Schwann ,1989 **The Complete Directory of Large Print Books & Serials** ,1994 American Book Publishing Record ,2001 Romance on the Early Modern Stage Cyrus Mulready,2013-08-22 What is dramatic romance Scholars have long turned to Shakespeare s biography to answer this question marking his late plays as the beginning and end of the dramatic romance This book identifies an earlier history for this genre revealing how stage romances imaginatively expanded audience interest in England s emerging global economy *Jimmy* Jason Colavito,2024-11-19 A fresh and long overdue reassessment of James Dean examining his life and legacy as a queer man Although he died at a heartbreakingly young age and appeared in only a handful of movies James Dean revolutionized American manhood As a celebrity and icon he melded vulnerability with determination sensitivity with strength in a way that offered a bracing and for some threatening new vision of masculinity His massive influence and the fascination he has always inspired are inseparable from his identity as a queer man whose complex sexuality shattered the norms of midcentury American society When asked whether he was a homosexual he reportedly said I m certainly not going through life with one hand tied behind my back Today even though it is widely accepted that Dean was gay or bisexual the story of his life and personal character continue to be colored by the prejudices of an earlier era and the work of often unscrupulous biographers and journalists Drawing on exhaustive new research including more than four hundred previously secret pages of Dean s personal and business records Jimmy The Secret Life of James Dean is a revelatory reassessment of the man and his legacy Free from sensationalism but unafraid to confront the difficult facts of Dean s life it deploys modern insights into sexual diversity to transform our understanding of James Dean s story and the stories of boys and men like him **The Lonely Strangers** Charity Blackstock,1973 Coll macdonell dreaming in vain of a reunion with his family saturnine Dr Tullideph elegant mysterious Aeneas bawdy volatile David all hoping for a victorious return of a Stuart to the throne And for the grief stricken young widow Grizel Ryder exile is a daily struggle for survival *Books in Print* ,1994 Forthcoming Books Rose Arny,2001-06 *Books in Print Supplement* ,1994 Contemporary Authors New Revision Pamela Dear,2000 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles *American Women Writing Fiction* Mickey Pearlman,2014-10-17 American literature is no longer the refuge of the solitary hero Like the society it mirrors it is now a far richer many faceted explication of a complicated and diverse society racially culturally and ethnically interwoven and at the same time fractured and fractious Ten women writing fiction in America today Toni Cade Bambara Joan Didion Louise Erdrich Gail Godwin Mary Gordon Alison Lurie Joyce Carol Oates

Contemporary Authors Terrie M. Rooney, 1997-12 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors R **Expirer Au Féminin** Mary Jo Muratore, 2003 *Expirer au féminin* offers new perspectives on the complex relationship between neo-classical writers their works and the theoretical mandates imposed upon them In this work the author argues that a writer's conflicted attitude towards aesthetic conformity infiltrated the work itself This conflict can be seen in the confrontation between a male hero eager to comply with ideological protocols and a dissenting heroine in violation of established regulations It is to be expected perhaps that in the political context of

seventeenth century France a heroine s refusal to embrace orthodox opinions would result inevitably in her death dissolution or excision from the text What is unanticipated however is that writers would so often slant the readers sympathy in the direction of the rebellious heroine and against the obedient hero Expirer au feminin analyzes how the heroine s ostensibly expedient death serves to further complicate the very situation it was intended to neutralize Rendered essential by her presence but quintessential by her absence the heroine in these canonical texts embodies the non permissible vision the unspeakable other the essence of alteration or alternation or alienation that is often seen as the antithesis of neo classical textuality In the re readings proposed the heroine s rebelliousness reveals one of the most salient yet least noted characteristic of neo classical textuality it does not will not cannot conform Beneath a surface of sameness and adherence it proffers an unruly dismantling of codes an untidy challenge to prescription a poetically intoned ode to desobeissance BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Cumulative Book Index** ,1999 **Subject Catalog** Library of Congress,1982 **On Cassette** ,1990 **Cumulated Index to the Books** ,1999
