Loving Samuel Suffering Dependence And The Calling Of Love:

Loving Samuel Aaron D. Cobb, 2014-06-09 *Loving Samuel* is a retelling of the experience of welcoming and loving my son Samuel who was diagnosed in utero with a chromosomal abnormality known as Trisomy 18. Samuel died January 2, 2012, just five hours after his birth. The experience of loving him and grieving his loss has profoundly shaped the character of my family. *Loving Samuel* weaves together both the narrative of our experience and broad thematic reflections on the human condition, the difficulties of loss and grief, the importance of friendship, and the necessity of virtues like faith and love for suffering well for wresting something good from circumstances that seem meaningless. An interview on the book can be found at the following link at 1 hour and 39 minutes into the July 11th program: <http://tunein.com/radio/John+Kathy/p395032>

Kuebelbeck, Deborah L. Davis, 2023-09-05 This book describes and affirms the wide range of experiences and emotions that can follow a life-limiting prenatal diagnosis. It offers encouragement and practical ideas for moving forward, including guidance for decision-making strategies for coping with the remainder of your pregnancy and ideas for nurturing and being with your baby before and after birth and death. This book also describes the concept of perinatal hospice and palliative care, which is a well-established way of supporting parents whose babies are expected to die before or shortly after birth. **A**

Virtue-Based Defense of Perinatal Hospice Aaron D. Cobb, 2019-08-05 Perinatal hospice is a novel form of care for an unborn child who has been diagnosed with a significantly life-limiting condition. In this book, Aaron D. Cobb develops a virtue-based defense of the value of perinatal hospice. He characterizes its promotion and provision as a common project of individuals, local communities, and institutions working together to provide exemplary care. Engaging with important themes from the work of Alasdair MacIntyre and Robert Adams, he shows how perinatal hospice manifests virtues crucial to meeting the needs of families in these difficult circumstances. As a work of applied virtue ethics, this book has important normative, social, and political implications for the creation and development of structured programs of care. It grounds the view that communities ought i) to devote resources to ensure that these programs are widely available and ii) to develop social structures that promote awareness of and accessibility to these forms of care. *A Virtue-Based Defense of Perinatal Hospice* will be of interest to philosophers working in bioethics and applied virtue ethics, as well as scholars in the fields of neonatology, nursing, palliative and hospice care, and counseling who are interested in the study of perinatal hospice. *The*

Joining Creation's Praise Brian Brock, 2025-08-19 In the beginning God created Thus begins the Bible's story of a long conversation between God and creatures one in which humans are often the least edifying contributors They need to learn what it means to confess themselves creatures if they are to begin to understand what it means to be human and how to live Joining Creation's Praise a major statement by a leading Christian ethicist shows how confessing that we are creatures deeply reshapes every aspect of Christian thinking and living Human beings are made to embody Christ's image in the world not as dominators but as conduits of divine life In this comprehensive yet clear volume of theological ethics Brian Brock follows the first few chapters of Genesis in order to discover the things that the sages of Israel took to be crucial for the ethical life of human beings among other creatures in God's world Informed by theological rigor and careful exegesis the many ethical reflections in this volume allow an ancient wisdom to shed fresh light on very postmodern ethical questions about conversion life with God knowledge and wisdom dominion Sabbath vocation economics human dignity our relationship with the rest of creation sexuality marriage family sin death and politics
