Veronica Johnson, known as Ronny to friends, lives a quiet life in the sleepy area of Shaldon, Devon. At 30 years of age, her life revolved around her job as a nursery nurse in the village and seeing her mother and stepfather, who ran a cake shop. Then her life suddenly became busy, busy, busy after meeting her stepbrothers, identical twins, as well as discovering her favourite twin boys in the nursery were sons of the Casanova of the high school she had attended years ago. On meeting up with him, could Ronny trust him to be faithful? Did he still have a roving eye for the women?

Brick Samantha Wilde, Chosen Few is a Blood Brothers crossover series and can be read as a standalone. Brick is the fifth book in the steamy and captivating Chosen Few series. Brick is a page-turning romantic suspense story of internal battle, unconditional love, and high stakes. Brick's take-action persona makes him the ultimate protector hero. Protective hero. Secret baby. Ex-soldier. Badass bodyguard. Satisfying HEA. She took a part of him with her; a part he'd kill to protect. He'd sunk deep. After three tours in Afghanistan, Brick is searching for stability. He thought he'd found it one random night in Fargo. The sexy blond brewed with trouble, but he fell for her hard and fast. Faster than a bullet. Faster than a missile. Faster than anything he could handle. Until he wakes up to find his bed bare. All searches for the woman come up empty. She might have given him a false name, but she made a damn imprint on his heart. Three years later, and he's shocked to find her striking green eyes and pouty lips on a Facebook post. The headline jars him: Natalie's wanted for murder. And in the photo, she holds a toddler boy. Brick's goddamn twin. Now a bodyguard at Backcountry Protection Services, he puts his team to work. They find Natalie on the run for her life. And their son is missing. Natalie did what she had to survive. For years, Natalie fought to keep a brave face against her abusive ex. But she couldn't get out from under his thumb. Not while he kept her secret. The secret that would end her. Destroy her. The secret that would put her behind bars. One terrifying night, she escaped and fell into the arms of a stranger. All dangerous muscle wrapped steel of him. Brick wasn't just a one-night stand. He'd been her salvation and the father of her son. A son Brick knows nothing about. Three years later, and she's face-to-face with the man who stole her heart, and he knows her deepest secret well. One of them.

What Should I Read Aloud? Nancy A. Anderson, 2007. Reading aloud to young children has been advocated as a vital experience in literacy development, both at home and school. Studies show that

participation with adults and peers in book reading at home and school increases young children's desire to read and improves their reading comprehension. Often however teachers and parents need guidance on which books to select out of more than 50 000 children's books in print. To simplify the search for quality picture books this book provides annotations of the 200 best selling picture books and offers ideas on how to share them with children. It contains descriptions of best selling picture books both old and new. Titles were selected for inclusion based on the volume of sales rather than the tastes of a single individual or small committee. Books are grouped by suggested age levels.
