ever after sometimes really can start with beer pong?

Troubles and Treats Tara Sivec, 2012-11-29 Drew and Jenny have spent years being the envy of their friends with their out-of-control sex lives. Well, not really. Mostly, it makes their friends want to throw up in their mouths a little. With two little kids and two busy lives for the first time, Drew and Jenny aren't on the same page in the bedroom. Drew will stop at nothing to get his previously amorous wife back in the sack, and Jenny will do anything for a full night of sleep. Carter and Claire, and Jim and Liz, are their usual unhelpful selves and are full of advice for the discontented duo wanting nothing more than to help restore order to the usually happy couple's lives. In the third and final installment of the Chocolate Lovers Series, will Drew and Jenny find the spark that's been missing in their marriage, or will the trouble they're having cause a stickier situation than the time Jenny poured honey all over Drew and he fused himself to a tree?
